God Speaks Hope! : A Collection of Divine Thoughts and Prayers for Life's Journey](#) Rev. Dr. Lorraine Ruff Castain, 2021-05-07 Have you ever had a time when you needed to hear a word of encouragement from a loved one or a friend Perhaps there have been times when just a few words from someone of trust would give you that extra push you needed to forge ahead in spite of your circumstances Family and friends may sincerely love us but there is no love like the love of God People will not always be available but the presence of God is never ending He will speak to your spirit at the most unexpected times Many of these messages spoke comfort to my heart more than twenty five years ago when I was enduring great struggles and trudging through challenging times There are other messages that gave me divine direction during more current situations During the seasons when I took on caring for elderly family members God spoke strength to my weariness When finances were challenged God spoke peace to my soul In times of fear and when doubts plagued my own God given abilities God spoke courage to my heart When I felt lost confused disappointed at an energy deficit or just desperately needed to smile God provided the words of assurance and hope that helped me to press onward The power grace and love of God spoken in His words of hope are timeless I am so grateful for His patience with me because I am finally heeding the call to share these messages with you It is my prayer that you will also find hope healing and great grace in these words from God Let Him speak to you Pass a message on to someone longing to be blessed Allow God to encourage you Let Him put a smile on your face Trust Him to guide you I promise you He will carry you through every situation Listen God has Messages of Hope **Tips from The Lord** James Chelliah, 2022-02-12 About Our Higher Self Creating our own Reality Following Joy Law of Attraction Being Happy Positive Our Dreams Desires Becoming the Best You Inner Guidance 3 Parts of You Our 3 Creative Tools Heart vs Head much more A simple but powerful book packed full of Life altering Tips ideas and concepts After many years of contemplation this book is now ready to travel the world spreading the good news of Peace Love and Joy There is a reason for everything in this Universe rest assured the

message in this book has reached you at the perfect time in your journey into the depths of You This book will not follow the conventional format of self help books as they are generally very lengthy and wordy It is my intention to keep this book as short and simple as possible The highlight of the book is the Tips from The Lord and it is not the type of book that you read once and then put aside You might need to read it a few times and you might find yourself referring back to the Tips and information provided here again and again as I have done so myself countless times It is also the author s intention that the book can be easily understood by anyone who decides to buy and read it A lot of the concepts or ideas shared here are meant to simplify your understanding of something that is extremely deep and profound It has been my desire for the longest time to discover the Secrets of the Universe and how to apply them in a practical manner to improve our Life experience here on Planet Earth These Tips from The Lord came to me at different points in time during my journey specifically to help guide me along my path It has become clear to me now that these Tips were from my Higher Self since I have been earnestly seeking clarity and understanding on the subject of personal growth for a very long time Each Tip was received by me at a time when I needed it most particularly when I was pondering how to move forward with my Life Although these Tips were somewhat personalized for me they can be of great help to anyone who reads this book because they present a new way of looking at yourself your God Self and your Life as a whole They can help us understand our relationship with our Higher Self and how we can use that to improve our Life here on Earth
