Scripting the Black Masculine Body Ronald L. Jackson, 2006-01-01 Traces the origins of Black body politics in the United States and its contemporary manifestations in hip hop music and film *The Contemporary African American Novel*

E. Lâle Demirtürk, 2012-07-20 This book examines the post 1990s African American novels namely the neo urban novel and develops a new urban discourse for the twenty first century on how the city as a social formation impacts black characters through everyday discursive practices of whiteness The critique of everyday life in a racial context is important in considering diverse forms of the lived reality of black everyday life in the novelistic representations of the white dominant urban order African American fictional representations of the city have political significance in that the neo urban novel explores the nature of the American society at large This book explores the need to understand how whiteness works what it forecloses and what it occasionally opens up in everyday life in American society *Confessions and Declarations of Multicolored Men*

Frederick Douglass Alcorn, 2020-10-06 This book is a culturally situated study of the experiences and perspective garnered from a group of post secondary Black African American bi multi racial male students aged 19 37 The undergirding interest was to see if there was an awareness of the group s manly inclinations tendencies and predispositions and understand how such awareness projects and influences their quest and discipline for learning and to academically achieve The sociological construct of habitus as conveyor of dispositions inclinations and tendencies provides an analytical framework permitting an appreciation of interactions between personal identity social belonging and approaches to learning and education The result is an original and powerful account of the ways in which unspoken dominant mainstream intergroup cultural relationships involving social political attitudes decision making and behavioral reactions and responses interact with internalized self in group or in ascription with group oppression repression intellectual cognitive physical strategies determination and work that have brought men of Black African American bi multi racial descent in the U S to their current social position Unlike some public discourse in U S society this is not a blame game nor is it one of relinquishing self or group responsibility but one based upon and motivated by a deeper understanding of complex facts The prose can be best described as an ethnographical narrative synthesizing a wealth of original observations with insights from scholarly and popular literature and media Its original and engaging style may appeal to a broad audience including postsecondary educators and students researchers studying the sociology of gender African American identity intercultural relational communications student services social work and social psychology as well as mental and physical healthcare practitioners *Encyclopedia of Gender in Media*

Mary Kosut, 2012-05-18 The Encyclopedia of Gender in Media critically examines the role of the media in enabling facilitating or challenging the social construction of gender in our society *Identity Research and Communication*

Nilanjana Bardhan, Mark P. Orbe, 2012-04-05 The concept of identity has steadily emerged in importance in the field of intercultural communication especially over the last two decades In a transnational world marked by complex connectivity as

well as enduring differences and power inequities it is imperative to understand and continuously theorize how we perceive the self in relation to the cultural other Such understandings play a central role in how we negotiate relationships build alliances promote peace and strive for social justice across cultural differences in various contexts Identity Research in Intercultural Communication edited by Nilanjana Bardhan and Mark P Orbe is unique in scope because it brings together a vast range of positions on identity scholarship under one umbrella It tracks the state of identity research in the field and includes cutting edge theoretical essays some supported by empirical data and queries what kinds of theoretical methodological praxiological and pedagogical boundaries researchers should be pushing in the future This collection s primary and qualitative focus is on more recent concepts related to identity that have emerged in scholarship such as power privilege intersectionality critical selfhood hybridity diaspora cosmopolitanism queer theory globalization and transnationalism immigration gendered and sexual politics self reflexivity positionality agency ethics dialogue and dialectics and more The essays are critical interpretive postmodern postcolonial and performative in perspective and they strike a balance between U S and transnational views on identity This volume is an essential text for scholars educators students and intercultural consultants and trainers **Talking Bodies III** Michelle D. Ravenscroft, Bee Hughes, Charlotte Dann, Paul G. Nixon, 2021-07-26 The body sexuality and gender continue to be subjects of much debate in contemporary culture and academia This collection of activist academic essays scrutinises varied questions relating to the way we understand and re present ourselves and others and at its core represents hope and determination that a different world is possible

Diversity and Multiculturalism Shirley R. Steinberg, 2009 This reader demands that we understand diversity and multiculturalism by identifying the ways in which curriculum has been written and taught and by redefining the field with an equitable lens freeing it from the dominant cultural curriculum The book problematizes the issue of whiteness for instance as not being the opposite of blackness or person of colorness but rather a meta description for our dominant culture Issues are also addressed that are usually left out of the discussion about diversity and multiculturalism this reader includes essays on physical diversity geographic diversity and difference in sexualities This is the quintessential collection of work by critical scholars committed to redefining the conversation on multiculturalism and diversity Superheroes and Excess Jamie Brassett, Richard Reynolds, 2021-11-29 Finding the superhero genre in need of further investigation from philosophical standpoints that value excess as a creative drive rather than denigrate it as a problem to be resolved this book opens up discussions that highlight different approaches to the creative excess of being as expressed through the genre While superheroes are an everyday culturally dominant phenomena philosophical methods and investigations have a reputation for lofty superiority Across 13 chapters this book facilitates a collision between the superhero genre and the discipline of philosophy resulting in a voyage of exploration where each illuminates the other The contributions in this book range from new voices to recognized scholars offering superhero studies a set of critical interventions that are unusual conceptually

diverse theoretically grounded and varied in practice These chapters consider excessive traits of superheroes against schools of thought that have attempted to conceptualize and understand excess by analysing texts and figures across a variety of mediums such as The Fantastic Four Captain America The Vision Logan Black Panther and Super Hero Girls With its unique approach to the superhero genre this book will be an invaluable read for students and scholars working on comic studies transmedia studies cultural studies popular culture and superhero studies

Bible Blindspots Jione Havea, Monica Jyotsna Melanchthon, 2021-11-03 Several of the ways and cultures that the Bible privileges or denounces slip by unnoticed When those the privileged and the denounced are not examined they fade into and hide in the blind spots of the Bible This collection of essays engages some of the subjects who face dispersion physical displacement that sparks ideological bias and othering ideologies that manifest in social distancing and political displacement These include among others the builders of Babel Samaritans Melchizedek Jezebel Judith Gomer Ruth slaves and mothers In addition to considering the drive to privilege or denounce the contributors also attend to subjects ignored because the Bible's blind spots are not examined These include planet Earth indigenous Australians Palestinians Dalits minjungs battered women sexual abuse victims religious minorities mothering men gays and foreigners This collection encourages interchanges and exchanges between dispersion and othering and between the Bible and context It flows in the currents of postcolonial and gendered studies and closes with a script that stages a biblical character at the intersection of the Bible's blind spots and modern readers' passions and commitments

Living Racism Derrick R. Broome, Theresa Rajack-Talley, 2017-12-15 Living Racism is based on the premise that race and racism are well entrenched elements of US society The contributors of this volume argue that race and racism are more than mere concepts instead they see and treat these as part of the fabric that constitutes and organizes everyday life Consequently race and racism are maintained through structures such as social institutions e.g. schools criminal justice system media etc and are carried by individual actors through racial ideologies and a racial etiquette beliefs practices traditions and customs that inform how people relate to and interact with one another or not As expressed throughout this book the notion of living racism is twofold On the one hand living racism denotes the ways in which racism is embodied and active much like a living organism On the other hand living racism connects with the ways that people must navigate racism in their individual and collective lives

Matter, Magic, and Spirit Rolland Murray, David Murray, 2007-01-05 In Our Living Manhood Rolland Murray examines how James Baldwin John Edgar Wideman Clarence Major John Oliver Killens and other writers challenged the Black Power movement's political commitment to masculinity in the 1960s

Barack Hussein Obama's Presidency Chuka Onwumechili, 2023-12-04 This book presents research based investigations of the communicative aspects of Barack Obama's presidency with a focus on ethnicity gender and culture as they interact with communication It examines Obama's rhetorical strengths that also inform his visual rhetorical control and looks beyond Obama's messaging to examine how the news framed his presidency The book opens by exploring the racial rhetorical

humour applied by President Obama during his presidency Chapters investigate topics such as Obama's use of visual rhetoric how the media framed Obama using racialized lens and offer iconographical analysis of satires featured in The New Yorker that symbolized the politics of racial fear erupting prior to the start of Obama's presidency They also examine how the White House used YouTube messaging to rebuild the first lady Michelle Obama's image in ways that became acceptable to a wider American public Obama's rhetorical struggles to work within tensions created by the intersection of race and violence and analyze President Obama's speeches at Tribal Nations Conferences Barack Hussein Obama's Presidency will be a key resource for scholars and researchers of communication studies political communication media and cultural studies race and ethnic studies and political science while also appealing to anyone interested in the communicative aspects of Obama's presidency and American politics This book was originally published as a special issue of the Howard Journal of Communications

Integration Matters C. P. Gause, 2008 The United States is more racially culturally and linguistically diverse now than at any given point in its history Urbanization and immigration are key contributors to population growth and shifts particularly in the southeastern part of the country Educators are scrambling to determine how best to serve different demographics and many families in new places are trying to adjust to unfamiliar school systems For all concerned this period of adjustment is marked by significant personal curricular and institutional development However one group of individuals has not maintained pace with the rest African American males continue to lag behind their counterparts in every measured educational variable as outlined by the No Child Left Behind legislation despite the educational social and economic changes of the past fifty years since the 1954 landmark Brown vs Board of Education decision This book beyond providing educators parents and students with a critique of present day educational experiences for those who are the other in America particularly the black male conceptually integrates queer legal theory the tenets of critical spirituality and notions of collaborative activism to construct a blueprint for realizing academic achievement and academic success for all students

Counseling African American Males Dr. William Ross, 2016-06-01 There is no one method for doing culturally alert counseling Instead culturally alert counseling consists of intentionally adapting existing ways to help clients 1 understand their socially constructed worldviews through culture 2 appreciate their various cultures 3 to make choices about adherence to cultural norms and 4 to recognize and respond to external bias relating to their cultural group membership

Sexual Discretion Jeffrey Q. McCune, Jr., 2014-03-07 African American men who have sex with men while maintaining a heterosexual lifestyle in public are attracting increasing interest from both the general media and scholars Commonly referred to as down low or DL men many continue to have relationships with girlfriends and wives who remain unaware of their same sex desires and in much of the media DL men have been portrayed as carriers of HIV who spread the virus to black women Sexual Discretion explores the DL phenomenon offering refreshingly innovative analysis of the significance of media space and ideals of black masculinity in understanding down low communities In Sexual Discretion Jeffrey Q McCune

Jr provides the first in depth examination of how the social expectations of black masculinity intersect and complicate expressions of same sex affection and desire Within these underground DL communities men aren t as highly policed and thus are able to maintain their public roles as properly masculine McCune draws from sources that range from R and from E Lynn Harris s contemporary sexual passing novels to McCune s own interviews and ethnography in nightclubs and online chat rooms Sexual Discretion details the causes pressures and negotiations driving men who rarely disclose their intimate secrets

Thug Life Michael P. Jeffries, 2011-01-15 Hip hop has come a long way from its origins in the Bronx in the 1970s when rapping and DJing were just part of a lively decidedly local scene that also venerated b boying and graffiti Now hip hop is a global phenomenon and in the United States a massively successful corporate enterprise predominantly controlled and consumed by whites while the most prominent performers are black How does this shift in racial dynamics affect our understanding of contemporary hip hop especially when the music perpetuates stereotypes of black men Do black listeners interpret hip hop differently from white fans These questions have dogged hip hop for decades but unlike most pundits Michael P Jeffries finds answers by interviewing everyday people Instead of turning to performers or media critics Thug Life focuses on the music s fans young men both black and white and the resulting account avoids romanticism offering an unbiased examination of how hip hop works in people s daily lives As Jeffries weaves the fans voices together with his own sophisticated analysis we are able to understand hip hop as a tool listeners use to make sense of themselves and society as well as a rich self contained world containing politics and pleasure virtue and vice

Hip Hop Heresies Shanté Paradigm Smalls, 2022-06-28 Winner of the 2022 2023 New York City Book Awards SPECIAL MENTION 2023 IASPM Book Prize given by the International Association for the Study of Popular Music SHORTLISTED 2023 Ralph J Gleason Book Award given by the Rock N Roll Hall of Fame Clive Davis Institute Unearths the queer aesthetic origins of NYC hip hop Hip Hop Heresies centers New York City as a space where vibrant queer Black and hip hop worlds collide and bond in dance clubs schools roller rinks basketball courts subways and movie houses Using this cultural nexus as the stage Shant Paradigm Smalls attends to the ways that hip hop cultural production in New York City from the 1970s through the early twenty first century produced film visual art and music that offer queer articulations of race gender and sexuality To illustrate New York City as a place of experimental aesthetic collaboration Smalls brings four cultural moments to the forefront the life and work of the gay Chinese American visual and graffiti artist Martin Wong who brokered the relationship between New York City graffiti artists and gallery and museum spaces the Brooklyn based rapper singer writer producer Jean Grae one of the most prolific and underrated emcees of the last two decades the iconic 1980s film The Last Dragon which exemplifies the experimental and queer Black masculinity possible in early formal hip hop culture and finally queer and trans identified hip hop artists and groups like BQE Deepdickollective and Hanifah Walidah and the documentary Pick Up the Mic Hip Hop Heresies transforms the landscape of hip hop scholarship Black studies and queer studies by bringing together these fields through the

hermeneutic of aesthetics Providing a guidepost for future scholarship on queer trans and feminist hip hop studies Hip Hop Heresies takes seriously the work that New York City hip hop cultural production has done and will do and advocates a form of hip hop that eschews authenticity in favor of performativity bricolage and pastiche

Blackness Is Burning TreaAndrea M. Russworm, 2016-10-03 Blackness Is Burning critiques the way the politics of recognition and representation appear in popular culture as attempts to humanize black identity through stories of suffering and triumph or tales of destruction and survival Blackness Is Burning is one of the first books to examine the ways race and psychological rhetoric collided in the public and popular culture of the civil rights era In analyzing a range of media forms including Sidney Poitier's popular films black mother and daughter family melodramas Bill Cosby's comedy routine and cartoon Fat Albert pulpy black pimp narratives and several aspects of post civil rights black American culture TreaAndrea M Russworm identifies and problematizes the many ways in which psychoanalytic culture has functioned as a governing racial ideology that is built around a flawed understanding of trying to recognize the racial other as human The main argument of Blackness Is Burning is that humanizing or trying to represent in narrative and popular culture that BlackLivesMatter has long been barely attainable and impossible to sustain cultural agenda But Blackness Is Burning makes two additional interdisciplinary interventions the book makes a historical and temporal intervention because Russworm is committed to showing the relationship between civil rights discourses on theories of recognition and how we continue to represent and talk about race today The book also makes a formal intervention since the chapter length case studies take seemingly banal popular forms seriously She argues that the popular forms and disreputable works are integral parts of our shared cultural knowledge Blackness Is Burning's interdisciplinary reach is what makes it a vital component to nearly any scholar's library particularly those with an interest in African American popular culture film and media studies or psychoanalytic theory

The Routledge Companion to Masculinity in American Literature and Culture Lydia R. Cooper, 2021-12-26 Recently the U S has seen a rise in misogynistic and race based violence perpetrated by men expressing a sense of grievance from incels to alt right activists Grounding sociological historical political and economic analyses of masculinity through the lens of cultural narratives in many forms and expressions The Routledge Companion to Masculinity in American Literature and Culture suggests that how we examine the stories that shape us in turn shapes our understanding of our current reality and gives us language for imagining better futures Masculinity is more than a description of traits associated with particular performances of gender It is more than a study of gender and social power It is an examination of the ways in which gender affects our capacity to engage ethically with each other in complex human

societies This volume offers essays from a range of established global experts in American masculinity as well as new and upcoming scholars in order to explore not just what masculinity once meant has come to mean and may mean in the future in the U S it also articulates what is at stake with our conceptions of masculinity
