**A Brief Guide to Ghost Hunting** Leo Ruickbie,2013-08-15 There has been an upsurge in books television programmes

films and websites exploring the reality or otherwise of the spirit world Not since the founding of The Ghost Club in 1862 and the Society for Psychical Research in 1882 has ghost hunting been so popular Television and the internet in particular have fueled this new level of interest creating a modern media phenomenon that spans the globe But while the demand for information is high good information remains scarce A Brief Guide to Ghost Hunting leads us through the process of ghost hunting from initially weighing the first report to choosing equipment and investigating and identifying the phenomena with an analysis of the best places to go looking methods of contacting the spirit world how to explain paranormal activity and crucially how to survive the encounter However it is also a book about ghost hunting itself drawing on 130 years of research in the cavernous archives of the Society for Psychical Research and even older history to find the earliest ghost stories A Ghost Hunting Survey makes use of interviews with those billing themselves as ghost hunters to find out their views motivations and experiences New and original research makes use of statistics to map the nebulous world of apparitions while a Preliminary Survey of Hauntings offers an analysis of 923 reported phenomena from 263 locations across the UK This is as far as possible an objective presentation of ghosts and ghost hunting It is no wonder that mainstream science largely refuses to deal with the subject it is too complicated Without trying to convince you of any viewpoint this book is intended to help you understand more *Delphi Collected Works of Sabine Baring-Gould (Illustrated)* Sabine Baring-Gould, 2021-04-28

**Meaning of Witchcraft** Gerald B. Gardner, 2022-12-01 Those of us who use the word witch with all of the pride and  
 fortification that it offers us do so thanks to Gardner s lucid liberating vision Pam Grossman author of Waking the Witch  
 Reflections on Women Magic and Power Often called the father of modern witchcraft Gerald Gardner s life and works were  
 ground breaking in opening the door for the modern revival of Wicca and neo paganism The Meaning of Witchcraft originally  
 published in 1959 was the first sympathetic book written from the point of view of a practicing witch The foundation of  
 magical beliefs Gardner wrote of which witchcraft is a form is that unseen Powers exist and that by performing the right sort  
 of ritual these Powers can be contacted and either forced or persuaded to assist one in some way People believed this in the  
 Stone Age and they believe it consciously or not today It is now well known that most superstition is in fact broken down  
 ritual The meaning of witchcraft is to be found not in strange religious theories about God and Satan but in the deepest levels  
 of the human mind the collective unconscious and the earliest developments of human society The Meaning of Witchcraft is  
 an enduring and invaluable source book for witches today This Weiser Classics edition includes a new foreword by Pam  
 Grossman author of Waking the Witch In it Grossman revisits the historical role and mixed legacy that Gardner has played in  
 the revival of witchcraft and magic in modern times [Listverse.com](http://Listverse.com)'s [Epic Book of Mind-Boggling Top 10 Lists](http://Listverse.com) Jamie

Dacombe, 2024-05-30 A few years ago the Dorset Federation of Womens Institutes organised a Local History Competition Forty nine Institutes responded and sent in contributions ranging in length from a few paragraphs to more than a hundred pages The late Canon Sanctuary who acted as one of the judges was struck by the amount of attractive material produced and urged its publication in book form Largely as a result of his interest the cause of local history was not allowed to fade from the minds of Institute members They were asked to send in further items as they discovered them and a fair amount of extra information has been collected since the close of the competition In editing this little book I have relied predominantly upon the material thus presented to me For instance Roman roof tiles are frequently unearthed in different parts of the County but the Corscombe and Halstock Institute mentioned such a discovery and it is that example which has therefore been quoted In some cases for reasons of space I have been obliged to choose for quotation only one or two from among a number of given instances of similar discoveries customs or events Naturally it has been impossible to deal comprehensively with any of the subjects touched upon in these short chapters I have aimed only at offering some kind of explanatory sequence showing local events against a general background It is hoped that all Institutes will be thus encouraged to work further along various simple lines of research and to piece together the story of their own villages The history of the towns has I fear received very little attention and this for two reasons First the Womens Institute movement is primarily concerned with the people of the country side Secondly in comparatively recent years a good many monographs on particular towns have been published and these books can be easily obtained from the County Library as well as from the bookseller Where the towns provide links in the story which would otherwise be missing then references have been made to them but adequate accounts of town history must be looked for elsewhere Again the subject of architecture has been entirely omitted because this book is not attempting to take the place of the ordinary guide book But any compiler of a village history should regard it as of first importance to collect all possible information about old buildings within the parish and old barns and cottages should receive as careful investigation as old churches and manor houses Among many people who have given most willing help I should like to thank particularly Mr Richard Hine of Beaminster for reading through many of the chapters in manuscript and for giving me some delightful fresh material Colonel C D Drew Curator of the County Museum who in the midst of a very busy season of excavation at Maiden Castle found time to read the archaeological paragraphs and to offer most valuable suggestions thereupon and Miss M Caine chairman of the D F W I Education Sub Committee who has given much general help and has also made the index     Horror Literature through History Matt
