The Problem of Unbelief in the Sixteenth Century, the Religion of Rabelais Lucien Febvre, 1982. Lucien Febvre's magisterial study of sixteenth century religious and intellectual history published in 1942 is at long last available in English in a translation that does it full justice. The book is a modern classic. Febvre, founder with Marc Bloch of the journal *Annales*, was one of France's leading historians, a scholar whose field of expertise was the sixteenth century. This book, written late in his career, is regarded as his masterpiece. Despite the subtitle, it is not primarily a study of Rabelais; it is a study of the mental life, the mentality of a whole age. Febvre worked on the book for ten years. His purpose at first was polemical: he set out to demolish the notion that Rabelais was a covert atheist, a freethinker ahead of his time. To expose the anachronism of that view, he proceeded to a close examination of the ideas, information, beliefs, and values of Rabelais and his contemporaries. He combed archives and local records, compendia of popular lore, the work of writers from Luther and Erasmus to Ronsard, the verses of obscure neo-Latin poets. Everything was grist for his mill: books about comets, medical texts, philological treatises, even music and architecture. The result is a work of extraordinary richness of texture, enlivened by a wealth of concrete details, a compelling intellectual portrait of the period by a historian of rare insight, great intelligence, and vast learning. Febvre wrote with Gallic flair. His style is informal, often witty, at times combative and colorful, almost to a fault. His idiosyncrasies of syntax and vocabulary have defeated many who have tried to read, let alone translate, the French text. Beatrice Gottlieb has succeeded in rendering his prose accurately and readably, conveying a sense of Febvre's strong, often argumentative personality as well as his brilliantly intuitive feeling for Renaissance France.

The Prince I Wished For Maggie Dallen, Katherine Ann Madison, 2025-11-25. A dashing rescue gone wrong. When Lady Delila is rescued from a terrible carriage accident by a hunky gamekeeper, she's ready to cast aside the fairy tale prince to whom she's been promised. That's her family's wish, not hers. She's never even met the Earl of Greenhaven, and she has no desire to be a countess. Which makes her rescue a dream come true. Lila can forget about all those suffocating plans and focus on the dreamy man who saved her. Except the gamekeeper is not who he seems, and her wish for a simple life is getting very complicated. Can her gamekeeper be her prince in disguise? This is a mistaken identity, twisted fairy tale, sweet romance. There is no cheating, and not even a real love triangle. Wink. Read on.
