Bob Dylan and Leonard Cohen David Boucher, Lucy Boucher, 2021-04-08 Both Dylan and Cohen have been a presence on the music and poetry landscape spanning six decades This book begins with a discussion of their contemporary importance and how they have sustained their enduring appeal as performers and recording artists The authors argue that both Dylan and Cohen shared early aspirations that mirrored the

Beat Generation They sought to achieve the fame of Dylan Thomas who proved a bohemian poet could thrive outside the academy and to live his life of unconditional social irresponsibility While Dylan's and Cohen's fame fluctuated over the decades it was sustained by self consciously adopted personas used to distance themselves from their public selves This separation of self requires an exploration of the artists relation to religion as an avenue to find and preserve inner identity The relationship between their lyrics and poetry is explored in the context of Federico Garc a Lorca's concept of the poetry of inspiration and the emotional depths of duende Such ideas draw upon the dislocation of the mind and the liberation of the senses that so struck Dylan and Cohen when they first read the poetry and letters of Arthur Rimbaud and Lorca The authors show that performance and the poetry are integral and the duende or passion of the delivery is inseparable from the lyric or poetry and common to Dylan Cohen and the Beat Generation

Charles Bukowski Barry Miles,2009-10-06 Fear makes me a writer fear and a lack of confidence Charles Bukowski chronicled the seedy underside of the city in which he spent most of his life Los Angeles His heroes were the panhandlers and hustlers the drunks and the hookers his beat the racetracks and strip joints and his inspiration a series of dead end jobs in warehouses offices and factories It was in the evenings that he would put on a classical record open a beer and begin to type Brought up by a violent father Bukowski suffered childhood beatings before developing horrific acne and withdrawing into a moody adolescence Much of his young life epitomised the style of the Beat generation riding Greyhound buses bumming around and drinking himself into a stupor During his lifetime he published more than forty five books of poetry and prose including the novels Post Office Factotum Women and Pulp His novels sold millions of copies worldwide in dozens of languages In this definitive biography Barry Miles celebrated author of Jack Kerouac King of the Beats turns his attention to the exploits of this hard drinking belligerent wild man of literature

sifting through the madness for the word, the line, the way Charles Bukowski,2009-10-06 One of the most recognizable poets of the last century Charles Bukowski is simultaneously a common man and an icon of urban depravity He uses strong blunt language to describe life as he lives it and through it all charts the mutations of morality in modern America Sifting Through the Madness for the Word the Line the Way is a treasure trove of confessional poetry written towards then end of Bukowski's life With the overhang of failing health and waning fame he reflects on his travels his gambling and drinking working not working sex and love eating cats and more Sifting Through is Bukowski at his most meditative published posthumously it's completely non performative and gets to the heart of Bukowski's lifelong pursuit of natural language and raw honesty We recommend you read this as Bukowski wrote by sifting through the madness for what hits you as the word the line the way

Charles Bukowski Howard Sounes,2007-12-01 A lively portrait of American literature's Dirty Old Man Library Journal A former postman and long term alcoholic who did not become a full time writer until middle age Charles Bukowski was the author of autobiographical novels that captured the low life including Post Office Factotum and Women and made him a literary celebrity with a major Hollywood film Barfly based on his life Drawing on new

interviews with virtually all of Bukowski's friends, family and many lovers, unprecedented access to his private letters and unpublished writing and commentary from Norman Mailer, Allen Ginsberg, Sean Penn, Mickey Rourke, Lawrence Ferlinghetti, R. Crumb and Harry Dean Stanton. Howard Sounes has uncovered the extraordinary true story of the Dirty Old Man of American literature. Illustrated with drawings by Bukowski and over sixty photographs, Charles Bukowski is a must for Bukowski devotees and new readers alike. Bukowski is one of those writers people remember more for the legend than for the work, but as Howard Sounes shows in this exhaustively researched biography, it wasn't the whole story. Los Angeles Times Engaging Adroit revealing The New York Times Book Review A must read for anybody who is a fan of Bukowski's writing. The Globe and Mail Toronto **Writing Under the Influence** Aubrey Malone, 2017-11-28 Writers and alcohol have long been associated, for some the association becomes unmanageable. Drawing on rare sources, this collection of brief biographies traces the lives of 13 well-known literary drinkers, examining how their relationship with alcohol developed and how it affected their work, for better or worse. Focusing on examples like F. Scott Fitzgerald, Ernest Hemingway, Edna St. Vincent Millay, Charles Bukowski and Raymond Carver, the combined biographies present a study of the classic figure of the over-indulging author. *Living on Luck* Charles Bukowski, 2002-07-04 *Living on Luck* is a collection of letters from the 1960s mixed in with poems and drawings. The ever-clever Charles Bukowski fills the pages with his rough exterior and juicy center.

Dear Los Angeles David Kipen, 2019-12-10 A rich mosaic of diary entries and letters from Marilyn Monroe, Cesar Chavez, Susan Sontag, Albert Einstein and many more, this is the story of Los Angeles as told by locals, transplants and some just passing through. Los Angeles is refracted in all its irreducible, unexplainable glory. Los Angeles Times The City of Angels has played a distinct role in the hearts, minds and imaginations of millions of people who see it as the ultimate symbol of the American Dream. David Kipen, a cultural historian and avid scholar of Los Angeles, has scoured libraries, archives and private estates to assemble a kaleidoscopic view of a truly unique city. From the Spanish missionary expeditions in the early 1500s to the Golden Age of Hollywood to the strange new world of social media, this collection is a slice of life in L.A. through the years. The pieces are arranged by date, January 1st to December 31st, featuring selections from different decades and centuries. What emerges is a vivid tapestry of insights, personal discoveries and wry observations that together distill the essence of the city. As sprawling and magical as the city itself, *Dear Los Angeles* is a fascinating must-have collection for everyone in from or touched by Southern California. With excerpts from the writing of Ray Bradbury, Edgar Rice Burroughs, Octavia E. Butler, Italo Calvino, Winston Churchill, Noël Coward, Simone de Beauvoir, James Dean, T.S. Eliot, William Faulkner, Lawrence Ferlinghetti, Richard Feynman, F. Scott Fitzgerald, Allen Ginsberg, Dashiell Hammett, Charlton Heston, Zora Neale Hurston, Christopher Isherwood, John Lennon, H.L. When my band Third Floor broke up in December of 1989 I got into renting movies on the weekend I had gone about 3 years not watching any movies because I was so busy with music VCR s were new and renting movies was the new thing I started hearing the phrase Third Floor in a lot of movies I thought I may have been losing my mind so I started a list of the movies where I heard Third Floor in them I also counted movies where there were scenes that the director did a close up of a door with a 300 series number because I figured that most 300 series rooms are on the Third Floor My list grew and grew Twentythree years later with me seemingly unable to get a full time job I dug out the old lists and found out that I had about 90 movies So I decided it was book worthy While writing the book the movie total grew to 115 movies There is some sort of conspiracy going on here but I don t know what it is The whole first half of the book is talking about how I always dreamed of being a drummer in a band and I tell my life story of what it was like to bring a dream to fruition and how I co formed the band Third Floor and then I transition into the movie topic If you re a person who loves movies you ve got to get this book
