Scottish Nationality

Michael Shaw

Scottish Nationality:

Scottish Nationality Murray Pittock, 2017-04-26 The changes begun by the devolution referendum of 1997 have caused interest and concern throughout Britain What seemed a remote and abstract question to many has in the last few years struck at the heart of the issue of what Britain is and it is increasingly clear that things will never be the same again Scottish Nationality is written with these changes in mind It is the only book available which both gives an overview of what made Scotland a nation across the whole of its history while also focusing in closely on the issues of the present day in particular Scotland's relationship with Britain Murray Pittock discusses historic Scottish nationality modern nationalism and patriotism within the Union What is a nation How has Scotland developed within Britain Where does it stand now And what does the future hold These questions are all addressed and Pittock also deals in detail with the essential facts of Scotland's story not a story which can be understood in isolation Scottish Nationality examines Scotland's relationship with both England and the wider world in order to put Scotland in context within the new British history and the new Britain itself As for the future the book avoids unverifiable predictions instead showing evidence of various trends and suggesting the importance of arguments for mutual understanding of Scotland's and England's national traditions

Scottish Ethnicity and the Making of New Zealand Society, 1850-1930 Tanja Bueltmann, 2011-07-07 The Scots accounted for around a quarter of all UK born immigrants to New Zealand between 1861 and 1945 but have only been accorded scant attention in New Zealand histories specialist immigration histories and Scottish Diaspora Studies This is peculiar because the flow of Scots to New Zealand although relatively unimportant to Scotland constituted a sizable element to the country's much smaller population Seen as adaptable integrating relatively more quickly than other ethnic migrant groups in New Zealand the Scots presence was obscured by a fixation on the romanticised shortbread tin facade of Scottish identity overseas Uncovering Scottish ethnicity from the verges of nostalgia this study documents the notable imprint Scots left on New Zealand It examines Scottish immigrant community life culture and identity between 1850 and 1930

Anglo-Scottish Relations from 1603 to 1900 T C Smout, 2005-12-22 In 1603 England and Scotland came together and Great Britain was created But how did this union last when so many others in Europe have failed This volume provides an account of two nations who have often differed remained very distinct and yet have achieved endurance in European terms

Scottish History J. D. Mackie, 2013-08-22 The National Book League was a precursor to the current Booktrust and was set up in 1924 by the Society of Bookmen in order to promote reading particularly among the young To that end the NBL issued Reader's Guides on a variety of subjects each written by an author with expertise in that field and containing an annotated bibliography of recommended titles on the subject J D Mackie had a distinguished career as a historian of Scotland and was appointed Historiographer Royal for Scotland in 1957 the year after this guide was published This guide includes an introduction defending Scottish history as a subject independent from general British history and a bibliography divided by period and by specific points of interest

including Scottish art and the role played by Scots in the development of the British Empire **Nationality and Statelessness in International Law** Paul Weis, 1979-12-13 This second revised edition takes into account the decision of the International Court of Justice in the *Nottebohm Case* which was published just as the first edition was going to press and therefore received only cursory treatment It also of course includes an analysis of international legislation adopted since 1955 including the 1961 UN Convention on the Reduction of Statelessness the 1957 UN Convention on the Nationality of Married Women and the 1966 International Covenant on Civil and Political Rights The decisions of international tribunals and in particular of the Italian Conciliation Commissions are analysed Finally the author presents legislative judicial and governmental practice during the twenty two years After beginning with a clear definition of terms the author analyses the functions of nationality in international law the relationship between municipal and international law and then the public international law of nationality In this latter part he examines international conventions international custom and the principles of law generally recognized with regard to nationality The book ends with a summary and conclusions dealing with the existing law and future developments *Studies in the History of the Law of Nations* Charles Henry

Alexandrowicz, 1972-01-07 **Culture, Nation, and the New Scottish Parliament** Caroline McCracken-Flesher, 2007 Culture Nation and the New Scottish Parliament asserts that while Scotland's new Parliament 1999 is a creation of laws politics and economics some of the forces underpinning it are cultural therefore constantly alive and insistently creative Scotland may not be confined by but has always lived within and moved forward and outward through its signs and stories In the moment of the new Parliament it is time to cast up Scotland's accounts of past and present and to review the nation's futures Readers will find the usual signs of Scotland foregrounded questioned and re energized as contributors trace the dynamic toward a Scottish Parliament And they will find new signs whether sounds sights or souvenirs come into play revealing today's performance of a dynamic Scotland Caroline McCracken Flesher teaches the novel the British eighteenth and nineteenth centuries Scottish literature and literary theory at the University of Wyoming **Fin-de-Siecle Scottish Revival** Michael Shaw, 2019-09-27 This volume reveals a distinct but comparable concern with cultural defence and revivalism in fin de si cle Scotland evident in the work of a number of writers and artists including Robert Louis Stevenson Patrick Geddes Charles Rennie Mackintosh Mona Caird John Duncan and various contributors to *The Evergreen*

Remembering the Past in Nineteenth-Century Scotland James Coleman, 2014-07-16 At a time when the Union between Scotland and England is once again under the spotlight *Remembering the Past in Nineteenth Century Scotland* examines the way in which Scotland's national heroes were once remembered as champions of both Scottish and British patriotism Whereas current popular orthodoxy claims that 19th century Scotland was a mire of sentimental Jacobitism and kow towing unionism this book shows that Scotland's national heroes embodied a consistent expressive and robust view of Scottish nationality From the potent legacy of William Wallace and Robert the Bruce through the controversial figure of the

reformer John Knox to the largely neglected religious radicals the Covenanters these heroes once played a vital role in the formation of the virtues that made 19th century Britain great Examined through the prism of commemoration this book uncovers a reading of Scotland's past entirely opposed to the now dominant narratives of medieval proto nationalism and Calvinist misery Scottish History and Literature to the Period of the Reformation John Merry Ross, 1884 **Modern Scottish Diaspora** Murray Stewart Leith, 2014-07-21 Explores the connectedness of the diaspora to the homeland from a variety of different perspectives This book explores a range of different perspectives on the Scottish diaspora reflecting a growing interest in the subject from academics politicians and policy makers and coinciding with Scotland's second year of homecoming in 2014 The Scottish Government has actively developed a diaspora strategy not least in order to encourage roots tourism as those individuals of Scots descent come back to visit their homeland diaspora Key Features Examines the importance of links within the Scottish diaspora for Scots both at home and abroad Multi disciplinary perspectives from literature to sport Of interest to policy makers genealogists tourism bodies politicians and general public The Scots form one of the world's largest diasporas with around 30 million people worldwide claiming a Scottish ancestry There are few countries around the globe without a Caledonian Society a Burns Club a Scottish country dance society or similar organisation The diaspora is therefore of interest to politicians to public policy makers and to Scottish business as well as to those working in the media in sport in literature and in music *The Mark of the Scots* Duncan A. Bruce, 1998 Celebrates the accomplishments of Scots and people of Scottish descent from Immanuel Kant to Elvis Presley **The Scots Magazine** Charles Stewart Black, 1927 Mark Of The Scots - Cl Duncan A. Bruce, 2014-06-16 Here is the first ever celebration of all things and all people of Scottish descent While relatively few in number the Scots have certainly made their mark on the world More the seventy five percent of all American presidents have had Scottish ancestors although fewer than five percent of the American population is of Scottish descent Almost eleven percent of all the Nobel Prizes ever awarded have involved Scots and their descendants even though fewer than one half percent of the people of the world can claim Scottish ancestry At least five of the twelve astronauts who have walked on the moon were descended from Scots Today there are almost 28 million people of Scottish ancestry in the world over 12 million of whom reside in the United States about 4 million in Canada and about 5 million in Scotland Scottish accomplishments throughout history in every field of endeavor from science to the arts to politics and exploration rival those of even the largest ethnic groups Scots have been significant in most of the major inventions of the past three centuries including the steam engine the telegraph the telephone radio television the computer transistor and the motion picture People as diverse as Sir Isaac Newton Charles de Gaulle Katharine Hepburn Winston Churchill Elizabeth Taylor Immanuel Kant Sir Laurence Olivier Elvis Presley Edvard Grieg John D Rockefeller and Ty Cobb could claim Scottish ancestry Warsaw Madrid La Paz and Stockholm have all had mayors of Scottish Descent The Mark of the Scots contains thousands of facts and is fully annotated It is a comprehensive and readable book that deserves a place on the

shelve of every genealogist Scottish American and history buff **Secession from a Member State and Withdrawal from the European Union** Carlos Closa, 2017-09-07 The first book to jointly analyse withdrawal of a member state from the EU i e Brexit and territorial secession **Learning to Succeed in Science** Saima Salehjee, Mike Watts, 2023-06-29 This book offers a positive and compelling exploration of how young south Asian women can be encouraged to study science further and to consider STEM as a career Drawing together both intersectional and personal perspectives the book celebrates south Asian culture sharing the stories of these individuals their multifaceted identities aspirations and successes At the micro level an intersectional analysis reveals complicated identity negotiations of being young female a science orientated student imigr Muslim a daughter and a sister as well as how these identities might interact nest and shift The chapters build on the authors previous work in science education developing models of science identity Sci ID and women s engagement with the study of science and their aspirations for a science based career *Scottish Diaspora* Tanja Bueltmann, 2013-11-20 A history of the Scottish diaspora from c 1700 to 1945 Did you know that Scotland was one of Europe s main population exporters in the age of mass migration Or that the Scottish Honours System was introduced as far afield as New Zealand This comprehensive introductory history of the Scottish diaspora examines these and related issues exploring the migration of Scots overseas their experiences in the new worlds in which they settled and the impact of the diaspora on Scotland Global in scope the book s distinctive feature is its focus on both the geographies of the Scottish diaspora an

Emigrant homecomings Marjory Harper, 2017-03-01 Emigrant Homecomings addresses the significant but neglected issue of return migration to Britain and Europe since 1600 While emigration studies have become prominent in both scholarly and popular circles in recent years return migration has remained comparatively under researched despite evidence that in the nineteenth and twentieth centuries between a quarter and a third of all emigrants from many parts of Britain and Europe ultimately returned to their countries of origin Emigrant Homecomings analyses the motives experiences and impact of these returning migrants in a wide range of locations over four hundred years as well as examining the mechanisms and technologies which enabled their return The book examines the multiple identities that migrants adopted and the huge range and complexity of homecomers motives and experiences It also dissects migrants perception of home and the social economic cultural and political change that their return engendered **Politics, Education and Citizenship** Mal Leicester, Sohan Modgil, 2005-08-10 Volume VI is concerned with political education and citizenship Papers from several countries lend an international perspective to currently significant concerns and developments including democracy and democratic education human rights national identity and education for citizenship *Scottish Newspapers, Language and Identity* Fiona M Douglas, 2009-03-31 The first decade of the new Scottish Parliament has seen the emergence of a new found national confidence Scottishness is clearly alive and flourishing This book offers new and detailed insights into Scottish language and its usage by the Scottish press To what extent does the use of identifiably Scottish lexical features help them to

maintain their distinctive Scottish identity and appeal to their readership Which Scottish words and phrases do the papers use and where is it a symbolic gesture do they all behave in the same way and has this changed since devolution Combining analysis of broad trends with detailed discussion of individual Scottish words and phrases its timely publication coincides with a period when interest in things Scottish is at an all time high
