Charles Mitchell, Paul Mitchell

Longest Night The Worst Night Of The London Blitz:

The Longest Night Gavin Mortimer, 2006-10-03 An emotionally stirring account of the single most devastating attack on London during the Blitz A captivating and important contribution History that reads like a novel Kirkus The untold story of the massive bombing raid that almost brought Britain to military collapse The Longest Night reveals just how close the Luftwaffe came to total victory On the night of May 10 1941 Nazi Germany sent some five hundred aircraft to drop more than seven hundred tons of explosives on London This vivid dramatically told account depicts how fate shifted based on Hitler's mistaken belief that he'd actually lost the air war over Britain and portrays the unsurpassed we can take it bravery of the British people when they'd been pushed beyond all human endurance An excellent book Gavin Mortimer has interviewed scores of survivors for his gripping narrative Andrew Roberts The Wall Street Journal

Securitizing Islam Stuart Croft, 2012-02-09 Securitizing Islam shows how views of Muslims have changed in Britain since 9/11 following debates over terrorism identity and multiculturalism

The Temple Church in London Robin Griffith-Jones, David Park, 2010 Founded as the main church of the Knights Templar in England at their New Temple in London the Temple Church is historically and architecturally one of the most important medieval buildings in England Its round nave modelled on the Holy Sepulchre in Jerusalem is extraordinarily ambitious combining lavish Romanesque sculpture with some of the earliest Gothic architectural features in any English building of its period It holds one of the most famous series of medieval effigies in the country The luminous thirteenth century choir intended for the burial of Henry III is of exceptional beauty Major developments in the post medieval period include the reordering of the church in the 1680s by Sir Christopher Wren and a substantial restoration programme in the early 1840s Despite its extraordinary importance however it has until now attracted little scholarly or critical attention a gap which is remedied by this volume It considers the New Temple as a whole in the middle ages and all aspects of the church itself from its foundation in the twelfth century to its war time damage in the twentieth Richly illustrated with numerous black and white and colour plates it makes full use of the exceptional range and quality of the antiquarian material available for study including drawings photographs and plaster casts Contributors Robin Griffith Jones Virginia Jansen Philip Lankester Helen Nicholson David Park Rosemary Sweet William Whyte Christopher Wilson

Fasting and Feasting Adam Federman, 2017-08-23 Of all my culinary heroes Patience Gray was the most magical Adam Federman s beautifully considered and well researched biography shines a bright light on Gray s complicated surprising and gutsy life Alice Waters owner Chez Panisse author of The Art of Simple Food A New York Times Notable Book for 2017 Now in Paperback For more than thirty years Patience Gray author of the celebrated cookbook Honey from a Weed lived in a remote area of Puglia in southernmost Italy She lived without electricity modern plumbing or a telephone grew much of her own food and gathered and ate wild plants alongside her neighbors in this economically impoverished region She was fond of saying that she wrote only for herself and her friends yet her growing reputation brought a steady stream of international visitors to her door This simple and isolated life she chose for herself may help explain her relative obscurity when compared to the other great food writers of her time M F K Fisher Elizabeth David

and Julia Child So it is not surprising that when Gray died in 2005 the BBC described her as an almost forgotten culinary star Yet her influence particularly among chefs and other food writers has had a lasting and profound effect on the way we view and celebrate good food and regional cuisines Gray s prescience was unrivaled She wrote about what today we would call the Slow Food movement from foraging to eating locally long before it became part of the cultural mainstream Imagine if Michael Pollan or Barbara Kingsolver had spent several decades living among Italian Greek and Catalan peasants recording their recipes and the significance of food and food gathering to their way of life In *Fasting and Feasting* biographer Adam Federman tells the remarkable and until now untold life story of Patience Gray from her privileged and intellectual upbringing in England to her trials as a single mother during World War II to her career working as a designer editor translator and author and describing her travels and culinary adventures in later years A fascinating and spirited woman Patience Gray was very much a part of her times but very clearly ahead of them **Fasting and Feasting (UK Edition)**

what they are But these are recent developments Before the last decade of the twentieth century the very existence of a separate law of unjust enrichment was controversial its scope and content matters of dispute In this collection of essays a group of leading scholars look back and reappraise some of the landmark cases in the law of restitution They range from the early seventeenth century to the mid twentieth century and shed new light on some classic decisions Some argue that the importance of their case has been overstated others that it has been overlooked or misconceived All persuasively invite the reader to think again about some well known authorities The book is an essential resource for anyone scholar student or practitioner with an interest in this fascinating area of the law
