truly as tough as flint a virtuous young man being of pristine character well respected beyond repute being required to live in an imperfect world His father trained him from the beginning as a small boy to always listen to his God given intuition within his heart for the good of all Trophemus knew that his intuition would never tell him to do evil and as long as he was directed to do good he should listen And listen he would Trophemus did have much difficulty making sense of and discerning God s requirement to keep his secret place hidden from all But time does have a way to envelop all our misunderstanding concerning God s direction in every decision we make Mystery always surrounds us as we live a righteous high integrity human life He knew well integrity is living the highest moral standard in our daily human life whether anyone sees us or not even when we are all alone This kind of righteous daily living brings peace into one s heart Peace has a source and Trophemus was a man on earth full of peace and goodwill to all those in Tatonka who live righteous lives But not all will live righteous lives as Trophemus gradually learns Schrum is a young man who personifies and emanates evil Thus his two lives providentially whirl around this antagonistic creature on earth named Schrum As the race begins in the first chapter by which a fourteen year old boy becomes a man Trophemus has the highest expectations and all is peaceful in the safe and secure country of Tatonka Will this man boy s becoming a man fulfill what destiny has been immaculately arranged upon him Trophemus *The student's English dictionary, the pronunciation adapted to the best modern usage by R.
