Robert Ryal Miller

Shamrock And Sword The Saint Patricks Battalion In The Us Mexican War

Robert C. Doyle

Shamrock And Sword The Saint Patricks Battalion In The Us Mexican War:

Shamrock and Sword Robert Ryal Miller,1989-01-01 Tells the story of a group of recent immigrants who deserted from the U S Army to fight on behalf of Mexico Shamrock and Sword Robert Ryal Miller,1989-09 Shamrock and Sword s setting is the U S Mexican War remembered by Americans as an illustration of Manifest Destiny the inevitable extension of the American frontier It is remembered differently by Mexicans who lost a substantial portion of their territory to an invading army Perceptions on both sides of the border will be reshaped by Robert Ryal Miller s account of American soldiers who deserted to fight in the Mexican army Miller uncovers the reasons for these desertions presenting the soldiers stories as they are revealed in records of the time Many of these deserters were immigrant Irishmen Recollections of the War with Mexico John C. Henshaw,2008 Major John Henshaw s firsthand account of the American invasion of Mexico includes not only narratives of the war s major battles but also forceful critiques of military leadership and strategies and vivid descriptions of Mexico s countryside cities and people Editor Gary Kurutz provides extensive annotations of Henshaw s journals and letters Provided by publisher U. S. -Mexican War, Updated Edition Bronwyn Mills,2009 Praise for the previous edition Well selected black and white maps and reproductions of old photographs add to the readers understandings Journal of ReadingControversial and unpopular the U S Mexican War divided t *The Enemy in Our Hands* Robert C. Doyle,2010-03-19 Revelations of abuse at Baghdad s Abu Ghraib prison and the U S detention camp at Guant namo Bay had repercussions extending beyond the worldwide media scandal that ensued The controversy surrounding photos and descriptions of inhumane treatment of enemy prisoners of war or EPWs from the war on terror marked a watershed moment in the study of modern warfare and the treatment of prisoners of war Amid allegations of human rights violations and war crimes one question stands out among the rest Was the treatment of America s most recent prisoners of war an isolated event or part of a troubling and complex issue that is deeply rooted in our nation s military history Military expert Robert C Doyle s *The Enemy in Our Hands America s Treatment of Prisoners of War from the Revolution to the War on Terror* draws from diverse sources to answer this question Historical as well as timely in its content this work examines America s major wars and past conflicts among them the American Revolution the Civil War World Wars I and II and Vietnam to provide understanding of the United States treatment of military and civilian prisoners *The Enemy in Our Hands* offers a new perspective of U S military history on the subject of EPWs and suggests that the tactics employed to manage prisoners of war are unique and disparate from one conflict to the next In addition to other vital information Doyle provides a cultural analysis and exploration of U S adherence to international standards of conduct including the 1929 Geneva Convention in each war Although wars are not won or lost on the basis of how EPWs are treated the treatment of prisoners is one of the measures by which history s conquerors are judged *The Encyclopedia of the Mexican-American War* Spencer C. Tucker,2012-10-09 This user friendly encyclopedia comprises a wide array of accessible yet detailed entries that address the military social

political cultural and economic aspects of the Mexican American War The Encyclopedia of the Mexican American War A Political Social and Military History provides an in depth examination of not only the military conflict itself but also the impact of the war on both nations and how this conflict was the first waged by Americans on foreign soil and served to establish critical U S military political and foreign policy precedents The entries analyze the Mexican American War from both the American and Mexican perspectives in equal measure In addition to discussing the various campaigns battles weapons systems and other aspects of military history the three volume work also contextualizes the conflict within its social cultural political and economic milieu and places the Mexican American War into its proper historical and historiographical contexts by covering the eras both before and after the war This information is particularly critical for students of American history because the conflict fomented sectional conflict in the United States which resulted in the U S Civil War

American Catholics and the Quest for Equality in the Civil War Era Robert Emmett Curran, 2023-03 Robert Emmett Curran s masterful treatment of American Catholicism in the Civil War era is the first comprehensive history of Roman Catholics in the North and South before during and after the war Curran provides an in depth look at how the momentous developments of these decades affected the entire Catholic community including Black and indigenous Americans He also explores the ways that Catholics contributed to the reshaping of a nation that was testing the fundamental proposition of equality set down by its founders Ultimately Curran concludes the revolution that the war touched off remained unfinished indeed was turned backward in no small part by Catholics who marred their pursuit of equality with a truncated vision of who deserved to share in its realization Notes of the Mexican War, 1846-1848 J. Jacob Oswandel, 2010-07-27 In December 1846 John Jacob Oswandel or Jake as he was often called enlisted in the Monroe Guards which later became Company C of the First Pennsylvania Volunteer Regiment Thus began a twenty month journey that led Oswandel from rural Pennsylvania through the American South onward to the siege of Veracruz and finally deep into the heart of Mexico Waging war with Mexico ultimately realized President James K Polk s long term goal of westward expansion all the way to the Pacific Ocean For General Winfield Scott the victorious Mexico City campaign would prove his crowning achievement in a fifty three year military career but for Oswandel the grand adventure of our lives was about patriotism and honor in a war that turned this twenty something bowsman into a soldier Notes of the Mexican War 1846 1848 is the quintessential primary source on the Mexican War From Oswandel s time of enlistment in Pennsylvania to his discharge in July of 1848 he kept a daily record of events often with the perception and intuition worthy of a highly ranked officer In addition to Oswandel s engaging narrative Timothy D Johnson and Nathaniel Cheairs Hughes Jr provide an introduction that places Oswandel s memoir within present day scholarship They illuminate the mindset of Oswandel and his comrades who viewed the war with Mexico in terms of Manifest Destiny and they give insight into Oswandel s historically common belief in Anglo Saxon superiority views that would bring about far worse consequences at the outbreak of the American Civil War a

dozen years later As historians continue to highlight the controversial actions of the Polk administration and the expansionist impulse that led to the conflict Notes of the Mexican War 1846 1848 opens a window into the past when typical young men rallied to a cause they believed was just and ordained Oswandel provides an eyewitness account of an important chapter in America s history *Mexico at War* David F. Marley,2014-08-11 A comprehensive overview of Mexico s military history from 1810 to the present day including rare facts and information not found online Mexico s past is riddled with stories of struggle military battles internal rebellions revolutions and drug wars This in depth reference provides a complete military history of that country since its War of Independence in 1810 through the present day From the evolution of combat in the region to the motivations and tensions behind recurrent conflicts to the dubious beginnings of drug gangs and warlords this is the only book of its kind to explore Mexican warfare in such great depth This detailed study consists of an alphabetical compilation of roughly 300 entries dealing with different facets of hostile encounters throughout the country s history In addition to covering key places and people regional expert and author David F Marley offers unique insights into more obscure topics such as the 1913 aerial bombardments at the port of Guaymas visits from American luminaries colorful Mexican military slang and the songs that identify various political factions The work includes a host of important historical documents a glossary and an extensive bibliography to encourage further research on the subject *Race Defaced* Rodolfo Torres,Christopher Kyriakides,2012-09-05 From Manifest Destiny to the White Man s Burden Harold Macmillan to Tony Blair and John F Kennedy to Barack Obama the historical development of racial doctrine has been closely connected to the relationship between radical and conservative politics This book compares different forms of racism and anti racism in the United States and Great Britain from the 19th century to today situating the development of racial doctrine within the political movements of the modern capitalist world order In conversation with current debates this work places the treatment of racialized human beings within a wider dynamic of capitalist exploitation It unpacks the influence of anti emancipatory thought on race relations and argues that there is a consensus of thought across the political spectrum underpinned by the contemporary acceptance of the impossibility of human emancipation Ultimately *Race Defaced* is a heretical intervention into questions of race and racism that challenges both conservative and radical orthodoxies *Courage Above All Things* Harwood P. Hinton,Jerry Thompson,2020-10-29 For a half century John Ellis Wool 1784 1869 was one of America s most illustrious figures most notably as an officer in the United States Army during the War of 1812 the Mexican American War and the Civil War At the onset of the Civil War when he assumed command of the Department of the East Wool had been a brigadier general for twenty years and at age seventy seven was the oldest general on either side of the conflict *Courage Above All Things* marks the first full biography of Wool who aside from his unparalleled military service figured prominently in many critical moments in nineteenth century U S history At the time of his death in 2016 Harwood Hinton a scholar with an encyclopedic knowledge of western history had devoted fifty years to this monumental work which has been completed

and edited by the distinguished historian Jerry Thompson This deeply researched and deftly written volume incorporates the latest scholarship to offer a clear and detailed account of John Ellis Wool s extraordinary life his character his life experiences and his career in wartime and during uneasy periods of relative peace Hinton and Thompson provide a thorough account of all chapters in Wool s life including three major wars the Cherokee Removal and battles with Native Americans on the West Coast From his distinguished participation in the War of 1812 to his controversial service on the Pacific coast during the 1850s and from his mixed success during the Peninsula Campaign to his overseeing of efforts to quell the New York City draft riots of 1863 John Ellis Wool emerges here as a crucial character in the story of nineteenth century America complex contradictory larger than life finally fully realized for the first time **War with Mexico!** Tom Reilly,2010 The first book to tell the history of the Mexican war through the eyes of the American reporters the nation s first war correspondents who covered it on the ground Provides an up close richly detailed comprehensive account of the war as well as insights into the rise of modern commercial journalism its impact on public perceptions and its entanglement with national politics

Army of Manifest Destiny James M. McCaffrey,1994-11 The day to day experiences of the American soldiers fighting in the Mexican War James McCaffrey examines America s first foreign war the Mexican War through the day to day experiences of the American soldier in battle in camp and on the march With remarkable sympathy humor and grace the author fills in the historical gaps of one war while rising issues now found to be strikingly relevant to this nation s modern military concerns *From the Halls of the Montezumas* Alan D. Gaff,Donald H. Gaff,2019-10-15 James L Frenner is one of the most important unknown Americans in our nation s history Frenner gained fame throughout the country during the Mexican War while covering General Winfield Scott s campaign As one of America s first war correspondents Frenner s letters appeared in newspapers under the byline Mustang and his reports from the front included information unavailable elsewhere Among Frenner s scoops were the publication of complete casualty lists long before official reports became public detailed battle descriptions and observations on postwar Mexico Despite his widespread fame as a reporter Frenner s greatest contribution to the United States came during a conversation with Nicholas P Trist negotiator of the peace treaty with Mexico After Trist had passed along an outrageous proposal from the Mexican commissioners he was recalled but Frenner convinced Trist to ignore the order and begin a new round of negotiations Trist resumed concluded the war and added California Nevada Utah and other territory to a growing country This acquisition was second in size only to the Louisiana Purchase and was a direct result of James Frenner persuading Trist to brazenly conclude a treaty when he had no authority to do so From the Halls of the Montezumas is a complete compilation of Frenner s Mexican War reporting Editors Alan D Gaff and Donald H Gaff have annotated the text with footnotes identifying people places and events and also have added illustrations of key figures and maps They supplement Frenner s dispatches with biographical information that ranges from his early career to his journey to the gold fields of California and his untimely death at the hands of Indians in California in 1852 **Winfield Scott** Timothy

D. Johnson, 2015-06-26 One of the most important public figures in antebellum America Winfield Scott is known today more for his swagger than his sword *Old Fuss and Feathers* was a brilliant military commander whose tactics and strategy were innovative adaptations from European military theory yet he was often underappreciated by his contemporaries and until recently overlooked by historians While John Eisenhower's recent *Agent of Destiny* provides a solid summary of Scott's remarkable life Timothy D. Johnson's much deeper critical exploration of this flawed genius should become the standard work Thoroughly grounded in an essential understanding of nineteenth century military professionalism it draws extensively on unpublished sources in order to reveal neglected aspects of Scott's life present a more complete view of his career and accurately balance criticism and praise Johnson dramatically relates the key features of Scott's career how he led troops to victory in the War of 1812 and the Mexican War fought against the Seminoles and Creeks and was instrumental in professionalizing the U.S. Army which he commanded for two decades He also tells how Scott tried to introduce French methods into army tactical manuals and how he applied his study of the Napoleonic Wars during the Mexico City Campaign but found European strategy of little use against Indians Johnson further suggests that Scott's creation of an officer corps that boasted Grant Lee McClellan and other veterans of the Mexican War raises important questions about his influence on Civil War generalship More than a military history this book tells how Scott's aristocratic pretensions placed him at odds with emerging notions of equality in Jacksonian America and made him an unappealing politician in his bid for the presidency Johnson not only recounts the facets of Scott's personality that alienated nearly everyone who knew him but also reveals the unsavory methods he used to promote his career and the scandalous ways he attempted to relieve his lifelong financial troubles Although his legendary vanity has tarnished his place among American military leaders Scott is shown to have possessed great talent and courage Johnson's biography offers the most balanced portrait available of Scott by never losing sight of the whole man

A Short, Offhand, Killing Affair Paul Foon, 2003-11-03 The Mexican American War 1846-48 found Americans on new terrain A republic founded on the principle of armed defense of freedom was now going to war on behalf of Manifest Destiny seeking to conquer an unfamiliar nation and people Through an examination of rank and file soldiers Paul Foon sheds new light on the war and its effect on attitudes toward other races and nationalities that stood in the way of American expansionism Drawing on wartime diaries and letters not previously examined by scholars Foon shows that the experience of soldiers in the war differed radically from the positive patriotic image trumpeted by political and military leaders seeking recruits for a volunteer army Promised access to land economic opportunity and political equality the enlistees instead found themselves subjected to unusually harsh discipline and harrowing battle conditions As a result some soldiers adapted the rhetoric of Manifest Destiny to their own purposes taking for themselves what had been promised often by looting the Mexican countryside or committing racial and sexual atrocities Others deserted the army to fight for the enemy or seek employment in the West These acts Foon argues along with the government's tacit acceptance of them

translated into a more violent damaging variety of Manifest Destiny

Encyclopedia of Media and Propaganda in Wartime America Martin J. Manning, Clarence R. Wyatt, 2010-12-20 This fascinating compilation of reference entries documents the unique relationship between mass media propaganda and the U S military a relationship that began in the period before the American Revolution and continues to this day sometimes cooperative sometimes combative and always complex The Encyclopedia of Media and Propaganda in Wartime America brings together a group of distinguished scholars to explore how war has been reported and interpreted by the media in the United States and what effects those reports and interpretations have had on the people at home and on the battlefield Covering press U S military relationships from the early North American colonial wars to the present wars in Iraq and Afghanistan this two volume encyclopedia focuses on the ways in which government and military leaders have used the media to support their actions and the ways in which the media has been used by other forces with different views and agendas The volumes highlight major events and important military political and cultural players offering fresh perspectives on all of America s conflicts Bringing these wars together in one source allows readers to see how media affected the conflicts individually but also understand how the use of the various forms of media print radio television film and electronic have developed and changed over the years

Papers of the Second Palo Alto Conference Harriett Denise Joseph, Anthony K. Knopp, Douglas A. Murphy, 1997 **Class and Race Formation in North America** James W. Russell, 2009-01-01 Russell s meticulously researched and highly detailed book presents a critically important people s history of North America It provides rich insights and demonstrates the potential of comparative research to broaden our perspective Dan Zuberi University of British Columbia

An Immigrant Soldier in the Mexican War Frederick Zeh, 1995 Frederick Zeh a young German immigrant had hardly arrived in the United States when he was caught up in the war fever that swept his new homeland He joined the Mountain Howitzer and Rocket Company of the U S Army His impressions of the siege of Veracruz the long march to Mexico City the bloody battles that occurred along the route and the occupation of the capital provide a vivid and unusual account of the Mexican War from an enlisted man s point of view Although Zeh held the lowly rank of laborer in the army he was well educated and an astute observer and his story is both lively and well written Besides the horror of battles he tells about relations between officers and enlisted men military punishment and the day to day life of the soldiers Numerous anecdotes and personal stories enliven his narrative He is unusually candid about abuses that occurred in the American army and toward Mexican civilians His is also the first book length account written by a German American participant a significant contribution given that nearly half the regular army was made up of immigrant recruits

Shamrock And Sword The Saint Patricks Battalion In The Us Mexican War Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Shamrock And Sword The Saint Patricks Battalion In The Us Mexican War PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and

innovation in various fields. It is worth noting that while accessing free Shamrock And Sword The Saint Patricks Battalion In The Us Mexican War PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Shamrock And Sword The Saint Patricks Battalion In The Us Mexican War free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Shamrock And Sword The Saint Patricks Battalion In The Us Mexican War Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Shamrock And Sword The Saint Patricks Battalion In The Us Mexican War is one of the best book in our library for free trial. We provide copy of Shamrock And Sword The Saint Patricks Battalion In The Us Mexican War in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Shamrock And Sword The Saint Patricks Battalion In The Us Mexican War. Where to download Shamrock And Sword The Saint Patricks Battalion In The Us Mexican War online for free? Are you looking for Shamrock And Sword The Saint Patricks Battalion In The Us Mexican War PDF? This is definitely going to save you time and cash in something you should think about.
