William Shakespeare, 1860 *A Measure of Love* Sophie Jackson, 2016-06-21 From award winning fanfic phenomenon Sophie Jackson the third novel in the sexy and emotionally intense blockbuster A Pound of Flesh series Life in New York for ex con Riley Moore is pretty damn good until a call from his mother shatters the calm his father has suffered his second heart attack in two years and is in a critical condition Leaving everything behind Riley flies home to Michigan for the first time in

five years to support his mother and do his best to make amends with his father. He also tries not to think about Lexie Pierce, the only girl he ever truly cared about and who broke his heart. When they inevitably meet, memories of their love make Riley yearn to reconnect despite the pain they both suffered. Though she's wary and has a secret she's hidden from him for five years, Lexie has little willpower when it comes to Riley and she agrees. Besides, after all that has gone before, she owes it to both of them to find out if they can love each other again. Can they both overcome their sorrow and secrets and finally share their life together? A powerful new voice in modern romance, Sophie Jackson has crafted a passionate love story with unforgettable characters that will stay with you long after you've turned the last page. **Measure Twice, Love Once**

Yvonne Kohano, 2015-04-21 Fortune smiles upon the brave and frowns upon the coward. For Geno Altimari, the old Latin proverb proved to be true. One pivotal night and a denied entreaty changed everything. It cost him years of friendship and missed opportunity for a life that might have been his destiny simply because he was afraid. Love was never the same. Burying his caution under a laid-back smile made it easier to hide his regrets. When karma offers him a second chance, he wants to be the man everyone believes he is. His personal apprehension is harder to conquer. But Agnes Amendola needs him, and her daughter longs for something special to make her life complete, something in Geno's power to provide. Can he overcome his anxiety over his past mistakes? As their teacher said in first grade, Altimari and Amendola sound destined to be together. Maybe this time fortune will smile upon them. The Flynn's Crossing series is contemporary romance set in the northern California foothills, suspense-driven by small-town secrets and complex characters in compelling stories about friendship and love. You can enjoy the books out of order without ruining their surprises. *Our Missions*, 1902 *Masterpieces of German Poetry. Love Sense Dr. Sue Johnson, 2013-12-31 The bestselling author of *Hold Me Tight* presents a revolutionary new understanding of why and how we love based on cutting-edge research. Every day we hear of relationships failing and questions of whether humans are meant to be monogamous. *Love Sense* presents new scientific evidence that tells us that humans are meant to mate for life. Dr. Johnson explains that romantic love is an attachment bond just like that between mother and child and shows us how to develop our love sense, our ability to develop long-lasting relationships. Love is not the least bit illogical or random but actually an ordered and wise recipe for survival. *Love Sense* covers the three stages of a relationship and how to best weather them: the intelligence of emotions and the logic of love, the physical and psychological benefits of secure love, and much more. Based on groundbreaking research, *Love Sense* will change the way we think about love. *Monday Motivation* Aaron P. Mikulsky, 2022-07-09 Shortly after joining a new company, Aaron began writing weekly emails to his team. On Monday, July 21, 2014, he sent his first Monday MO. It was short. Care more than others think is wise. Risk more than others think is safe. Dream more than others think is practical. Expect more than others think is possible. Set excellence as your standard. Aaron received tremendous feedback that these weekly Monday MOs or Monday Motivations

were valuable People craved someone who cared about them personally acknowledged them and respected them They wanted to authentically be encouraged to learn grow improve and be supported People desperately longed for a jolt of positivity and motivation each week Time progressed and the influence of the Monday MO grew Colleagues outside of Aaron's organization wanted to be included in his distribution He was also asked to include spouses parents children and friends MOs were forwarded to others outside of the company who then asked to be included The audience soon became quite large and diverse The Monday MOs were based on topics relevant to the times something Aaron may have recently read or on a subject matter someone wanted him to write about He selected the ones that have stood out the most and has organized them by theme The final product is the book before you Unlike many books that are meant to be read from start to finish this book may be read in any order Pick a topic and read as many as you find beneficial Some may resonate more than others but the hope is that you find many that interest and inspire you This book is for you if you are a curious person who wishes to stretch your mind and get exposure to new perspectives Now go read a MO
