shake up austere repressed class ridden Britain and white bread America Some achieved this at great personal cost as darkness addiction and tragedy stalked those behind the extraordinary shop facades Much mythologised but never told this cautionary tale has now found its definitive chronicler in celebrated cultural historian Paul Gorman who has had access to first hand accounts from all the principal figures as well as notes for a memoir and a much treasured scrapbook by Freddie Hornik the tailoring entrepreneur who survived the death marches of central Europe after WW2 to acquire Granny Takes A Trip in the late 60s and transform into an unparalleled pop cultural force Beautifully illustrated with archival images of the shop principal players and the clothes themselves this book concludes with a never seen before 48 page tour through the Rolling Stones wild wardrobe of sartorial delights tailored and sold in the original shop [The Ashgate Research Companion to Popular Musicology](#) Derek B.
