Fink, 2008-02 No one is likely to dispute that religions profoundly affect our lives in innumerable ways Disagreements emerge however when we attempt to evaluate those effects and when we attempt to determine religion s proper place in our lives in our society and in our troubled world As we all know responsible judgments in regard to these complicated matters though fundamentally important are difficult to formulate and defend In fact even purely personal decisions about religion are not always easy So during normal times many of us choose to live our lives without ever seriously considering some of religion s more complex issues This limited outlook however is beginning to seem less appropriate given today s world some aspects of religion s role in current events truly are disturbing How should we respond to this situation Wouldn t it be worthwhile for everyone to think through our religious traditions one more time from the beginning Isn t it possible to resolve Nothing But Your Truth Will Help Me, God! Arwine,2014-05 Something seems to be pushing our world into a new era People sense that something monumental is about to take place The book of Revelation describes a time of great upheavals and terrible events that will rock and shake planet earth This writing is designed to provide insights into the nature of those last days and how to survive in the midst of them **The Ark Discoveries** Richard Carl Bright,2021-12-06 The Bible and Hebrew texts tell us The Bible tells us in Genesis 8 4 that the ark rested upon the mountains of Ararat Hebrew text tells us the ark came to rest on the mountains of rrt There are no vowels in original Hebrew text so rrt translated to Urartu and later to Ararat Research tells us the area extended from southeastern Turkey across the present border into Iran and north to include most of present day Armenia to the southwest corner of Georgia then southwest to about the present city of Malatya and back southeast and south of Lake Van and southeast Turkey It covered much of the eastern 1 3 of the present day Turkey Mount Ararat is within that general area Additional research that includes the time when Genesis is understood to have been written by Moses 1400 1450 BC indicates that the Urartu Kingdom may have included the area into what is now Northern Iraq and to Historic Assyria Additional research using Wikipedia tell us Assyrian sources from early 1300 BC have the Urartu Kingdom in the vast mountainous regions southwest of the Black Sea and Southwest of the Caspian Sea Mount Ararat is within that general area If the mountains of Ararat or Urartu has included such a large area or areas over the centuries then since there has been no verifiable discovery that has been proven to be a large structure of a great age It can be understood why some researchers are of the opinion that Mount Ararat may not have been in the area of Urartu at the time of the writing of the book of Genesis or the ark did not land on Mount Ararat but on another mountain within the vast area Some other mountains suggested by those who have varied opinions are mentioned in chapter 17 There is also the belief by some that Mount Ararat is a post flood mountain This rationale is pursued despite the many reports more than 40 of an ark sighting on Mount Ararat A question here given regarding the landing place of the ark may be Was Mount Ararat in the Urartu Kingdom at the time Genesis was written You have read this book you know my position on the position of Mount Ararat when the ark landed and when Genesis was written It certainly was in the Urartu Kingdom in the 9th century BC which later succeeded to the Armenians in the 6th century BC but was Mount Ararat included in the mountains of Ararat Gen 8 4 when the book of Genesis was written Moses is understood to have written the book of Genesis Henrietta C Mears chapter 9 foot note 13 says the book of Genesis closes about 300 years before Moses was born Moses could have only received the information to write the book by a direct revelation from God or by historical records If historical records were involved where did the records come from She writes No doubt it was written long before by Abraham Noah or Enoch who knows Dr Henry Morris agrees also chapter 9 footnote

14 and adds that oral traditions handed down over the centuries may have been involved here too. God shared the records with Moses in whatever manner he chose to do so. The Word of God is truth. As far as Mt Ararat being a post flood mountain as some seem to believe, Dr John Morris, Dr Tim LaHaye and other scientists tell us the mountain was pre flood and grew to its greatest height with all the geological activity that took place during the flood. Chapter 9 Turkish geologist Dr Bayraktutan has located what are believed to be basement rocks that give proof that Mount Ararat was pre flood. Who We Are section A question may be: What area did the Urartu Kingdom occupy long before Moses arrived on the scene? Wherever the area was, I am of the belief that Mount Ararat was included in that area that would be known as the mountains of Ararat at the time the ark landed on it. I have personally talked with at least 6 people who have seen or have personal knowledge of the ark on Ararat. They are the Reverend Vince Will who saw it from an aircraft in WWII, Ed Davis who during WWII was taken to see the ark by Kurds from his base in neighboring Iran, two 2 Kurdish shepherds who told me they saw part of a large structure, Dudley Thomas who held a top secret security clearance and saw satellite photographs and classified information in the Science and Technology Highlights classified journal when in the navy, and Saim Sahin who was taken to the ark and was able to touch it. Their stories are in chapters 5 and 17 as well as in Who We Are and the Sketches and Photo Sections. A complete study of the Urartu Kingdom can be seen here https://www.noahsarksearch.com/Urartu_Ararat_Boundaries.pdf

Romance of the Hebrew Calendar Raphael Ben Levi, 2013-02-28 In the introduction to Romance of the Hebrew Calendar, author Raphael Ben Levi writes: This book is about relationships I make no apologies for it. When everything has been said and done, what are we left with that endures? Relationships borne out of agape love. This is what the deepest and most authentic relationships are composed of, from beginning to end. This absorbing and ground breaking book will inspire readers to develop a deeper relationship with God and bring restoration to those who are spiritually broken. According to the author, there is a special heartbeat that pulsates through the veins of the biblical year which has helped shape the identity of the Jewish people. Written from a Jewish messianic perspective, Romance of the Hebrew Calendar contains inspirational and fresh insights that are highly engaging and provocative. The main theme is complemented by a rich compendium of poignant stories and devotions drawn from Jewish tradition, historical archives and firsthand accounts. The Jewish festivals are lovingly presented to demonstrate a unified message of redemption. The months of the Hebrew calendar are accompanied by individual sections relating to the constellation connected to each tribe as represented by their banner or flag. The Hebrew word *mazal* from the plural word *mazzaroth* is associated with the patterns of stars in the sky and we find various biblical references to it such as in the Book of Job. In addition, Romance of the Hebrew Calendar contains individual sections for each chapter relating to the jewels of the high priest's ephod, their colours and their inherent connection with the twelve tribes of Israel. The combined messages contained within the biblical feasts, the *mazzaroth* and the jewels of the high priest's ephod converge to form a unified declaration of God's love revealed in Yeshua Ha Meshiach that will capture your imagination and

My Armor's Kinda Rusty ... Encouragement for Weary Warriors Paula Meiners Yingst,2012-11-17 How have I come to this place in my life and ministry where hindsight is not simply a self pitying review of all the things that have gone wrong over the years A cleft in the rock where Im finally ableat least some of the timeto recognize that whenever I allow myself to honestly reconsider the awesome the awful and the decidedly ugly moments scattered along the pathway of my life experience I can see that Gods hand has been guiding my journey This is an exploration of accounts that have inspired me over the years a search for answers to questions that have challenged me and information that Ive gleaned from various sources They are told from my personal point of view But also included are amazing stories that Ive collected from other imperfect peoplethe humorous and the heartbreakingwhich have stuck with me over the years and insist that I still have much more to learn They remind me that especially when it comes to spiritual armor mine is rusty even on a good day But then so is yours and therefore ours So lets continue the journey together Caution Stay alert for falling rocks and tongue in cheek humor
