The Return of the Mother Andrew Harvey,2013-08-20 Adapted from a series of lectures on the historical basis and current resurgence of the sacred feminine given by Andrew Harvey at the California Institute of Integral Studies in Spring 1994 The Return of the Mother is a profound journey into the heart of the Divine Mother In this comprehensive and groundbreaking work mystical scholar Andrew Harvey unearths traces of the sacred feminine in major world religions Hinduism Islam Sufism Buddhism Taoism and Christianity and in aboriginal and indigenous wisdom traditions Harvey presents a scathing critique of the patriarchal distortions in religious history and doctrine that have obscured full knowledge of the Divine Mother and shows how to reintegrate this vital aspect into the spiritual consciousness of humankind The Return of the Mother offers a radical new perspective balancing the historical overemphasis on transcendence by honoring the immanence of the divine in passionate engagement in the world Only by cultivating a direct respectful relationship with the transformative power of the sacred feminine can we alter our disastrous attitude of dissociation from nature the body sexuality and the details of human life and generate the energy and compassion needed to reverse the course of destruction we have set the planet and all of life hurtling toward In lively question and

answer sections Harvey further illuminates these vital issues and takes a strong stand against our dependence on gurus and masters proposing instead an egalitarian model of spiritual community based on intimate groups of mutually supportive guides and friends The Return of the Mother is an eloquent and passionate call for all of us to rediscover and reclaim an authentic and empowering relationship to the divine and recreate a sacred life in the world *Everyday Creativity* Kirin Narayan,2016-11-22 This book by anthropologist Kirin Narayana thoughtful exploration of Kangra women s singing over the past thirty years is part ethnography part travelogue part musical discovery part poetry and poetry translation and three parts memoir Like the intricate geometries of mandalu patterns drawn in the courtyard outside a home or clothes meticulously stitched well crafted songs identify a woman as smart adept and skilled and so are a source of status Kangra singers speak of singing as enriching their lives the well being generated by shared songs brings feelings of accomplishment companionship happiness solace peacefulness even good health and recovery from illness The concept Narayan keeps finding herself returning to however is creativity the everyday creativity that brings well being In this book the second in our new Big Issues in Music series Narayan beautifully draws out the particulars of everyday creativity in women s singing in Kangra as well as giving readers the more general gift of a new way of thinking of creativity in music and the arts in crafts and in everyday life *Return of the Emerald Skull* Paul Stewart,2012-08-14 Weird and evil events at a London boarding school provide messenger Barnaby Grimes an opportunity to test his budding knowledge of the ancient Chinese art of yin chido in which one focuses on silences and empty spaces **Returning to the Source** Osho,2023-04-19 Zen is dhyana in China it became ch an And then from China it had to be taken to Japan because in China also it soon became impossible to find a man who was ready to receive it This Kakua brought it from China to Japan Just as Bodhidharma took it from India to China Kakua brought it from China to Japan *Return of the Pharaoh* Daniel Molitor,2012-08-29 Book two in the Tales of Egypt series Return to the story of The Lost Pharaoh and the men obsessed with discovering the secret of his final resting place in a mysterious and deadly desert canyon Notes dispatches and photographs tell the story of the intrepid reporter determined to solve a mystery as old as the pyramids of Egypt **Princess Returns** Xu Xu Qing Feng,2020-10-17 Sister in law framing husband humiliating return with hatred He was cold blooded and cruel He killed his enemies and trampled through the clouds A soft emotion that was laced with poison A cruel ambush Lin Jinshu s red lips were like blood of course it was me Ma am your son and I are hungry *Lotus Blossom Returns* Florence Ione Howlett,Sandra L. The Returning Hero Simon Hornblower, Giulia Biffis, 2018-09-04 A recurring and significant theme in ancient Greek literature is that of returns and returning chiefly but by no means only of mythical Greek heroes from Troy One main and certainly the most marked ancient Greek word for return is nostos plural nostoi from which is derived the English nostalgia Nostos related traditions were important ingredients of colonial foundation myths and the theme runs through both ancient Greek prose and poetry from Homer s *Odyssey* to Lykophron s *Alexandria* also leaving traces in the historical record through the archaeological and epigraphical commemoration of nostoi which played a central part in defining Greek ethnicity and crystallizing personal and communal identities This volume offers a truly interdisciplinary exploration of the concept of nostos in ancient Greek culture which draws on its contributors expertise in ancient Greek and Roman history literature archaeology and religion The chapters examine both literary and material evidence in order to achieve a better understanding of the nature of Greek settlement in the Mediterranean zone and of sometimes equivocal Greek and Roman perceptions of home displacement and returning The special problems and vocabulary of exile are explored in the long Introduction which offers an incisive yet accessible overview of the volume s key themes and sets its range of contributions clearly in context while two chapters are concerned in different ways with emotions and personal identity making use of the theoretical tool of place attachment another demonstrates that failed nostoi can be more interesting than successful examples Evidential absence can be as important and illuminating as presence and mythical women underrepresented in this regard feature extensively in several chapters which open up a range of new perspectives on nostos
