The Scoop King Yin Fong Sit, 1993 Singapore journalism *King's Treatise on the Science and Practice of the Manufacture and Distribution of Coal Gas* William Boughton King, 1878 **The Merrikan King** Gerry Green, 2014-08-06 A four thousand year old prophecy warned that when mankind had made certain advances over nature it would face an unstoppable tide of evil unless certain bizarre events came to pass Jake King an American forestry consultant chanced upon a medieval shield while tracing his English ancestry The shield began to glow drawing him into a glen where an ancient thornbush unfurled a bedraggled Merlin magicked there fifteen hundred years ago Merlin hailed the bewildered Jake as the prophesized reincarnation of King Arthur Before he can gather his wits Jake finds himself thrust into a series of unbelievable Arthurian adventures confronting a man eating giant a fire breathing dragon marriage and the devil himself In parallel Merlin is thrust into his unbelievable images of twenty first century England cars TV telephones etc But the combination of his rusty magic and seventeenth century English caused mayhem everywhere he trod and nearly everybody he met was left teetering on the edge of insanity Accordingly his innocent quest to save the world elected him to Public Enemy Number 1 Could Arthur and Merlin fulfill the conditions of the prophecy and save both worlds **King's Treatise on the Science and Practice of the Manufacture and Distribution of Coal Gas** Thomas Newbigging, W. T. Fewtrell, 1882 Strategies of the Warring States Liu Xiang, The Zhan Guo Ce also known in English as the Strategies of the Warring States is an ancient Chinese text that contains anecdotes of political manipulation and warfare during the Warring States period 5th to 3rd centuries bc 1 It is an important text of the Warring States Period as it describes the strategies and political views of the School of Diplomacy and reveals the historical and social characteristics of the period The Zhan Guo Ce recounts the history of the Warring States from the conquest of the Fan clan by the Zhi clan in 490 BC up to the failed assassination of Qin Shi Huang by Gao Jianli in 221 BC The chapters take the form of anecdotes meant to illustrate various strategies and tricks employed by the Warring States With the focus thus being more on providing general political insights than on presenting the whole history of the period there is no stringent year by year dating such as that found in the preceding Spring and Autumn Annals Stories are sorted chronologically by under which ruler they take place but within the reign of a single king there is no way to tell if the time elapsed between two anecdotes is a day or a year The book comprises approximately 120 000 words and is divided into 33 chapters and 497 sections **Alexander The Great. A Gayish Biography** Dr. William Arnett, Alexander was only defeated once and that was by Hephaestion's thighs Cynic Philosophers about 2 000 years ago In this hilarious and meticulously researched biography Humanities professor and sometime standup comic Dr Will Arnett reveals the truth about Alexander The greatest military hero of all time was also the biggest drama queen who ever lived He's Here He's Queer And He Doesn't Like Your End Tables From Hephaestion his boyfriend of 19 years to Bagoas his shatteringly beautiful Persian boy toy Alexander The Great ruled as a king but lived as a queen He conquered most of the

known world unified it with a common language imbued it with religious tolerance and enriched it with racial diversity He founded close to 70 cities across Turkey Asia Central Europe and the Middle East Yet he cried easily He threatened suicide if he didn't get his way He talked in exclamation marks He loved to wear outrageous clothes Everything was an emergency He could throw hissy fits that would take Liza Minelli's breath away And he was so vain his own officers rubbed Preparation H on his ego It's the interplay between his personal fabulousness and his public greatness that makes Alexander the Great one of the most exhilarating characters in world history And so ripe for comedy As over the top as Alexander could be he was no Liberace in fatigues If you're thinking Sean Hayes in Will Grace leading 40 000 men across the desert think again If you're thinking Bruce Vilanch in hand to hand combat you're deluded If you're thinking Michael Musto slitting his enemy's throats with a nail file stop thinking please you're giving us a headache Instead think Patton taking bubble baths or McArthur in moo moos or Schwarzkopf with fag hags If you locked Alexander in a room with these generals and threw in a knife only Alexander would walk out without needing medical attention And he'd walk out like Evita too On the terrace arms out stretched greeting the adoring crowds below A Snippet From The Book Alexander liked to shave his face This shocked his countrymen who almost to a man sported beards Remember the last of Cromagnon man had croaked like three weeks earlier If the Greeks had been born just a few generations sooner they wouldn't have been able to walk upright without dragging their knuckles across the ground Alexander rationalized his shaving as a combat advantage If the enemy couldn't grab you by the beard he'd have a harder time killing you Historians have waved their bullshit detector over that one and can't decide if they believe him Let's just say there's a whole school of thought that says Alexander didn't like hair on his face for the same reason Narcissus didn't like ripples in the water it got in the way of the view Upon seeing him fresh shaven lots of people raised their eyebrows but nobody raised a stink You just didn't do that to the guy who kicked the world's ass In fact Alexander started a craze and soon everyone was going bare faced Philip Alexander's father must have been spinning in his grave seeing the army's energy wasted on something as girly as shaving Christ What are we running a spa he would have bellowed What's next botox and chemical peels Luckily Christ hadn't been born yet so Philip hadn't technically taken the Lord's name in vain Dr Arnett takes us on a wild comedic ride through Alexander's life from his early childhood Aristotle was one of his teachers to his famous battles to his 19 year relationship with his boyfriend Hephestion to his ultimate death Get ready to meet Alexander the Fabulous the man who went down on history and came up smiling The Savitar ,1924
