The Representative Agent in Macroeconomics James E Hartley, James E. Hartley, 2002-01-04 Representative agent models have become a predominant means of studying the macroeconomy in modern economics without there being much discussion in the literature about their propriety or usefulness This volume evaluates the use of these models in macroeconomics examining the justifications for their use and concluding that representative agent models are neither a proper nor a particularly useful means of studying aggregate behaviour *The Only Way to Stop Smoking Permanently* Allen Carr, 1995-01-05 Author of the most successful self help stop smoking method of all time Allen Carr here further exposes the traps of smoking and provides smokers with the motivation to break free forever This companion volume to Allen Carr s Stop Smoking Now and Allen Carr s Easy Way to Stop Smoking will help you Achieve the right frame of mind to quit Avoid weight gain Quit without dependence on rules or gimmicks Enjoy the freedom and choices that non smokers have in life Quit without willpower Praise for Allen Carr s Easyway Allen Carr explodes the myth that giving up smoking is difficult The Times A different approach A stunning success The Sun The Allen Carr method is totally unique GQ Magazine His method is absolutely unique removing the dependence on cigarettes while you are actually smoking Richard Branson I found it not only easy but unbelievably enjoyable to stay stopped Sir Anthony Hopkins An Introduction to Evolutionary Ethics Scott M. James, 2010-11-23 Offering the first general introductory text to this subject the timely Introduction to Evolutionary Ethics reflects the most up to date research and current issues being debated in both psychology and philosophy The book presents students to the areas of cognitive psychology normative ethics and metaethics The first general introduction to evolutionary ethics Provides a comprehensive survey of work in three distinct areas of research cognitive psychology normative ethics and metaethics Presents the most up to date research available in both psychology and philosophy Written in an engaging and accessible style for undergraduates and the interested general reader Discusses the evolution of morality broadening its relevance to those studying psychology **Ngaju Religion** Hans Schärer, 2025-03-03 *The Monkey Is the Messenger* Ralph De La Rosa, 2018-11-13 An engaging funny and introductory guide for anyone whose overactive mind gets in the way of starting a regular meditation practice My mind is so busy I really need to meditate My mind is so busy there s no way I can meditate Familiar dilemma These days just about all of us know we should be meditating but that doesn t make it any easier to sit down and face the repetitive thoughts careening around our brains seemingly pointless sometimes hurtful nearly always hard to control Rather than quitting meditation or trying to wall off the monkey mind Ralph De La Rosa suggests asking yourself a question If you were to stop demonizing your monkey mind would it have anything to teach you In a roundabout way could repetitive thoughts be pointing us in the direction of personal and even societal transformation Poignant and entertaining The Monkey Is the Messenger offers a range of evidence based somatic and trauma informed insights and practices drawn from De La Rosa s study of neuroscience and psychology and his long practice of meditation

and yoga Here at last a remedy for all those who want to meditate but suppose they can't because they think too much

Meditation in Schools Clive Erricker, Jane Erricker, 2001-03-01 This introduction to meditation in education is written as a resource for class teachers and educators as a practical guide Parents will also find it valuable though its main focus is in using meditation in schools The purpose of the book is to inspire and to provide concise practical and general information and techniques that can be considered and explored before introducing primary or secondary students to meditative experience Meditation in schools covers such topics as o information on schools where meditation is practiced and the perceived results o issues and concerns involved with introducing meditation in schools o the relationship between meditation and other relaxation quieting techniques o experiential learning and a holistic approach to education This essential guide is written from the contributors' personal and professional practice experience and emphasizes how meditation can contribute to the school environment and to the curriculum as well as developing the positive potential of students' hearts and minds It includes a useful section on further reading

Successful People Management David Griffiths, 2016-12-05 David Griffiths wrote *Successful People Management* shortly before his death in order to reflect a lifetime's experience in management in the hope that by sharing his experience and knowledge others might benefit It focuses on all the key aspects of the management process examining the fundamental principles underlying all management practices and stressing the importance of good interpersonal relationships It gives valuable and practical advice on how not to behave as much as on the behaviours that produce a positive response in colleagues and clients Selling negotiating appraisal and meetings are among the topics covered with an impressive depth of knowledge and empathetic concern for those with whom he has dealt *Successful People Management* is serious in intent yet at all times humorous making this a highly entertaining and enjoyable read The text is illustrated throughout by a series of witty illustrations which reinforce the author's advice and anecdotes Throughout *Successful People Management* David displays a deep understanding of and respect for his fellow human beings with all their strengths and weaknesses foibles and charms the mark of an excellent manager It will appeal to students preparing to enter the field and practising managers alike

Folk Tales from the Far East Charles H. Meeker, 1927 Folk stories myths and tales of old have always existed in many different cultures Each of the folk tales from the Far East tells a different story each brings a moral tale to life and gives a short lesson to be learnt There are beast fables in which animals speak and otherwise act as men in order to drive home the prospect of morality or worldly wisdom
