The Scottish Highland Estate Michael Wigan, 1991-01-01 Between Two Waters Pam Brunton, 2024-09-12 WINNER OF THE FORTNUM MASON FOOD AND DRINK AWARDS SHORTLISTED FOR THE GUILD OF FOOD WRITERS DEBUT BOOK AWARD LONGLISTED FOR THE HIGHLAND BOOK PRIZE HIGHLY COMMENDED BY THE SOPHIE COE PRIZE FOR FOOD WRITING A FINANCIAL TIMES BOOK OF THE YEAR I laughed and cried a little reading the book with Pam's voice in my head A true inspiration on every level as a memoir and as only Pam can tells us all what we need to do ANGELA HARTNETT OBE When world class chef Pam first opened Inver her restaurant on the shores of Loch Fyne she set out to discover what makes modern Scottish food or if it even existed This book traces Pam's journey to answer that question and in doing so reveals what we can all gather from our culinary heritage Part memoir part manifesto on the future of feeding the world and a feminist critique of the food business it documents the difficult early days of her now multiple award winning restaurant reflecting on how the immersive experience of destination restaurants can both help and hinder our understanding of wider land and food culture From the soil to the kitchen Between Two Waters interrogates the influences on what we eat capitalism colonialism and gender as well as our own personal and cultural histories Yet it also captures with real heart all that the dinner table has to offer us sustenance both physical and imaginative challenges and adventure and most importantly communion with others More than anything it is a blisteringly original work from one of the world s most innovative thinkers about food sustainability and landscape On the Other Side of Sorrow James Hunter, 2014-07-03 Caring for the environment developing rural communities and ensuring the survival of minority cultures are all laudable objectives but they can conflict and nowhere more so than the Scottish Highlands As environmentalists strive to preserve the scenery and wildlife of the Highlands the people who belong there and who have their own claims on the landscape question this threat to their culture which dates back thousands of years In this acclaimed and thought provoking book James Hunter examines the dispute between Highlanders who developed a strong environmental awareness countless generations before other Europeans and conservationists whose thinking owes much to the romantic ideals of the nineteenth century More than that he also suggests a new way of dealing with the problem advocating drastic land use changes and the repopulation of empty glens an approach which has worldwide implications **Scottish Exodus** James Hunter, 2011-03-25 Millions of Scots have left their homeland during the last 400 years Until now they have been written about in general terms Scottish Exodus breaks new ground by taking particular emigrants drawn from the once powerful Clan MacLeod and discovering what happened to them and their families These people became among other things French aristocrats Polish resistance fighters Texan ranchers New Zealand shepherds Australian goldminers Aboriginal and African American activists Canadian mounted policemen and Confederate rebels One nineteenth century MacLeod even went so far as to swap his Gaelic for Arabic and his Christianity for Islam before settling down comfortably in Cairo This gripping account of Scotland's worldwide diaspora is

based on unpublished documents letters and family histories It is also based on the author's travels in the company of today s MacLeods some of them still in Scotland others further afield Scottish Exodus is a tale of disastrous voyages famine and dispossession the hazards of pioneering on faraway frontiers But it is also the moving story of how people separated from Scotland by hundreds of years and thousands of miles continue to identify with the small country where their journeyings Environment and Business Alasdair Blair, David Hitchcock, 2004-08-02 This text examines how businesses and the environment interact It is ideal for students with no previous knowledge of business studies It examines in depth the ways in which business industry the physical environment environmentalism and social change have evolved alongside each other The authors use boxed case studies to highlight how business practice and the environment interact at levels from local to global with examples from multinational companies government bodies national charities and local enterprise The book also contains a large number of informative diagrams The case studies include Shell Oil's environmental policy railways and the industrial revolution the British National Trust's business enterprises Sainsbury's approach to organic foods Australia's landcare scheme changing trends in retailing Brent Spar big game hunting and conservation Last of the Free James Hunter, 2011-03-25 Written by award winning Scottish historian James Hunter this groundbreaking and definitive account reveals how the Highlands and Islands of Scotland have evolved from a centre of European significance to a Scottish outpost Never before has the history of the region been recounted so comprehensively and in so much fascinating often moving detail But this book is not simply the story of humanity s millennia long involvement with one of the world s most spectacular localities It is also a major contribution to present day debate about how Scotland and Britain should be organised

Managing Scotland's Environment Charles R. Warren, 2002 This book is illustrated with photographs and maps and diagrams It is designed for those studying Scotland's environment at undergraduate and graduate level and for those engaged in farming forestry conservation game sports and employment Scotland's Landscape Anna Paterson, 2002 An exploration of the juxtaposition between cultural attitudes and national policies on the Scottish environment which offers a fascinating contrast between the landscape in imagination and in practical policy **Scottish Life and Society:** Bibliography for Scottish ethnology ,2000 Who Owns Scotland Andy Wightman, 1996 This is a comprehensive account and analysis of landownership in Scotland Drawing on a wide range of sources it lists the owners of Scotland and analyzes the current pattern of landownership and how it has evolved over the centuries Scotland Dennis Smith, Paul Barnaby, Ulrike Morét, 1998 Scotland is probably the only sovereign nation to have chosen in a more or less free vote to surrender its independence in order to merge with a larger more powerful neighbour For most of the period since the Union of 1707 the Scots were enthusiastic partners with England in creating and administering the British Empire Inevitably therefore the end of empire caused an identity crisis in Scotland For more than a Century pressure for political home rule produced no tangible resu **Exploring Environmental History** T. best of T C Smout's recent articles and contributions to books and journals on the topic of environmental history The British National Bibliography Arthur James Wells, 2000 The Scandinavian Sporting Tour Pia Sillanpää, 2002 Managing Tourism Firms Clive L. Morley, 2007 In this volume Dr Clive Morley presents a series of papers designed to illustrate facets of managing organisations engaged in tourism Back cover Deer of Britain and Ireland Peter Carne, 2000 An account of the history and distribution of deer in Britain and Ireland It describes the various species found in the wild and examines the environmental impact of their rising numbers management trends and problems arising from them The author is a contributor to Stalking Magazine Heaths and Moorland D. B. A. Thompson, Alison J. Hester, Michael B. Usher, 1995 Western Europe has a wide range of heathers and moorland with Great Britain and Ireland having optimum conditions for the full development of heather Scotland has a mixture of blanket bogs wet heathers and moorland scapes shaped by burning and other sorts of management mainly for red grouse hill sheep and red deer This text celebrates these landscapes their history habitats wildlife and beauty It also incorporates the ecologist Professor Charles H Gimingham to develop the study of heaths and moorland Conquering the Highlands Jan Oosthoek, 2013-02-01 Deforestation of Scotland began millennia ago and by the early 20th century woodland cover was down to about 6 per cent of the total land area A century later woodland cover had tripled Most of the newly established forestry plantations were created on elevated land with wet peaty soils and high wind exposure not exactly the condition in which forests naturally thrive Jan Oosthoek tells in this book the story of how 20th century foresters devised ways to successfully reforest the poor Scottish uplands land that was regarded as unplantable to fulfil the mandate they had received from the Government and wider society to create a timber reserve He raises the question whether the adopted forestry practice was the only viable means to create forests in the Scottish Highlands by examining debates within the forestry community about the appearance of the forests and their longterm ecological prospects Finally the book argues that the long held ecological convictions among foresters and pressure from environmentalists came together in the late 20th century to create more environmentally sensitive forestry Scotland Richenda Miers, 1991 The Cumulative Book Index ,1992 A world list of books in the English language
