Eternity in the Midst of Time Fr. Wilfrid Stinissen, 2019-01-21 Can time be our friend At first glance the question seems ridiculous because the apparent scarcity of time is a constant source of stress in our busy lives There are not enough hours in the day we say as we collapse late at night Deep down we know that we cannot go on like this Father Stinissen's book dares us to see time with new eyes The insight that eternity is written in the depths of our hearts helps us to live in time in a way that leads us deeper into God's joy We are like children in a land of fairy tales where everything is exciting and exploration never ends We therefore should rejoice that everything around us is great and mysterious and that we can live in eternal wonder His intention is not to explain what time is and thus take away its mystery Instead his aim is to show us how to see time from different perspectives and to discover how rich and multifaceted it is Above all he demonstrates how we can make use of the tremendous possibilities that time offers to us Three Time Love Affair Clyde G.
