Lord Is Near Experiencing The Presence Of God:

Experience the Presence of God Fred M. Jensen, 2009-04 Whatever happened to the presence of God in the American church The church has settled for the status quo rather than the supernatural God's Church is dealing with considerable spiritual lethargy and superciliousness Man has been doing church his way long enough and now it is time that the Holy Spirit be the administrator and director of His church God has the perfect plan for His house The author presents an urgent and no compromise appeal for a return to the manifested presence of God The author also gives the diagnosis and prescriptive treatment for the spiritual decline of the church This book introduces Biblical principles and not man's strategies that will cause a full restoration to the presence and glory of God This book is for those that are hungry and thirsty for more of God's presence Fred Jensen was born in 1954 and was raised on Staten Island New York where he was converted to Christ at the young age of eight years old It was here that Fred experienced for the first time the presence of God while attending a prayer meeting with his father Fred is the third generation of Pentecostal ministry He has served as a pastor for 30 years in Massachusetts New Jersey Hawaii and Colorado Fred has a passion for the manifested presence of God and revival He now is devoted to writing speaking and completing a Ph D He and his wife Naomi have one daughter two sons and one grand daughter Fred and his wife now reside in mid west Colorado

Prayer, Peace and the Presence of God Dr. David Butts, 2017-08-15 I'm sorry Mr Butts but you have lymphoma and you are already in stage four Those words would rattle anyone Those are the words Dave and Kim Butts heard just 10 days into Dave's beginning to write this book on prayer and peace God literally put Dave into a situation where Dave would have to live out what he was planning to teach others in his book As believers we know that we are supposed to walk in Christ's peace day by day But when the trials struggles and stresses of life come upon us many of us do not appropriate or experience that peace Instead we look at our circumstances and worry In the pages of this 30 day devotional you will find the shalom the peace of Jesus Each day you will be encouraged by a verse on peace gently be taught how to live that verse out and then be guided in praying that peace into your life This book is for every believer who wants to experience and walk in the peace of Christ no matter what life throws at him or her

Daily in His Presence Andrew Murray, 2009-02-04 In his time Andrew Murray was alarmed by how few believers lived wholeheartedly for God and truly displayed to the world the abundant life promised by Jesus Christ More than a century later Christians are still living powerless impoverished spiritual lives and a media savvy world dismisses the church as irrelevant One of the most powerful voices of the nineteenth century Murray speaks to today's church from across the years exhorting us to begin each day by seeking the living God giving Him time every morning to reveal Himself anew For this stunning new devotional contemporary bestselling author Bruce Wilkinson presents 365 gems from the treasury of writings by Andrew Murray Wilkinson introduces each month's readings with an overview of the thematic approach for the coming devotions Each month features the very best of Murray's work centering on a different aspect of cultivating a deeper and richer spiritual life

Sharing in God's Presence Roy D. Kindelberger, 2018-10-05 Sharing in God's Presence means far more than getting saved and experiencing God's blessing in our lives As believers his presence becomes a very personal part of who we are and what we do God actually shares himself with us The language that we use often fails to capture the depths of God's nature penetrating ours the fullness of his Spirit permeating our hearts and the innermost infusion of his presence in our lives But the truth couldn't be more intimate The person who is joined to the Lord is one spirit with him 1 Corinthians 6:17 This book is an invitation to share in God's presence by allowing God to share himself with you God wants everyone to share in his embrace As we accept our responsibility for prayer ministry and even revival we share in the very precious dynamic of give and response that's involved in an intimate walk with Jesus Christ For a general readership this book is a reworking of material from the second half of the author's academic work *God's Absence and the Charismatic Presence*

Sinners in the Presence of a Loving God R. Zachary Manis, 2019-06-03 Why would a perfectly good and loving God consign anyone to eternal suffering in hell In *Sinners in the Presence of a Loving God* R. Zachary Manis examines

in detail the various facets of the problem of hell considers the reasons why the usual responses to the problem are unsatisfying and suggests how an adequate solution to the problem can be constructed Historically there are four standard explanations of the nature and purpose of hell traditionalism annihilationism the choice model and universalism In Manis s assessment all are deficient in some crucial respect The alternative view that he develops and defends the divine presence model stands within the tradition that understands hell to be a state of eternal conscious suffering but Manis contends avoids the worst problems of its competitors The key idea is that the suffering of hell is not the result of a divine act that aims to inflict it but rather is the way in which a sinful creature necessarily experiences the unmitigated presence of a holy God Heaven and hell are not two places to which the saved and damned are consigned respectively but rather are two radically different ways in which different persons will experience the same reality of God s omnipresence once the barrier of divine hiddenness is finally removed

God's Relational Presence J. Scott Duvall, J. Daniel Hays, 2019-11-19 Two leading biblical scholars and bestselling authors offer a fresh approach to the question of the unity of the whole Bible This book shows that God s desire to be with his people is a thread running from Genesis through Revelation Duvall and Hays make the case that God s relational presence is central to the Bible s grand narrative It is the cohesive center that drives the whole biblical story and ties together other important biblical themes such as covenant kingdom glory and salvation history Timeless Truths in Changing Times David C. Cooper, 2007

The Presence of God J. Ryan Lister, 2014-11-30 God is with us We say this in our sermons prayers and songs but what does it really mean For many Christians the whole notion of God s presence remains vague and hard to define Exploring both the Old and New Testaments professor J Ryan Lister seeks to recover the centrality of the presence of God in the whole storyline of Scripture a theme that is too often neglected and therefore misunderstood In a world that longs for yet struggles to find intimacy with the Almighty this book will help you discover the truth about God s presence with his people and what his drawing near means for the Christian life
