suspense novel by USA Today bestselling author Lynn Burke A wildling Ma always called me born of nature feral as a fox I made a promise to her on her deathbed to look after my heartless Pa but eight years later he brings another woman to our homestead in the wilds of Alaska testing my determination to honor Ma's memory Saige is timid Beautiful Unthreatening and desperate for affection consuming my mind and drawing me in I should flee for both our safety But I have nothing to my name and leaving as winter approaches means certain death no matter my survival skills Pa crosses a line and the wildling inside me rises like a bear on its hind legs instinctively needing to show dominance This time I won't fail to protect the one I love no matter the cost even if it means breaking my promise and shedding blood **Mavis Gallant** Marta

Dvůrák, 2019-11-19 With a confidante's insights Marta Dvůrák sets up an innovative connection between Mavis Gallant's dazzling writing and the whole spectrum of the arts She simultaneously engages with the feats of art making and the adventures of reading looking and listening Drawing on private correspondence and conversations with the Gallant she repositions as a late modernist Dvůrák investigates the relationships between the Paris based master of the short story and visual and sound culture Through the filter of philosophical aesthetics she identifies the painterly cinematic and musical dynamics which light up Gallant's craft At the same time she opens a dialogue between Gallant and other international modernists and with those they were reading watching and listening to from the moving pictures which shaped Gallant's generation to the rhythm and dissonance of say Stravinsky and jazz which like the Cubist rupture with spatial perspective spearheaded modernity's aesthetics of breakage How does Gallant's work work Dvůrák's hands on rhetorical analyses of

Gallant's stories and lesser known recently reissued novels illuminate the superb stylist's language and vision via an emphasis on both image and rhythm. Providing keys to Gallant's famous sleights of hand and tonal shifts, the discussions reveal a fictional world as multidimensional as a Cubist picture or a symphony depending on whether we lean towards the eye or the ear.

Understanding Military Doctrine Harald Hoiback, 2013-07-18 This book puts military doctrine into a wider perspective drawing on military history, philosophy and political science. Military doctrines are institutional beliefs about what works in war given the trauma of 9/11 and the ensuing War on Terror, serious divergences over what the message of the new military doctrine ought to be were expected around the world. However, such questions are often drowned in ferocious meta-doctrinal disagreements. What is a doctrine after all? This book provides a theoretical understanding of such questions. Divided into three parts, the author investigates the historical roots of military doctrine and explores its growth and expansion until the present day and goes on to analyse the main characteristics of a military doctrine. Using a multidisciplinary approach, the book concludes that doctrine can be utilized in three key ways: as a tool of command, as a tool of change, and as a tool of education. This book will be of much interest to students of military studies, civil-military relations, strategic studies, and war studies, as well as to students in professional military education.

Literary Cultures and Digital Humanities in India Nishat Zaidi, A. Sean Pue, 2022-12-29 This book explores the use of digital humanities (DH) to understand, interpret, and annotate the poetics of Indian literary and cultural texts which circulate in digital forms in manuscripts and as oral or musical performance. Easy Street (the Hard Way) Ron Perlman, 2014-09-30 The engaging, passionate, always honest, and often hilarious memoir of actor Ron Perlman, his triumphant story of perseverance and determination navigating the slippery slopes of Hollywood with a foreword by Guillermo del Toro. Ron Perlman was a kid who had a myriad of self-image issues, yet he triumphed in an industry that trades on image and self-confidence. He landed a leading role in *Quest for Fire*. He won a Golden Globe for *Beauty and the Beast*. And he played the title role in two *Hellboy* movies, becoming along the way an icon among sci-fi and comic book fans worldwide. Although his name may be unknown to some, most people know Ron Perlman's face, despite the fact that for nearly half his career, he's been disguised under feature-altering foam rubber prosthetics. On his offbeat path to success, Ron has amassed nearly 200 stage, TV, voiceover, and major motion picture credits, including roles in *Drive*, *Pacific Rim*, and a six-year gig as the badass biker boss Clay Morrow in *Sons of Anarchy*. In *Easy Street (the Hard Way)*, Ron shares his life story, starting with his up-

by your bootstraps background in New York's Washington Heights His father a Swing Era drummer gave up his dream in order to feed his sons while his mother worked as a municipal clerk Ron's hard earned road to Easy Street included bouts of abject poverty heartbreaking familial episodes and a long often uncomfortable struggle for self acceptance He sheds light on his life as a working actor and also offers behind the scenes insight into the working styles of internationally famous directors including Jean Jacques Annaud Jean Pierre Jeunet and Guillermo del Toro Hellboy and Academy Award winning Pan's Labyrinth He provides his own peek into Hollywood up close and personal where he has encountered the likes of Marlon Brando Sean Connery Frank Sinatra Sammy Davis Jr and others Plus he turns his eye on the trajectory of American culture the good and the bad as observed by a man who started out in a mom and pop world where the arts were disseminated by individuals rather than corporations Easy Street the Hard Way will inspire anyone who has ever dared to dream and offers a roadmap to the next generation of dreamers **The Winding Path To Freedom 5th ed.** Roman D.
