Restoring Sexual Identity Hope For Women Who Struggle With Same Sex Attraction:

Restoring Sexual Identity Anne Paulk, 2003-07-01 Restoring Sexual Identity offers answers to the most commonly asked questions from both homosexuals desiring change and friends and relatives of women struggling with same sex attraction Is lesbianism an inherited predisposition or is it developed in childhood Does becoming a Christian eliminate all desire for members of the same sex What support is available for women who struggle with lesbianism Can a woman be a lesbian and a Christian at the same time How does childhood sexual abuse relate to the development of lesbianism These and other important questions are answered as the author draws from her own experience and that of many other former lesbians who participated in an extensive survey on same sex attraction

Leaving Homosexuality Alan Chambers, 2009-07 When a gay man or woman is faced with the reality that a growing and vibrant life in Jesus Christ is incompatible with their sexual attractions what exactly does he or she do What steps can be taken toward leaving the gay life and identity In this accessible book Alan Chambers president of Exodus International explains the process and clarifies the expectations for those who are skeptical of change or frustrated by an ongoing struggle with same sex attraction Readers will learn how to enter into a new life in Christ set realistic and healthy expectations build authentic community learn to forgive overcome the power of sexual addiction Men and women of all ages who struggle with same sex attraction will find Leaving Homosexuality indispensable in their own walk of faith and an excellent resource to give to those who haven't yet heard that there is a new life of freedom beyond homosexuality available to them

The Complete Christian Guide to Understanding Homosexuality Joe Dallas, 2010-07-01 One of the hot button issues of our day is fully addressed in this comprehensive new resource on homosexuality This well researched and highly readable guide is the perfect go to manual for families church workers counselors pastors civic leaders schools and those who themselves struggle with same sex attraction Readers will find the answers to these and many more important questions What is homosexuality Is the tendency for homosexuality genetic How should the church respond What's the proper response when a relative or friend announces they're gay What are the legal and civic ramifications of homosexuality Should homosexuals serve openly in the military What about gay marriage and adoption Authoritative authors Joe Dallas Desires in Conflict When Homosexuality Hits Home and Dr Nancy Heche The Truth Comes Out tackle the hard questions about same sex attraction in this helpful volume

Examining the Impact of Trauma Bradley D. Grammer, 2016-06-16 Through twenty five years of walking alongside those in conflict with their sexuality Brad has come to understand what is at the heart of same sex attraction trauma Little is understood about the concept of trauma and only recently has the method of trauma informed care come to the forefront of helping others People often react negatively to the concept of trauma being at the heart of any kind of gender identity or sexual confusion Christians also struggle to understand and provide loving help to those who have sought to overcome attractions they do not desire Believers need to be equipped with a deeper understanding of the foundations of same sex attraction whether they

face these desires themselves or have loved ones for whom they care An integral part of helping those with same sex attraction is learning what we all have in common in experiences with trauma and our reactions to it Brad draws from his own story as well as his ministry experience to add to the discussion in hopes of filling in the gaps that remain unfilled on the issue of same sex attraction

Desires in Conflict Joe Dallas,2003-07-01 For more than a decade *Desires in Conflict* has been the definitive must read for those who wonder Can a homosexual change This new edition with updated information offers more compelling reasons why the answer is yes I read *Desires in Conflict* for the first time when I was 19 More than a decade later I am free of desires that once held me captive strong in my faith married to my amazing wife Leslie and currently the Executive Director of Exodus International North America The Lord used *Desires in Conflict* to help guide me out of homosexuality Joe Dallas has eternally impacted a generation of young people like me Alan Chambers Executive Director Exodus International

101 Frequently Asked Questions About Homosexuality Mike Haley,2004-06-01 101 Probing Questions 101 Compassionate and Scriptural Answers from Focus on the Family s Mike Haley Almost daily we hear news reports that confirm the acceptance of homosexuality in our culture Homosexuals are adopting children appearing as characters on television programs taking vacations catering to an exclusively gay clientele and even seeking the right to marry their partners But is this acceptance healthy for society Few topics can raise so many questions so quickly And for many readers those questions hit close to home as they learn of the homosexuality of a loved one or close friend Here are the answers to the most often asked questions about homosexuality fielded by an expert on the subject and a former homosexual himself

Still Time to Care Greg Johnson,2021-12-07 Charting the path forward for our churches and ministries in providing care not a cure for our non straight sisters and brothers who are living lives of costly obedience to Jesus At the start of the gay rights movement in 1969 evangelicalism s leading voices cast a vision for gay people who turn to Jesus It was C S Lewis Billy Graham Francis Schaeffer and John Stott who were among the most respected leaders within theologically orthodox Protestantism We see with them a positive pastoral approach toward gay people an approach that viewed homosexuality as a fallen condition experienced by some Christians who needed care more than cure With the birth and rise of the ex gay movement the focus shifted from care to cure As a result there are an estimated 700 000 people alive today who underwent conversion therapy in the United States alone Many of these patients were treated by faith based testimony driven parachurch ministries centered on the ex gay script Despite the best of intentions the movement ended with very troubling results Yet the ex gay movement died not because it had the wrong sex ethic It died because it was founded on a practice that diminished the beauty of the gospel Yet even after the closure of the ex gay umbrella organization Exodus International in 2013 the ex gay script continues to walk about as the undead among us pressuring people like me to say I used to be gay but I m not gay anymore Now I m just same sex attracted For orthodox Christians the way forward is to take a close look at our history It is time again to focus with our Neo Evangelical fathers on caring over attempting to cure With

warmth and humor as well as original research Still Time to Care provides Guidance for the gay person who hears the gospel and finds themselves smitten by the life giving call of Jesus Guidance for the church to repent of its homophobia and instead offer gospel motivated love and compassion

The Gay Gospel? Joe Dallas,2007-02-01 In this updated edition of A Strong Delusion author and counselor Joe Dallas helps readers understand what pro gay theology is and how to confront it In a biblical manner Dallas examines believers personal responses and the need for bold love and commitment as they become familiar with the movement s background and beliefs study a clear scriptural response to each belief extend Christ s love to those living the homosexual lifestyle This resource is an important one for those who have been unsure how to respond to the growing acceptance of homosexuality in the evangelical community It offers the balance between conviction and compassion and a practical guide to communicating with those who have embraced the pro gay Christian movement

The Silencing of the Lambs Michael L. Brown,2022 Conservative Christians in the United States today are feeling the fire thrown at them by liberal influencers who are pressuring Americans to pick up a left wing agenda and abandon biblical values Now is not the time for the church to stay quiet on the issues that will determine America s future This is the moment for the church to reject the left s muzzle and turn the tide for this nation Dust jacket flap

The Quick-Reference Guide to Counseling Women Dr. Tim Clinton,Timothy E. Clinton,Dr. Diane Langberg,2011-09 Internationally recognized AACC President and leading women s counseling expert offer a practical comprehensive and biblical guide to counseling women

When Homosexuality Hits Home Joe Dallas,2015-03-01 There s something I need to tell you I m gay These are hard words to hear from a beloved family member But as hard as they are to hear they are also hard for the same sex attracted person to utter No matter the relationship parent child grandparent spouse sibling or other that admission will likely mark a change in the way you and your loved one understand each other These can be difficult waters to navigate but Joe Dallas knows the rough waters firsthand and offers answers to the questions you need answered How do I show my love for my same sex attracted family member and yet remain faithful to the Bible s admonitions about homosexuality Should I attend my loved one s gay wedding What caused his or her homosexuality Am I to blame Can people change their sexual orientation From his many years of helping families answer tough questions about homosexuality Joe Dallas offers you sound compassionate and biblically accurate advice as you take a journey you never anticipated Revised edition

God, Marriage, and Family Andreas J. Köstenberger,David W. Jones,2010 This updated edition of K stenberger and Jones s landmark work tackles the latest debates and cultural challenges to God s plan for marriage and the family and urges a return to a biblical foundation

Religion, Politics, and American Identity David S. Gutterman,Andrew R. Murphy,2008-03-01 Scholarship on the role of religion in American public life has taken on a new urgency in the increasingly contentious wake of the attacks of September 11 2001 This volume brings together an impressive group of scholars to build on past work and broaden the scope of this crucial inquiry in two respects by exploring aspects of the religion politics nexus in the United States that have been

neglected in the past and by examining traditional questions concerning the religious tincture of American political discourse in provocative new ways Essays include examinations of religious rhetoric in American political and cultural discourse after September 11th the impact of religious ideas on environmental ethics religion and American law beyond the First Amendment religious responses to questions of gay and lesbian rights the Church of Jesus Christ of Latter Day Saints and issues of free speech and public space in Utah and the role of religious institutions and ideas on the political priorities of African American and Latino communities In addition Religion Politics and American Identity includes introductory and concluding essays by leading scholars in the field of religion and politics that assess present and future directions for study

Connecting Women Linda Lesniewski, 2007-11-01 Women's ministry today addresses the needs of women in all walks and stages of life Drawing on her years of church staff experience Linda Lesniewski describes the changing and varied needs of women and encourages Christian women to become involved in leadership The book emphasizes the biblical foundation of women's ministry and explores the call of God to minister to women Moving to more practical issues it discusses leadership training following church protocol communication and ways to make ministry fresh creative and vital Whether a veteran looking for inspiration and new ideas or a person exploring God's direction in life any woman can benefit from the wealth of information and inspiration found in **Connecting Women**

God's Grace and the Homosexual Next Door Alan Chambers, *Tough Love* Cynthia Burack, 2014-02-01 Exposes how ex gay and postabortion ministries operate on a shared system of thought and analyzes their social implications A staple of the culture wars the struggle between Christian conservatives and progressives over sexuality and reproductive rights continues Focusing on ex gay ministries geared to helping same sex attracted people resist their sexuality and postabortion ministries dedicated to leading women who have had an abortion to repent that decision Cynthia Burack argues that both are motivated and characterized by a strain of compassion that is particular to Christian conservatism rather than a bias and hatred toward sexual minorities and sexually active women This compassion reproduces the sexual ideology of the Christian right and absolves Christian conservatives from responsibility for stigma and other forms of harm to postabortive and same sex attracted people Using the democratic theory of Hannah Arendt the popular fiction of Ayn Rand and the psychoanalytic thought of Melanie Klein Burack studies the social and political effects of Christian conservative compassion

Sin, Sex, and Democracy Cynthia Burack, 2008-04-17 While the Christian Right has spearheaded a variety of antigay projects over the past fifteen years including interventions in public schools antigay rights initiatives and support for a constitutional amendment banning same sex marriage observers of the institutionalized Christian Right have also noted a softening of antigay public rhetoric *Sin Sex and Democracy* analyzes these two ostensibly conflicting phenomena Examining Christian witnessing tracts the ex gay movement and recent linkages between gays and terrorists Cynthia Burack argues that as the Christian Right has become a more sophisticated interest group leaders have become adept at tailoring different messages for mainstream audiences and for the internal pedagogical

processes of Christian conservatives Understanding the rhetoric and the theological convictions that lie behind them Burack claims is essential to better understand how American politics work and how to effectively respond to exclusionary forms of political thought and practice *Seeking the Straight and Narrow* Lynne Gerber,2012-08-01

Losing weight and changing your sexual orientation are both notoriously difficult to do successfully Yet many faithful evangelical Christians believe that thinness and heterosexuality are godly ideals and that God will provide reliable paths toward them for those who fall short Seeking the Straight and Narrow is a fascinating account of the world of evangelical efforts to alter our strongest bodily desires Drawing on fieldwork at First Place a popular Christian weight loss program and Exodus International a network of ex gay ministries Lynne Gerber explores why some Christians feel that being fat or gay offends God what exactly they do to lose weight or go straight and how they make sense of the program s results or frequently their lack Gerber notes the differences and striking parallels between the two programs and more broadly she traces the ways that other social institutions have attempted to contain the excesses associated with fatness and homosexuality Challenging narratives that place evangelicals in constant opposition to dominant American values Gerber shows that these programs reflect the often overlooked connection between American cultural obsessions and Christian ones *Straight to Jesus* Tanya

Erzen,2006-06-27 Erzen is sensitive savvy and provocative Her mastery of historical sources ethnographic technique and accessible writing style are evident throughout She illuminates aspects of conservative Christianity central to the culture wars deepening our understanding of the movement s internal struggles over sexuality gender and family issues Erzen has written a wonderful book Diane Winston author of Red Hot and Righteous The Urban Religion of the Salvation Army Tanya Erzen s wonderful and timely book provides us with a compelling cultural history of the Christian right in the post war period from the cold war to family and sexual politics as well as remarkable ethnographic insight into the dynamics of Exodus International With compassion humor and insight Erzen takes the reader through the ideological organizational and daily practices used in efforts to change people s theological and sexual orientations from self help to conversion testimony Faye Ginsburg Professor of Anthropology New York University author of Contested Lives **Lies Women Believe/Companion**
