## **Resurrection Of Philip Clairmont:**

**The Resurrection of Philip Clairmont** Martin Edmond, 2013-11-01 This is the record of the author's powerful and moving search for the artist Philip Clairmont which mingles elements of biography and art history with a personal quest. It is an unusual and brilliant piece of writing by the author of *The Autobiography of My Father* which transcends categorization.

**The Work of Art** Michael D. Jackson, 2016-10-25 How are we to think of works of art? Rather than treat art as an expression of individual genius, market forces or aesthetic principles, Michael Jackson focuses on how art effects transformations in our lives. Art opens up transitional, ritual or utopian spaces that enable us to reconcile inward imperatives and outward constraints, thereby making our lives more manageable and meaningful. Art allows us to strike a balance between being actors and being acted upon. Drawing on his ethnographic fieldwork in Aboriginal Australia and West Africa, as well as insights from psychoanalysis, religious studies, literature and the philosophy of art, Jackson deploys an extraordinary range of references from Bruegel to Beuys, Paleolithic art to performance art, Michelangelo to Munch to explore the symbolic labor whereby human beings make themselves both individually and socially out of the environmental, biographical and physical materials that affect them: a process that connects art with gestation, storytelling and dreaming and illuminates the elementary forms of religious life.

**Tony Fomison** Mark Forman, 2025-03-13 he wanted to make room at the back of our heads. From the introduction by the author: In a career spanning three decades, Tony Fomison (1939) – activist, archaeologist and scholar, trickster, addict and disrupter and above all else an artist – shed light on the human condition and reimagined life in Aotearoa. In this compelling biography developed over more than a decade, Mark Forman draws on archival material and interviews with more than 150 people, including Fomison's family and close friends, leading contemporary artists, political activists and art professionals. The result is a comprehensive yet lively and accessible biography that reveals the man and his art to a new generation of readers.

**Marti Friedlander: Portraits of the Artists** Leonard Bell, 2020-08-27 For fifty years, Marti Friedlander (1928–2016) was one of New Zealand's most important photographers; her work singled out for praise and recognition here and around the world. Friedlander's powerful pictures chronicled the country's social and cultural life from the 1960s into the twenty-first century. From painters to potters, film makers to novelists and actors to musicians, Marti Friedlander was always deeply engaged with New Zealand's creative talent. This book, published to coincide with an exhibition at the National Portrait Gallery in Wellington, brings together those extraordinary people and photographs: Rita Angus and Ralph Hotere, C.K. Stead and Maurice Gee, Neil Finn and Kapka Kassabova, Ans Westra and Kiri Te Kanawa and many, many more. Marti Friedlander's *Portraits of the Artists* chronicles the changing face of the arts in New Zealand while also addressing a central theme in Marti Friedlander's photography. Featuring more than 250 photographs, many never previously published, the book is an illuminating chronicle of the cultural life of Aotearoa New Zealand.

**Bluffworld** Patrick Evans, 2021-10-01 Zum Bullshitter geht der Preis so, said the great German author/philosopher Johann Wolfgang von Goethe.

in Die Leiden des jungen Werthers 1774 Or did he Can we trust what we never quite knew about because we never quite got around to reading it in the first place Is it safe to rely on what we overhear in the university common room or even out there in the real world And does it matter In Bluffworld we are taken through the bildung of a master bluffer from his early days spent plagiarising student essays to his magisterial later lectures on the opening sentence of Moby Dick and other works he s been led to believe might well be great literature whatever that is We learn to spot the difference between bullshit and horseshit to understand the power of seeming to use Quite and Just so to trigger verbal smokescreens when outflanked to sense the sublime power of unoriginality all around us Finally we see the inevitable terminus ad quem whatever that means of the Meister Bullshit K nstler as our hero confronts the apotheosis of bullshit in the bewildering word world of the corporate university All this and much much less Time for another all staff barbecue **A Press Achieved** Dennis
