The Senses Fiona Macpherson, 2011-06-09 A Collection of Classic and Contemporary Articles on the Philosophy of the Senses

Ritual, Performance and the Senses Jon P. Mitchell, Michael Bull, 2015-02-26 Ritual has long been a central concept in anthropological theories of religious transmission Ritual Performance and the Senses offers a new understanding of how ritual enables religious representations ideas beliefs values to be shared among participants Focusing on the body and the experiential nature of ritual the book brings together insights from three distinct areas of study cognitive neuroanthropology performance studies and the anthropology of the senses Eight chapters by scholars from each of these sub disciplines investigate different aspects of embodied religious practice ranging from philosophical discussions of belief to explorations of the biological processes taking place in the brain itself Case studies range from miracles and visionary activity in Catholic Malta to meditative practices in theatrical performance and include three pilgrimage sites the Church of the Holy Sepulchre in Jerusalem the festival of Ramlila in Ramnagar India and the mountain shrine of the Lord of the Shiny Snow in Andean Peru Understanding ritual allows us to understand processes at the very centre of human social life and humanity itself making this an invaluable text for students and scholars in anthropology cognitive science performance studies and religious studies

Synaesthesia and the Ancient Senses Shane Butler, Alex Purves, 2014-09-03 Like us the ancient Greeks and Romans came to know and understand the world through their senses Yet sensory experience has rarely been considered in the study of antiquity and when the senses are examined sight is regularly privileged Synaesthesia and the Ancient Senses presents a radical reappraisal of antiquity s textures flavours and aromas sounds and sights It offers both a fresh look at society in the ancient world and an opportunity to deepen the reading of classical literature The book will appeal to readers in classical society and literature philosophy and cultural history All Greek and Latin is translated and technical matters are explained for the non specialist The introduction sets the ancient senses within the history of aesthetics and the subsequent essays explores the senses throughout the classical period and on to the modern reception of classical literature

On the Epistemology of the Senses in Early Chinese Thought Jane Geaney, 2002-01-01 By departing from traditional sinological approaches this method uncovers a detailed picture of certain shared underlying views of sense perception in the Lun Yu the Mozi including the Neo Mohist Canons the Xunzi the Mencius the Laozi and the Zhuangzi

BOOK JACKET

Looking After Your Autistic Self Niamh Garvey, 2023-03-21 I no longer try to mask my autism I now work to support my autism It is a myth that autistic children grow into less autistic adults In fact many autistic adults feel more overwhelmed as they age as the stresses of social demands such as relationships parenting or the work environment increase Niamh Garvey offers tips and tricks designed to reduce sensory and emotional stress and look after your autistic self From understanding what s happening when the stress response kicks in to using the detective habit to spot your individual strengths and triggers What s more every element of this book can be personalised to you Featuring strategies including

quick calm plans for managing triggers and lived experience advice on understanding emotional regulation coping with sensory overload and how to look after your senses during intimacy this guide is here to ensure that you don't just survive adulthood you thrive in it The Five Senses of Man Julius Bernstein,1876 **Looking Through Images** Emmanuel Alloa,2021-10-05 Images have always stirred ambivalent reactions Yet whether eliciting fascinated gazes or iconoclastic repulsion from their beholders they have hardly ever been seen as true sources of knowledge They were long viewed as mere appearances placeholders for the things themselves or deceptive illusions Today the traditional critique of the spectacle has given way to an unconditional embrace of the visual However we still lack a persuasive theoretical account of how images work Emmanuel Alloa retraces the history of Western attitudes toward the visual to propose a major rethinking of images as irreplaceable agents of our everyday engagement with the world He examines how ideas of images and their powers have been constructed in Western humanities art theory and philosophy developing a novel genealogy of both visual studies and the concept of the medium Alloa reconstructs the earliest Western media theory Aristotle's concept of the diaphanous milieu of vision and the significance of its subsequent erasure in the history of science Ultimately he argues for a historically informed phenomenology of images and visual media that explains why images are not simply referential depictions windows onto the world Instead images constantly reactivate the power of appearing As media of visualization they allow things to appear that could not be visible except in and through these very material devices **Literacy through Creativity** Prue Goodwin,2012-09-10 This is a fresh and practical approach to examining the way in which creative arts can be used in the classroom to enhance the learning of literacy in the primary school It includes case studies and activities that clarify the role of creativity in the literacy teaching and advises how to help develop teaching skills This is a must have text for teachers who seek to make literacy learning interesting and fun **Sibley:approach to Aesthetics C** , *Agency, Freedom, and Moral Responsibility* Andrei Buckareff,Carlos Moya,Sergi Rosell,2016-04-29 In recent years there has been a resurgence of interest in problems related to human agency and responsibility by philosophers and researchers in cognate disciplines The present volume brings together original contributions by leading specialists working in this vital field of philosophical inquiry The contents represent the state of the art of philosophical research on intentional agency free will and moral responsibility The volume begins with chapters on the metaphysics of agency and moves to chapters examining various problems of luck The final two sections have a normative focus with the first of the two containing chapters examining issues related to responsible agency and blame and the chapters in the final section examine responsibility and relationships This book will be of interest to researchers and students interested in both metaphysical and normative issues related to human agency
