Love In A Time Of Hate Liberation Psychology In Latin America:

Love in a Time of Hate Nancy Caro Hollander, 1997 Nancy Caro Hollander profiles ten Argentine Chilean and Uruguayan psychologists and psychoanalysts who experienced firsthand and later strove to comprehend the political and social oppression that occurred under the military dictatorships in their countries during the 1970s and 1980s She recounts how psychoanalysts employed what she calls liberation psychology to understand the brutal trauma suffered by the populace under fiercely repressive regimes and then to help themselves and others to confront and overcome a culture of intimidation coercion torture and frequently murder

Sharing the Pain of the Bitter Hearts Simone Lindorfer, 2007 This book reflects the fruitful dialogue between two regional contexts including the encounter of different methodologies namely the context of Latin American liberation psychology as inspired by liberation theology and specifically developed in El Salvador by the Jesuit Ignacio Martin Baro and the context of Eastern African women The book evaluates in four case studies the contribution of liberation psychology in overcoming various forms of gender related violence in Eastern Africa where the author has worked since 1998 as consultant in trauma work The book encourages the critical reflection of current trauma psychology as well as the conceptualisation of a globally oriented practical theology

Psychology of Liberation Maritza Montero, Christopher C. Sonn, 2009-04-28 Since the mid 1980s the psychology of liberation movement has been a catalyst for collective and individual change in communities throughout Latin America and beyond and recent political developments are making its powerful transformative ideas more relevant than ever before Psychology of Liberation Theory and Applications updates the activist frameworks developed by Ignacio Martin Baro and Paulo Freire with compelling stories from the frontlines of conflict in the developing and developed worlds as social science and psychological practice are allied with struggles for peace justice and equality In these chapters liberation is presented as both an ongoing process and a core dimension of wellbeing entailing the reconstruction of social identity and the transformation of all parties involved both oppressed and oppressors It also expands the social consciousness of professionals bringing more profound meaning to practice and enhancing related areas such as peace psychology as shown in articles such as these Philippines the role of liberation movements in the transition to democracy Venezuela liberation psychology as a therapeutic intervention with street youth South Africa the movement for representational knowledge Muslim world religion the state and the gendering of human rights Ireland linking personal and political development Australia addressing issues of racism identity and immigration Colombia building cultures of peace from the devastation of war Psychology of Liberation demonstrates the commitment to overcome social injustices and oppression The book is a critical resource for social and community psychologists as well as policy analysts It can also be used as a text for graduate courses in psychology sociology social work and community studies

Enemies on the Couch Vamik D. Volkan, 2014-07-01 For more than 30 years renowned psychoanalyst Vamik D Volkan has applied the theories of his profession to societies in conflict venturing into cauldrons of

unrest as observer mediator and practitioner In this volume he shares his experiences facilitating dialogue between opposing enemy groups in numerous contexts and conflict zones and presents the pioneering theoretical and practical frameworks he developed In the process he provides a unique window onto watershed moments of the recent past from major historical events such as the collapse of the Soviet Union and the fall of the Berlin Wall to the tragedy of September 11 2001 and continued violence in the Middle East The findings and observations presented in this volume provide not only a new way of looking at recent historical events but also offer a novel set of tools for understanding and shaping the present and future

Dictatorships in the Hispanic World Patricia Swier, Julia Riordan-Goncalves, 2013-07-18 This book broaches a comparative and interdisciplinary approach in its exploration of the phenomenon of the dictatorship in the Hispanic World in the twentieth century Some of the themes explored through a transatlantic perspective include testimonial accounts of violence and resistance in prisons hunger and repression exile silence and intertextuality bildungsroman and the modification of gender roles and the role of trauma and memory within the genres of the novel autobiography testimonial literature the essay documentaries puppet theater poetry and visual art By looking at the similarities and differences of dictatorships represented in the diverse landscapes of Latin America and Spain the authors hope to provide a more panoramic view of the dictatorship that moves beyond historiographical accounts of oppression and engages actively in a more broad dialectics of resistance and a politics of memory
