

Courage

Courage comes from knowledge
And knowing true your fate
With all the possibilities
When standing at the gate
At least two paths await you
No matter what the test
When choosing a direction
Your heart pounding in your chest
How can you move forward
Or even just move back
The risks seem far too many
Is it courage that you lack
It's not a lack of courage
It's trust that you now need
The plan for you unfolding
Is like water to a seed
