Looking For God A Seekers Guide To God:

Looking for God : a Seeker's Guide to God Woodbury, Clair,1983 **The Seeker's Guide to Faith** J. Peter Baumgarten,2020-11-23 The Seeker s Guide to Faith confronts and answers the thirteen principal arguments against God that are now advanced by modern secularist movement sometimes called New Atheism using the powerful insights and teachings of The Church of Jesus Christ of Latter day Saints There are many books written to encourage faith for people who are experiencing doubts about God generally However this book is the only one of its kind by a Latter day Saint author that directly and specifically challenges all the main arguments against faith in God that are now aggressively asserted by the belligerent modern secular movement Its uniqueness is enhanced by the fact that the doctrines and teachings of The Church of Jesus Christ of Latter day Saints are used whenever applicable to effectively answer the challenges raised by this movement This author believes that the unique teachings and insights of the Church are better suited than those of any other faith for answering those challenges Furthermore the author s professional and volunteer activities have afforded him the opportunity to know and work with people of nearly all religious backgrounds in nearly all walks of life Recent experiences have led him to examine the reasons many apparently intelligent people reject faith His legal background and training have aided him in spotting and understanding the weaknesses and flaws of the logical underpinnings of atheism His Gospel upbringing as a member of The Church of Jesus Christ of Latter day Saints has helped him see through the fog of the dogma and arguments of atheism to the More Excellent Way afforded by the Gospel s plan of happiness He hopes The Seeker s Guide to Faith will help others who stand at the crossroads of their doubts to find their faith in Heavenly Father and His Son Jesus Christ *Looking For God* Steven S. Sadleir,2010 A compendium of all the denominations of religious and spiritual groups and teachers over 250 sources in an updated 3rd edition **Dream Quest: A Seeker's Guide to Finding the Purpose of Being** Justan Mann, PhD,2018-03-07 Dream Quest reveals a series of vivid lucid dreams that foretell the future and delve into the nature of being The dreams happened as described although they are presented within the context of a fictionalized trek that is set on the slopes of New Hampshire s Mount Major Alexander and his companions Verity and Futura eventually find refuge from the night s chill within Madame Leonedria s grotto Therein his dreams about the future human nature and reality are discussed in depth Alexander felt both cursed and blessed by these remarkable events for the gift that allowed him to find a metaphysical path to God s door slowly began consuming his mind Indeed the condition that sparked his visions degenerated Alexander s brain and his memories are now fading However the experiences were recorded long ago and they leave a message that might change your life This is far more than a book about spirituality or morality This is a quest for purpose *The Seeker's Guide to Being Catholic* Mitch Finley,2010-06-01 Recognizing that being Catholic today means being a pilgrim a person with questions doubts and insecurities award winning author Mitch Finley invites readers to explore with him the riches of the Catholic tradition **Seeking God** Trevor Hudson,2023-02-06 Jesus promised Seek and

you will find Do you long for a transforming encounter with the living God Jesus assures us that those willing to become seekers will find what their hearts most deeply desire The promise is clear Those who seek God consistently faithfully and passionately will not be disappointed They will find God and all those good things that accompany God s Kingdom Profoundly influenced by his long friendship with Dallas Willard and his experience guiding people through the Spiritual Exercises of St Ignatius for the last thirty years Trevor Hudson offers you a practical tool kit for your seeking journey You search for God does not have to take you to a remote mountain top as God wants to meet us right where we are in our everyday lives Reading the wisdom contained within the pages of Seeking God will help you to move beyond insight and knowledge and encounter the presence of the living God as a reality in your daily life *Discovery of the Presence of God* David R. Hawkins, MD/PHD,2021-02-16 This awe inspiring sixth installment of the profound consciousness series by Dr David R Hawkins reveals the true essence of Enlightenment from world renowned author psychiatrist clinician and spiritual teacher David R Hawkins M D Ph D A true instruction manual for the serious spiritual devotee this masterpiece from Dr David R Hawkins reveals information only known by those who have transcended the ego to reach Divine Realization Chapters Include Devotional Nonduality The Inner Path Spiritual Practices The Experienter The Razor s Edge Allness Versus Nothingness Spirituality and the World Teachers and Teachings The Devotee Transcending Identification with the Ego Self Enlightenment The Presence of Self Progressive States of Consciousness This spiritual book is the inner route from the self to the Self and an invitation into the profound depths of higher consciousness and enlightenment It walks you through the path to divine consciousness through the fusion of psychology philosophy metaphysics and spirituality Immerse yourself in a devotional exploration of non duality a profound philosophy that bridges the gap between existential questions and spiritual answers This transformative work will help you evolve spiritually by connecting to divine love Dr David Hawkins explains complex concepts with clarity making them accessible and relatable for everyone from spiritual seekers to business professionals seeking personal growth His spiritual awakening guidance offers meditation techniques for inner peace and provides tools to transcend the confines of the mundane illuminating the path to spiritual growth Drawing on his profound understanding of spiritual liberation Dr David Hawkins words guide us toward our spiritual evolution and higher consciousness Through this journey you will discover an empowering understanding of your divine consciousness leading to a sense of inner peace and a heightened state of spiritual awareness The Living Church ,1980 **Seekers in the Hands of an Elusive God** Jeffery M. Leonard,2025-06-17 Some Christians experience the presence of God as readily as they feel a pleasant breeze or sunshine For others God s presence is often much more difficult to find Like the psalmists we struggle with asking Why O Lord do you stand far off Ps 10 1 At least part of the dynamic in this struggle lies in the fact that Scripture presents God as both everywhere and mysterious at the same time As Paul told the sages of the Areopagus In him we live and move and have our being yet it is God s will that we search for God grope for him and find him Acts 17 27 28 God is as present with his people as

the tabernacle was with ancient Israel and yet even the tabernacle was meant to illustrate the fact that God cannot be pinned down contained or controlled We live in the tension of worshiping a God who is everywhere and yet must be sought Seekers in the Hands of an Elusive God explains the scriptural dynamic of this omnipresent but elusive God It is when we fail to search for God that our view of who God truly is becomes distorted and our own spiritual health diminishes when our relationship with God lacks this pursuit But how then are we called to seek God This book considers a variety of avenues in Scripture nature humanity worship silence doubt suffering death and joy In all these ways even those of us who wrestle with spiritual loneliness can join with saints of the past in pursuing the face of God Looking for GOD Steven S. Sadleir, 2008
