Lord Dolphin Harriet Anna Cheever, 1903 Folks call these flowers such as they have seen of them weeds seaweeds And I suppose they have to come under that name as they are not planted from seeds but are a wild growth Ah but some great Planter or Gardener surely put all these wonderful shapes and splendid tints in the soft earth of a sea garden And it is all so blithe and gay **Lord Dolphin (Classic Reprint)** Harriet A. Cheever, 2018-01-30 Excerpt from *Lord Dolphin* OW who ever heard of a fish s sitting up and telling his own story Oh you needn t laugh you young Folks per haps you will find that I can make out very well considering Of course I have been among Folks else I could never use your language or know any thing about you and your ways A message is not received direct from the depths of the sea very often and especially from one of the natural natives And then there are very few fishes that ever have an experience like mine and travel from one continent to another going both by sea and by land About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Lord Dolphin* Harriet A.
