Cyr,

Christy Smith, 2012-01-10 Forever and Always tells of the ups and downs of the freshly discovered love of a young couple Patricia Heifelmeyer and John McDougal at the end of the Civil War The location of the book is New Orleans Parish the year of our Lord 1864 The war was almost over By now the entire eating area of the cabin was engulfed in flames which were quickly making their way to the door If they didn t get out soon there would be no chance of escape Sparks flew everywhere the heat was intense the smoke blinding We can do it Johnny Trish said reassuringly hoping that he didn t hear the terror in her voice Holding the twins tightly covering their faces with a blanket from the bed the four of them began their walk of terror through the fiery cabin to the safety awaiting them outside Johnny didn t have to be told to hold on to his mother s skirt he wasn t about to let go Slowly carefully they walked the thin path to safety Love laughter learning mystery secrecy and murder are all woven throughout the pages of this book The American Civil War raged from 1861 until 1865 and claimed

more than 600 000 lives Is John McDougal among their number Reviews graciously accepted Parenthood: A Lifetime of Growth and Learning Pasquale De Marco,2025-05-15 Parenthood is the most important job in the world but it is also one of the most challenging In this book we offer practical advice and support to help parents navigate the challenges of raising children in today s world We draw on the wisdom of experts and the experiences of parents from all walks of life to provide a comprehensive guide to parenting We cover everything from the joys and challenges of early childhood to the teenage years and beyond We discuss the importance of creating a strong family unit setting limits and boundaries and communicating effectively with your children We also offer advice on how to deal with difficult behavior manage stress and conflict and cope with financial difficulties We believe that all parents want what is best for their children But sometimes even the best parents need help This book is here to provide that help We hope that this book will be a valuable resource for parents of all ages and stages Whether you are a new parent or a seasoned pro we believe that you will find something helpful in this book We also hope that this book will help to start a conversation about the importance of parenthood We need to create a society that values and supports parents We need to make it easier for parents to work and raise a family And we need to provide more affordable childcare and early childhood education We believe that all children deserve to grow up in a loving and supportive home This book is our contribution to making that happen If you like this book write a review on google books **Pegasus** Patricia Rosset-McQueen,2013-09-25 Pegasus Ancient Greek Muse of Poetry is the authors first book of poems This reflects the peoples search for the truth of the past and of their ancestors using history and heraldry The book contains subjects of all kinds of famous people and art Becoming Good Parents Mufid James Hannush,2002-08-01 Argues that our struggle to become good parents can help us to become good persons **The Price of Nuclear Power** Stephanie A. Malin,2015-05-21 Rising fossil fuel prices and concerns about greenhouse gas emissions are fostering a nuclear power renaissance and a revitalized uranium mining industry across the American West In The Price of Nuclear Power environmental sociologist Stephanie Malin offers an on the ground portrait of several uranium communities caught between the harmful legacy of previous mining booms and the potential promise of new economic development Using this context she examines how shifting notions of environmental justice inspire divergent views about nuclear power s sustainability and equally divisive forms of social activism Drawing on extensive fieldwork conducted in rural isolated towns such as Monticello Utah and Nucla and Naturita Colorado as well as in upscale communities like Telluride Colorado and incorporating interviews with community leaders environmental activists radiation regulators and mining executives Malin uncovers a fundamental paradox of the nuclear renaissance the communities most hurt by uranium s legacy such as high rates of cancers respiratory ailments and reproductive disorders were actually quick to support industry renewal She shows that many impoverished communities support mining not only because of the employment opportunities but also out of a personal identification with uranium a sense of patriotism and new notions of environmentalism But other communities such as Telluride have become

sites of resistance skeptical of industry and government promises of safe mining fearing that regulatory enforcement won't be strong enough Indeed Malin shows that the nuclear renaissance has exacerbated social divisions across the Colorado Plateau threatening social cohesion Malin further illustrates ways in which renewed uranium production is not a socially sustainable form of energy development for rural communities as it is utterly dependent on unstable global markets The Price of Nuclear Power is an insightful portrait of the local impact of the nuclear renaissance and the social and environmental tensions inherent in the rebirth of uranium mining
