**Brand Love is not Enough** Max Blackston, 2018-03-15 How would you feel about a bank that handled all of your financial needs efficiently but made you feel like a dummy In a relationship between two people what the other person thinks of you or what you believe they think of you exerts great influence on the quality of your relationship The same is true for your relationship with brands In this trailblazing book Blackston extends his theory on consumer brand relationships introduced in the 1990s He introduces a new construct called brand s attitude which complements the idea of brand image and introduces a typology of consumer relationships that is richer and more varied than the familiar concept of brand love This construct describes more fully the two way street that exists between consumers and brands and fills a crucial gap in traditional branding literature in explaining consumers brand purchasing and usage behavior Drawing on numerous actual examples and cases from a variety of different industries and supported by 30 years of consumer data Brand Love is not Enough should be on the shelf of any serious marketer or student of branding

*When Love Is Not Enough* D. S. Brown, 2016-03-16 Lawrence Chelton loved hard but at the same time it was all soft deep and lasting filled with a belief that soul mates really do exist He would do anything for the woman he loved He was tender caring strong and protective He knew how to stand and be the man a good woman would truly want or so he believed When the woman he loved left him at the altar he changed He lost his belief in love He lost his respect for women He lost his ability to be decent to be a good man He no longer believed love was enough He didn't know what was enough what was life fulfilling However after the altar he felt it was only right to take advantage of as many women as possible in a depraved attempt to find the truth To him they deserved nothing but his contempt

**When Love Is Not Enough** Dr. Thomas L. Page, 2011-06-17 America is losing touch with her young African American male population Parents are losing touch with sons and sisters are losing touch with brothers Why is this Why are adolescent black males becoming lost to their own self destructive behaviors Most parents aren't going to like to hear it but it's due to a lack of spirituality in upbringing If a young man does not build his foundation on spirituality he is left to build it on society Dr Thomas Page has spent much of his career studying and counseling the African American males of America He has seen the devastation caused by a life without spirituality and it is partially the fault of the parents Parents force their children to get up and go to school every morning and yet on Sunday they allow the children to choose whether they will go to be spiritually fed This choice could lead to the children's downfall When Love Is Not Enough calls for a return to the notion of spirituality as the center of the household By identifying with spirituality young men can avoid identifying with drugs alcohol and illegal activities Children must be spiritually fed in order to become spiritually satiated adults It's not too late Turn back to the strong foundation of spirituality your children will thank you for it
