Long Live Disco:

Disco's Out...Murder's In! Heath Mattioli, David Spacone, 2015-10-19 Famous for its revolutionary aspects in musical political sexual identity and consumerist ideas punk rock also has its lesser known gangster ethos as well explained here by players in the various punk gangs The Los Angeles Orange County and South Bay punk scenes populated by blue collar kids who responded to the violence and aggression of punk songs and shows A number of them formed punk gangs that got into beatings drug dealing and murder Among them no gang was more notorious than La Mirada Punks or LMP Says LMP chieftain Frank the Shank after getting arrested by police for murder After having my hands in so much bloodshed over the years I most certainly had it coming I deserved whatever I got Unexpectedly Frank was bailed out from prison by his father s friend a mob gangster Too many people died at the hands of punk rock violence said Frank I got lucky some didn t As an ultra violent punk rock gangster I admit my part in ruining the scene L A punk was a magical moment of youth expression like no other And the gangs ruined punk rock I still have people telling me today that they quit punk because of LMP I dig graves at a small cemetery just outside Los Angeles What else would you expect for Frank the Shank Cover illustration by the renowned Raymond Pettibon

A Bicycle Journey to the Bottom of the Americas George Hawkins, 2000-10-20 Remember when you were a kid and you got your first bicycle After a few weeks of mastering the dynamics of balancing steering and pedaling all at the same time hopefully your father released his protective steadying grip on the seat and you went wobbling off on your own It was probably your very first taste of independence and freedom and you knew you liked that feeling very much Few things in life have ever compared to that first solo ride Almost 40 years after my first solo bike ride I was able to recapture the excitement and passion of that momentous occasion when I pedaled out of Anchorage Alaska bound for Tierra del Fuego the very tip of South America No matter that it was 17 500 miles distant and would take 3 years to get there I vowed I would achieve that goal if it took the rest of my life
