Special Love / Special Sex Robert S. Fogarty, 1994-10-01 Victor Hawley was a thirty year old dental assistant with a passion for collecting butterflies who fell in love with Mary Jones another colony member Because of the community s unique social and sexual practices however the two were kept apart and denied their request to have a child In the eyes of the community their love was unsanctified Instead on the order of colony founder John Humphrey Noyes Jones was subsequently impregnated by Noyes s son Fogarty effectively uses the diary to illuminate with particular clarity the largely ignored darker side of the community Thus this rare chronicle opens for radical reinterpretation the Oneida Community s plan on procreation and the central role that sexual domination played in its history Hawley s intense struggle to reconcile individual and community needs and desires illustrates a fundamental tension that characterized the community in the years immediately preceding its dissolution In 1877 after twenty three years at Oneida

Victor Hawley left the community with Mary Jones after he nursed her through an agonizing pregnancy that ended in stillbirth. They married, had five children and lived on their own outside the embrace of Eden. From numerous entries in Hawley's secret diary which were written in an arcane shorthand, Robert S. Fogarty successfully extracts some astonishing personal details which include descriptions of areas of community life never before revealed on such matters as religious commitment and experiments in eugenics. **Special Love, Special Sex** will be specifically of interest to scholars in utopian and communitarian studies and to social historians.

Love and Marriage Serena Nanda, 2018-12-10 Cultural anthropologist Serena Nanda mines a wide range of ethnographic research to examine the patterns of love, marriage, sexuality and family unique to eight cultures around the world. After reviewing changing patterns in the United States, readers are taken to China, India, Brazil, Iran, Indonesia, Nigeria, the South Pacific and Nepal to explore traditions and transformations and the intertwining dynamics of kinship, class, politics, religion and gender roles in love and marriage. An additional chapter traces the diversity of LGBTQ relationships with contemporary examples drawn from the US, Indonesia and India. A valuable summary chapter features a brief analysis of similar and different cultural configurations. Nanda's ethnographically rich examples and fresh perspective will challenge readers to understand that their own culture is not natural or superior but rather just one of many possibilities adapted to specific environments and subject to changes.

Just Love Margaret Farley, 2008-02-15 Winner of the 2008 Grawemeyer Award in Religion. This long-awaited book by one of American Christianity's foremost ethicists proposes a framework for sexual ethics whereby justice is the criterion for all loving, including love that is related to sexual activity and relationships. It begins with historical and cross-cultural explorations, then addresses the large questions of embodiment, gender and sexuality and finally delineates the justice framework for sexual ethics. Though *Just Love*'s particular focus is Christian sexual ethics, Farley's framework is broad enough to have relevance for multiple traditions. Also covered are specific issues in sexual ethics including same-sex relationships, marriage and family, divorce and second marriage.

Dangerous Liaisons: Sex and Love in the Segregated South (p) Charles Frank Robinson, Charles F. Robinson II, 2003. In the South after the Civil War, segregation and race itself was based on the idea that interracial sex posed a biological threat to the white race. In this groundbreaking book, Charles Robinson examines how white southerners enforced antimiscegenation laws. His findings challenge conventional wisdom, documenting a pattern of selective prosecutions under which interracial domestic relationships were punished even more harshly than transient sexual encounters.

Making Love Just Marvin M. Ellison, 2012. These days, sexual sin is far less about sex and far more about the misuse of power and exploitation of vulnerability. It's time to redraw the ethical map. But how should a contemporary Christian ethic of sexuality be formulated? Marvin Ellison, a pioneer in contemporary Christian rethinking of sexuality and sexual ethics, uses a series of provocative questions to increase readers' skills and confidence for engaging in ethical deliberation about sexuality. Students and all adults will welcome this book for enabling their personal clarity approach to

relationships and mindful participation in respectful moral debate Publisher description Love and Sexuality in Social Theory Emiliano Bevilacqua, Mariano Longo, Michael Hviid Jacobsen, 2024-11-27 Love and Sexuality in Social Theory considers the role that love and sexuality play in private and public life Drawing on both classical and contemporary social theory this book presents both theoretical and empirical studies of love and sexuality as social factors from the earliest reconstructions of modern emotional life to the most recent analyses of liquid love With attention to the consequences that passions and desires have both on morals and behaviour it departs from the analysis of society in terms of the division of labour and utilitarian mechanisms to consider how a society based on performances values human energy and emotional behaviour in a contradictory way This book therefore presents and discusses classic authors from Georg Simmel and Pitirim Sorokin to Marianne Weber and Simone De Beauvoir through the work of Erving Goffman and ending with contemporary authors such as Michel Foucault Anthony Giddens Zygmunt Bauman Ulrich Beck and Eva Illouz By presenting love as the social foundation of altruism an essential element in modern conceptions of subjectivity and a force shaping intimacy and contemporary social life this book will appeal to scholars of sociology particularly those interested in social theory and the sociology of emotions **Love on Trial: An American Scandal in Black and White** Heidi Ardizzone, Earl

Lewis, 2002-05-17 Too important to be ignored A fascinating look at America's obsession with race pride and privilege Essence A modern Cinderella must defend her fairy tale marriage in a scandal that rocked jazz age America When Alice Jones a former domestic married Leonard Rhineland in 1924 she became the first black woman to be listed in the Social Register as a member of one of New York's wealthiest families Once news of the marriage became public a scandal of race class and sex gripped the nation and forced the couple into an annulment trial The Poetics of Intimacy and the Problem of Sexual Abstinence Michael J. Hartwig, 2009 This bold work asks whether traditional Christian sexual morality with its emphasis on sexual abstinence outside of heterosexual marriage is harmful Appealing to sociological studies anthropological theories and contemporary theological ethics Hartwig develops a model of sexual virtue around the concept of a poetics of intimacy and applies this model to particular challenges faced by the divorced married couples gay men and lesbians single adults and people with mental and developmental disabilities He concludes that mandated long term and lifelong sexual abstinence for those outside heterosexual marriage is not only harmful but compromises many features of Christian morality

Love, Life and Beyond Pamela Hamilton, 2017-03-17 What if a family was introduced into your almost perfect life and turned your world upside down in the worse way What if these people made you feel vulnerable uncertain maybe even insecure Now let's take this a step further What if this family were racist and you were black And what if you had been a part of this distasteful

family and you had no clue Could it be possible that you had been reincarnated purposefully to face the hate that you once gave out Perhaps you have been picked by a loving universe to bring this racist family to an awakening although you don't remember making this agreement This is what happens to Nova an intelligent pretty secure young woman who lives in an affluent black family where everything seemed to be in its proper perspective That is until the Young family arrive in her town Amid issues of racism drugs and teen problems Love Life and Beyond shows the reader another way at looking at life's jarring troubles through the story of Anne a racist from the South who dies from a brain aneurism After some time to reflect in the spiritual realm Anne's soul is ready for another trial on Earth this time in the body of Nova a black girl Having no clue of her previous non physical proclamation to transform their beliefs a personal battle erupts when Trent and Nova are thrown together many times through distressing situations Sonia gets involved with the wrong crowd and begins using drugs and Nova is the only person capable of helping Brenda and her family Trent resents her association with his family and like a smoldering volcano Trent and Nova reach their boiling point with venomous hate for one another until something unforeseen happens and the impact of it alters all of their lives forever

Youth Sexuality in the Context of HIV/AIDS in South Africa Karl Peltzer, Supa Pengpid, Teresa-Ann B. Mashego, 2006 Dowsett 2003 notes that by far the vast majority of non

biomedical research on HIV/AIDS has been behavioural research usually by survey methods counting people's sex acts partners preferences places times and reasons for sex and assessing levels of risk for HIV infection revealing the dominance of seeing sex largely as behaviours The End of Love Eva Illouz, 2021-09-15 Western culture has endlessly represented the ways in which love miraculously erupts in people's lives the mythical moment in which one knows someone is destined for us the feverish waiting for a phone call or an email the thrill that runs down our spine at the mere thought of him or her Yet a culture that has so much to say about love is virtually silent on the no less mysterious moments when we avoid falling in love where we fall out of love when the one who kept us awake at night now leaves us indifferent or when we hurry away from those who excited us a few months or even a few hours before In The End of Love Eva Illouz documents the multifarious ways in which relationships end She argues that if modern love was once marked by the freedom to enter sexual and emotional bonds according to one's will and choice contemporary love has now become characterized by practices of non choice the freedom to withdraw from relationships Illouz dubs this process by which relationships fade evaporate dissolve and break down unloving While sociology has classically focused on the formation of social bonds The End of Love makes a powerful case for studying why and how social bonds collapse and dissolve Particularly striking is the role that capitalism plays in practices of non choice and unloving The unmaking of social bonds she argues is connected to contemporary capitalism which is characterized by practices of non commitment and non choice practices that enable the quick withdrawal from a transaction and the quick realignment of prices and the breaking of loyalties Unloving and non choice have in turn a profound impact on society and economics as they explain why people may be having fewer children increasingly living alone

and having less sex The End of Love presents a profound and original analysis of the effects of capitalism and consumer culture on personal relationships and of what the dissolution of personal relationships means for capitalism

The Real Facts Of Life Margaret Jackson, 2005-08-04 During the last twenty years feminist research into the history of sexuality has made important contributions to the theoretical understanding of the relationship between sexuality and male power When sexology became established as a science feminists had for many years been engaged in a struggle to change male sexuality by waging campaigns against male sexual violence and abuse of women and children by challenging the institutions of marriage and prostitution and by asserting in theory and in practice the right to female sexual autonomy Despite the excellent research published in this important and fascinating aspect of feminist history there are still gaps in our knowledge The Real Facts of Life aims to fill these gaps Why and when did sexuality become an important political issue for the 19th century feminist What was the history of campaigns against double standards of sexual morality Why were feminists so divided in their views about sexual freedom and its relationship to women's emancipation The analysis of these issues illuminates past and present feminists ideas and theories about sexuality Margaret Jackson's main aims in The Real Facts of Life are to make a contribution towards understanding the history of the struggle for female sexual autonomy to provide a revolutionary feminist analysis of the social construction of sexuality and its relationship to male power and to provide a critique of sexology and the male defined concept of sexual liberation
