Bramlett, 2003 John Ronald Reuel Tolkien 1892 1973 was a brilliant writer who continues to leave his imaginative imprint on the mind and hearts of readers He was once called the creative equivalent of a people and for more than sixty years his Middle earth tales have captivated and delighted readers of all ages from all over the world The Hobbit has long been recognized as a children's fantasy classic and the heroic romance the Lord of the Rings has been called the most influential story of all time These stories have sold over 150 million copies worldwide and have been translated into over forty languages and they along with works such as the Silmarillion and the History of Middle Earth have convinced scores of readers and critics that Tolkien is the master writer of fantasy Whether you've been a fan for years or you've just recently been hooked by the blockbuster Lord of the Rings movies I Am in Fact a Hobbit is an excellent starting point into the life and work of J R R Tolkien Book jacket **Designing Interfaces** Jenifer Tidwell, 2005-11-21 Designing a good interface isn't easy Users demand software that is well behaved good looking and easy to use Your clients or managers demand originality and a short time to market Your UI technology web applications desktop software even mobile devices may give you the tools you need but little guidance on how to use them well UI designers over the years have refined the art of interface design evolving many best practices and reusable ideas If you learn these and understand why the best user interfaces work so well you too can design engaging and usable interfaces with less guesswork and more confidence Designing Interfaces captures those best practices as design patterns

solutions to common design problems tailored to the situation at hand Each pattern contains practical advice that you can put to use immediately plus a variety of examples illustrated in full color You ll get recommendations design alternatives and warnings on when not to use them Each chapter s introduction describes key design concepts that are often misunderstood such as affordances visual hierarchy navigational distance and the use of color These give you a deeper understanding of why the patterns work and how to apply them with more insight A book can t design an interface for you no foolproof design process is given here but *Designing Interfaces* does give you concrete ideas that you can mix and recombine as you see fit Experienced designers can use it as a sourcebook of ideas Novice designers will find a roadmap to the world of interface and interaction design with enough guidance to start using these patterns immediately *Only at Comic-Con* Erin Hanna,2020 *Only at Comic Con* examines the relationship between exclusivity and the proliferation of media industry promotion at the San Diego Comic Con from the convention s founding in 1970 to its current status as a destination for hundreds of thousands of pop culture fans and a hub of Hollywood hype and buzz *Classworks Literacy Year 4* Sue Plechowicz,2003 This teacher s resource series is designed for teaching Primary Literacy and Numeracy in today s classroom setting Structured around the blocked units of work they provide everything teachers need to slot into their medium term plan The series consists of Literacy Numeracy titles which provide a more comprehensive approach to lesson planning and Literacy Text and Numeracy Practice books full of great resources **J.R.R. Tolkien's Sanctifying Myth** Bradley J. Birzer,2023-08-29 With a new introduction by the author Peter Jackson s film version of J R R Tolkien s *Lord of the Rings* trilogy and the accompanying Rings related paraphernalia and publicity has played a unique role in the dissemination of Tolkien s imaginative creation to the masses Yet for most readers and viewers the underlying meaning of Middle earth has remained obscure Bradley Birzer has remedied that with this fresh study In *J R R Tolkien s Sanctifying Myth Understanding Middle earth* Birzer reveals the surprisingly specific religious symbolism that permeates Tolkien s Middle earth legendarium He also explores the social and political views that motivated the Oxford don ultimately situating Tolkien within the Christian humanist tradition represented by Thomas More and T S Eliot Dante and C S Lewis Birzer argues that through the genre of myth Tolkien created a world that is essentially truer than the one we think we see around us everyday a world that transcends the colorless disenchantment of our postmodern age
