Way Home The Testimony is a first of its kind from the inner city streets of Baltimore Maryland This narrative non fiction story is NOT a glorification of the despair that plagues many urban districts throughout our country but it is an informative intense detailed urban centerpiece that goes against conventional wisdom of what society may believe about the inner city and many of its occupants This story bridges a gap many believed could not be It s a unique approach to the harsh realities of the streets and to life as a whole It s a story about change decisions and consequences This is one man s story It s an urban story about God This is certainly not a street tale lacking depth one without significant meaning or positive goals This story is about family trials perseverance love God life and its purpose This read will erase any doubt and convince all that anything is possible for anyone The author assures us all that this is a story told with two main goals in mind to Glorify God and to strive for a good future while loving every human being along the way     *Norfolk to Abadan and the Long Way Home* LOUIS J.
