As Time Goes By Abigail Trafford, 2010-05-21. In this inspiring book, best-selling author Abigail Trafford describes how people over fifty are rewriting the script of love and in the process redefining the institution of marriage for future generations. Drawing on interviews with hundreds of men and women married and single, gay and straight, Trafford explores what it means to love and be loved in the decades after midlife and offers solutions to the most common problems that define this period, such as retired spouse syndrome and divorce. Wise and compassionate, *As Time Goes By* is an essential guide to the pursuit of love and happiness in

this dynamic stage of life *The Gangster's Scholar: Love Behind Bars* Shanice Nicole Robinson, 2025-04-04 *The Gangster's Scholar: Love Behind Bars* is a gripping and deeply introspective memoir that transcends the conventions of love, resilience, and redemption. Set against the backdrop of Richmond, California, a city shaped by systemic inequality, violence, and survival, Dr. Shanice Robinson Blacknell and her husband Joe Fatter Blacknell challenge prevailing narratives about incarceration, love, and the transformative power of second chances. Intertwining personal testimony with socio-political critique, this book examines the complexities of love behind prison walls where separation is not just physical but psychological, emotional, and spiritual. Shonny, an accomplished scholar, and Fatter, a man navigating the unforgiving world of a Level 4 maximum security prison, rediscover each other after a decade apart. As they forge an unbreakable bond, they face insurmountable challenges: deception, institutional barriers, and the stigmas surrounding prison relationships. Their story is as extraordinary as it is painful, marked by cycles of betrayal and forgiveness, struggle and hope. More than a love story, *The Gangster's Scholar* critically interrogates the intersection of mass incarceration, racial injustice, and media-fueled misconceptions that define Black men like Fatter as irredeemable. Through raw and unfiltered prose, Shonny reclaims agency over her narrative, chronicling her evolution from childhood friend to prison wife and ultimately to a woman forced to confront the limits of love and sacrifice. Fatter's single chapter contribution provides an intimate glimpse into his wrongful conviction, his battle against an unjust system, and the unrelenting hope that fuels his survival. This book is an essential read for scholars, activists, and those interested in the realities of prison, love, Black identity, and the impact of the carceral state on relationships. Each chapter offers not only personal testimony but also practical tools for navigating love through adversity. A powerful exploration of love's endurance against the odds, *The Gangster's Scholar: Love Behind Bars* is both a love letter and a social commentary, an urgent call to rethink justice, redemption, and the human cost of incarceration. [New Books on Women and Feminism](#), 1991 *For Love of a Soldier* Jane Collins, 2008-01-01 *For Love of a Soldier* contains the stories of 29 people whose family members, spouses, siblings, children, are serving or have served in the American military during the Iraq War. The families tell their stories and explain why they believe that taking action to end American military involvement in Iraq is the best possible way to support the troops who are so dear to them. The passionate and articulate individuals whose interviews make up the body of the book include spouses and parents of soldiers with post-traumatic stress disorder, a couple with eight children and grandchildren who have served or are currently serving in Iraq, the parents who have formed an organization of anti-war families, parents whose children have been killed or maimed in the war, and parents whose children have committed suicide after returning home from the war. **Dig Deep Before You Leap** C.L. Reddon, 2012-06-04 *Big Deep Before You Leap* is packed with numerous biblical principles, life experiences, timeless truths, and unforgettable facts woven together with good old-fashioned wisdom. It's a must-read for anyone considering the decision to "Jump the Broom." **Teenagers Talk about Suicide** Marion Crook, 1989 Interviews with teenagers expressing their views and experiences with suicide **Help**
