The Upside of Digital Devices Nicole Dreiske, 2018-05 Trying to police and protect a child from screen time is unquestionably one of the most confusing and frustrating responsibilities of good parenting It s a tough job being a media monitor all the time Technology is at the center of everything we do TVs smart phones computers and tablets are no longer luxuries they are necessities for navigating life today But technology can also be detrimental to growing minds and parents must master the necessary skills to help their children not only survive in this digital world but to actually thrive Kids love smart phones tablets computers TVs anything that gives them screen time They come by their dependence honestly they learn it from us the adults We ve become a culture of screen addicts and that s especially challenging for parents But the solution is not found in constantly policing the time kids are glued to a screen or in protecting what they are being exposed to it s found in how they are engaging and interacting with that screen Nicole Dreiske founder and director of the International Children s Media Center is one of the most respected pioneers in the understanding and cultivation of new techniques for transforming the way kids view use and engage in electronic screens In The Upside of Digital Devices recipient of The National Parenting Center s Seal of Approval she provides parents with simple practical instructions as well as a variety of effective tools for creating meaningful moments and critical thinking skills that can mark a turning point in their children s lives and futures

Cyber Citizens Heidi Boghosian, 2025-06-24 A grounding exploration of how our online prowess shapes the very essence of democracy The electronic age compels us to confront the delicate balance between the convenience of constant connectivity and the protection of personal privacy security and democracy itself Presented as a two fold concern of digital and civic literacy surveillance and privacy expert Heidi Boghosian argues that our fight to uphold democracy must extend to the online world As smart citizens our best chance of thriving in the digital era lies in taking care of our smart selves as diligently as we maintain our smart devices In the same way that smart devices can disclose private information when not adequately secured our online presence can lead to unintentional data exposure or identity theft That entails a commitment to learning digital literacy and cyber hygiene from the first moment we engage with technology Mastering the fundamentals of civics the rights and responsibilities of citizens rounds out the democratic assignment With AI and machine learning poised to play a transformative role in our 21st century lives we as humans have our own generative learning journey to master Drawing parallels between Americans and their smart devices Cyber Citizens sheds light on the delicate balance between connectivity

and privacy to uphold a truly democratic society **The 3 Ms of Fearless Digital Parenting** Carrie Rogers-Whitehead,2021-08-03 How can we protect our kids online and teach them to protect themselves Do you feel overwhelmed with technology in your home Do headlines about this app or that website make you feel anxious and undecided as a parent Do you get advice from many experts but still feel unclear on what to do This book unpacks the 3 Ms of parenting in the digital age a proven approach used with thousands of parents through the work of Digital Respons Ability and its founder Carrie Rogers Whitehead When Carrie first started working in the field of digital citizenship she found significant gaps in how digital parenting was taught Not only were parents not informed enough around technology they also didn't understand child developmental stages Parents expectations for their children were unrealistic because they didn't know how online responsibility changes at different ages as children's brains change From this realization Carrie developed the 3 Ms three approaches to digital parenting based on specific age ranges Model ages 0-8 Manage ages 8-13 Monitor ages 13-18 By teaching parents how to change their approach to digital responsibility based on the developmental stage of their child she has seen significant success in fostering happier and healthier relationships between parents and kids as well as safer tech use by kids at all ages This book presents Carrie's approach in an accessible easy to implement manner giving all parents the opportunity to develop better tech use in their own homes and families and to parent confidently and without fear
