Falling in love with your best friend should be easy. It's just a shame no one told them that Carrie Swinton came to Appleford five years ago to escape her ex-fiancé and her family. But she's never given up on finding love, especially as her feelings for Elliot have grown. Thanks to past heartbreak, Elliot Barnes has spent most of his life avoiding relationships. That is, until he can no longer deny his growing feelings for his friend and co-worker, Carrie. But the path of true love never runs smooth, especially when you're up against trust issues, interfering neighbours, and the sudden appearance of a sexy newcomer to the village. Can Elliot and Carrie put aside their fears for long enough to finally take a chance on each other, or is it already too late?
