Puritan Evangelism Biblical Approach:

Puritan Evangelism Joel R. Beeke, 1999-01-01 **Puritan Spirituality** J. Stephen Yuille, 2008-04-15 Without minimizing the validity of the social political and ecclesiastical approaches to this field of study Yuille affirms that the essence of Puritanism is found in its spirituality He demonstrates this by turning to a relatively unknown Puritan George Swinnock 1627-1673 At the root of Swinnock's spirituality was his concept of fear of God as the proper ordering of the soul's faculties after the image of God This concept is pivotal to Swinnock's spirituality because he viewed it as the Christian's true principles of practice Yuille shows the prevalence of this paradigm among Swinnock's fellow Puritans and sets it in a historical tradition extending back to Augustine through Calvin *A Practical Theology of Family Worship* Jonathan Williams, 2021-08-31 Baxter's belief in the importance of family worship meant every family in some Kidderminster streets upheld the practice Williams examines Baxter's methods and shows how they can work in churches today *Invitation to Evangelism* Timothy K. Puritan Reformed Spirituality Joel R. Beeke, 2006 In these pages Dr Joel Beeke provides us with a first class tour of some of the great sites of Reformed theology and spirituality Here we meet John Calvin reformer extraordinaire then we encounter the learned Dr William Ames and the insightful Anthony Burgess Soon we have traveled north to meet the Scotsmen John Brown of Haddington the great Thomas Boston and the remarkable brothers Ebenezer and Ralph Erskine Predictably but happily our guide brings us to The Netherlands and to the time of the Nadere Reformatie before taking us back to the New World in the company of the remarkable Theodorus Jacobus Freylinghuysen But the climax of this tour is not reached until our trusted guide has brought us to the family roots from which all these theologians and pastors came to the strong foundations of Christian living in justification by faith and sanctification in life nourished by the power of biblical preaching Author Joel R Beeke Ph D Westminster Theological Seminary is president and professor of systematic theology and homiletics at Puritan Reformed Theological Seminary pastor of the Heritage

When History Teaches Us Nothing, Second Edition Tim J. R. Trumper, 2022-01-06 Tim J R Trumper draws on his decades of historical biblical and theological research into the doctrine of adoption to offer a unique reflection on the Sonship debate one with lasting implications for the Reformed tradition Much the buzz in confessional Presbyterian circles around the turn of the millennium the debate concerned the discipleship course developed by practical theologian John C Jack Miller 1928 1996 and his wife Rose Marie Whereas some attested to God s use of Sonship in their spiritual rejuvenation others questioned its Reformed credentials Setting the debate in pioneering fashion against the backdrop of the historical theology of adoption Trumper offers an assessment that is enlightening evenhanded and constructive His fresh portrayal of the history of the Reformed tradition teaches the value of pausing before rushing to judgment and is a reminder that the meeting of spiritual needs requires more biblical exposition not less of it While addressing the points of debate When History Teaches Us Nothing is above all a call to the church to recover the doctrine of adoption and to the Reformed community to revive her creative orthodoxy to recapture Scripture s balance of the juridical and familial aspects of the faith and to do so with grace

The Gloss and the Text Andrew S. Ballitch, 2020-07-22 Scripture opens itself up by its own words and interpretation William Perkins is the father of Puritanism often remembered for his preaching manual The Art of Prophecy Much attention has been given to the Puritan movement especially in its later forms but comparatively little has been given to Perkins In The Gloss and the Text Andrew Ballitch provides a thorough examination of the hermeneutical principles that governed Perkins s approach to biblical interpretation Perkins taught that the Bible was God s word as well as the interpretation of God s word Interpretation is no private matter it is a public gift of the Spirit of God for the people of God Ballitch s study sheds light on Perkins as a preacher theologian and student of Scripture

When History Teaches Us Nothing Tim J. R. Trumper, 2008-05-01 When History Teaches Us Nothing is an early historical reflection on the recent Reformed debate over the late John C Jack Miller s Sonship Discipleship Course Miller 1928 1996 an erstwhile professor of practical theology at Westminster Theological Seminary Pennsylvania and an influential pastor in the New Life congregations of the Presbyterian Church in America sought to minister to the jaded by accenting God s grace in the gospel Gradually fears grew that his approach was spawning among other things an antinomianism and a revivalism antithetical to Reformed theology and piety While not dismissing these concerns Trumper argues that Sonship can only be accurately evaluated once it is understood in light of the practical loss within conservative Presbyterianism i e within Westminster Calvinism of the gracious Fatherhood of God and the sonship of believers Drawing on his knowledge of the theological history of adoption Trumper notes the significant parallels between Miller s protest of paternal grace and that of the early nineteenth century Scottish churchman John Macleod Campbell notably his stress on the life of sonship the prospective aspect of the atonement Trumper thus cautions today s Westminster Calvinists against repeating their forebears mistake which was to dismiss the

validity of Campbell's protest on the basis of the problems with his proposed solution. By so arguing the author provides a more balanced and constructive response to the debate highlighting its potential for the biblical renewal of Westminster Calvinism. Essential to this renewal is the recovery of the Fatherhood of God and of adoption, the evening out of attention accorded the Bible's forensic and relational specifically familial elements and the better reflection of the theology and tenor of the New Testament especially. Only such a renewal Trummer argues can render superfluous further protests for paternal grace.

John Eliot's Puritan Ministry to New England "Indians" Do Hoon Kim, 2021-12-10 John Eliot 1604-90 has been called the apostle to the Indians. This book looks at Eliot not from the perspective of modern Protestant mission studies, the approach mainly adopted by previous research, but in the historical and theological context of seventeenth-century puritanism. Drawing on recent research on migration to New England, the book argues that Eliot like many other migrants went to New England primarily in search of a safe haven to practice pure reformed Christianity, not to convert Indians. Eliot's Indian ministry started from a fundamental concern for the conversion of the unconverted, which he derived from his experience of the puritan movement in England. Consequently, for Eliot, the notion of New England Indian mission was essentially conversion-oriented, Word-centered, and pastorally focused, and in common with the broader aims of New England churches, pursued a pure reformed Christianity. Eliot hoped to achieve this through the establishment of Praying Towns organized on a biblical model where preaching, pastoral care, and the practice of piety could lead to conversion, leading to the formation of Indian churches composed of sincere converts.

Hyde, Shane Lems, 2011-01-04 As a response to the unique challenges facing the twenty first century American church church planting has become a popular topic But at a time when churches that spread the seed of the Word through preaching the sacraments and prayer are greatly needed much of the focus has been on planting churches that adapt pop culture to meet consumer demand In *Planting Watering Growing* the authors of this collection of essays weave together theological wisdom personal experiences and practical suggestions guiding readers through the foundations and methods of planting confessional churches that uphold the Word of God *The Banner of Sovereign Grace Truth* ,2002 *The Theology of the Christian Life in J.I.
