

Long Stays In Spain

Louis de Rouvroy duc de Saint-Simon

Long Stays In Spain:

Buying a Property in Spain For Dummies Colin Barrow, 2010-06-21 Buying a property abroad is one of the biggest decisions you'll ever make. But don't worry, your Spanish dream needn't become a nightmare. From finding an estate agent and arranging a mortgage to negotiating the best price and moving in, this book is packed with practical advice on every aspect of the Spanish property market. It leads you safely and simply through the legal, logistical and financial minefields, helping you maximise your time and your money to enjoy a hassle-free property purchase. *France * Spain: Basque Country and Navarre* Murray Stewart, 2024-12-06 This new thoroughly updated third edition of *The Basque Country and Navarre*, Bradt's award-winning guidebook, remains the most in-depth guide to a multi-lingual, multi-cultural borderland that is neither Spain nor France but straddles the Pyrenees mountains that divide the two countries. Bradt's guide offers real insights into a profound regional identity, uncovering the peculiarities which imbue the area with intrigue and takes you way beyond the delightful well-known cities into the heart of the beautiful Basque countryside. Deep-seated Basque traditions, singular cuisine, world-class wine, strange sports, unique language, bold art and architecture all converge to showcase a land that continues to mystify and reveal itself the more you visit. Secluded valleys and rugged mountains, wild coastlines and the vestiges of industry long gone provide a strange mix that pays homage to a troubled past, a lively present and a constant reinvention that promises an exciting future for the Basques. Large and sparsely populated, little-known and little-visited, neighbouring Navarre offers natural attractions ranging from high Pyrenees to arid semi-desert. This former kingdom's troublesome history is waymarked by lonely hilltop castles but only in the frenetic bull-running days of Pamplona's San Fermín festival does it announce itself noisily on the world stage, welcoming hundreds of thousands of visitors to Ernest Hemingway's favourite party town. With advice on where to walk, cycle, horseride, surf and birdwatch, accompanying traditional listings of where to stay and eat, author Murray Stewart guides travellers through this increasingly popular area. Find the best pintxos, tapas and txakoli wine, the finest chuletín (beef chop) and the freshest fish. From elegant Biarritz via the French Basque Pyrénées to the Navarran badlands of Bardenas Reales, travel to fascinating, less-visited places that host thrilling local festivals. New elements in this edition include a host of elegant hotels in San Sebastián, the city on the beach; transport improvements; new restaurants serving culinary specialities; a major reconfiguration of Bilbao's Bellas Artes museum; and constantly evolving wine tourism opportunities. Whether you are a hiker or surfer, foodie or cyclist, spiritualist or golfer, let Bradt's *The Basque Country and Navarre* help you enjoy a fascinating, rewarding holiday. **The Rough Guide to Spain**, 2012-05-04 The new full-colour *Rough Guide to Spain* is the ultimate guide to one of Europe's most vibrant and exciting countries. Expert authors lift the lid on the famous cities, buildings, sights and natural attractions, from the dazzling Gaudí buildings in Barcelona to the dramatic mountains of the Pyrenees. Whether you're looking for a boutique hotel in Madrid, a hidden corner in Moorish Andalucía, a hip beach resort on the costas or the latest fashionable restaurant to emerge

from the Basque country you ll find it in the Rough Guide Each region is brought to life with inspiring photography and clear colourful maps while honest up to date reviews search out the best places to eat sleep and drink in every price range Budget travellers city break weekenders hikers and drivers will all find something to inspire them in this definitive guide
