ETIQUETTE.,1859      *A Biblical View On Relationships* Angelo Shamoon,2020-07-08 We live in a world today amongst brothers and sisters who are hurting The result of depression in singleness broken relationships unhappy marriages and lacking intimacy with children Why does it have to be this way The keyword here is relationships lack of Christ centered relationships to be exact As a people we have failed to live by the practical steps provided in Scripture and have opted for something else We have opted to do things our way and not God s way It s no news now that we have failed with our flawed system therefore the sensible thing to do now embraces what the Bible offers How to build true supportive personal faith building and selfless relationships between men and women This is what I desire to do for you through this book using God s Word as our ultimate authority the Bible The Bible is ultimately about relationships because that is who God is and so it is what we are made for Relationships are the living breath of life by the Holy Spirit We are not just to show love but have relationships of love in our marriages in our single lives and in every other relationship we have God is calling us to possess a special kind of Gospel empowered relationship with those around us that we cannot accomplish apart from His Holy Spirit These kinds of relationships can be learned from and through the relationships we witness throughout Scripture and the advice we are taught around the good and the bad This book provides a gentle walk through the richness of Scripture in light of singleness courtship and marriage I pray that this book will help you unlock godly principals in your life so you can begin building on them to enjoy Gospel empowered relationships in all forms of relationship God provides for you May God give us the desire and the ability to minister the types of relationships that adorn the Gospel and bring Glory to Him      Love,
