Happiness Unlimited Sister Shivani, Suresh Oberoi,2019-05 In these enlightening and eye-opening conversations, the renowned spiritual mentor Sister BK Shivani reveals how to create a life of joy, contentment, and bliss, because we all have the choice and the power to do so. According to her, the reason why there is so little happiness in the world is dependency. Happiness is not dependent on anything or anyone or found anywhere. We keep delaying our happiness until things are just right in our life. We think we will be happy in the future and then wonder why we are not happy now. Happiness is only possible when we are able to accept everyone as they are at every moment in every situation. This book is a medium for the awakening and acceptance of self-responsibility. Helping us choose our thoughts and feelings aligned with our true nature of purity, peace, and love. To make us shift from asking to sharing, from holding on to letting go, from expectations to acceptance, from the past and the future to being in the now. Happiness is a decision, not a consequence.

Through this seminal work, based on years of experience, discover how we've made two fundamental agreements with the Universe as part of our Heroic Journey: one with Fate and the other with Destiny. As we learn to dance with these two forces, they become two voices challenging and beckoning us to discover our ultimate purpose, the primary task of the modern-day Hero and Heroine, and in the process, serve to unleash the power of our Soul in delivering grace to the world.
