Love and Lies Do Not Mix Pete Frierson, 2019-02-21 Love and Lies Do Not Mix is an interesting and intriguing book about Love and Emotions It will show readers how Love can make a person do many things that others never imagined When love is attached to the mind and when the heart becomes involve life can change in an instant When emotions are involved with the mind anything is possible Sometimes emotion can work fine and other times emotions can unravel everything that Love has put together This book is collection of my thoughts Some from life experiences and other thoughts from folks who has experienced the good side of love and the bad side of love as well It will also show that there is more happiness in real and faithful love than love in general My poem a mixture of love will capitulate all my thoughts *The Dishonest Machine* William C. Augustine Jr., 2015-06-25 The Dishonest Machine takes you on a multifaceted quest to clarify many of today s concerns about raising new age children William C Augustine was born the son of a share cropper in the small town of Marksville Louisiana on September 17 1961 He is a Southerner and his passion is rooted in the South where most people would tell you is God s country Getting a major education later in his life starting at Walden University in 2011 and later at Saint Leo University to study Psychology in The life and poetical works of James Woodhouse, ed. by R.I. Bermuda Triangle A.K. Seals, 2014-01-28 Bermuda Triangle s author has always been fascinated with the region s meteorological forecast The triangular shape of the area and its mysterious history of vanishing modes of transportation was the catalyst of the book s title But what truly sparked the idea of this title was the female reproductive area The triangular shape of women s reproductive area could be looked at in a number of ways The ovaries to the depth of the uterus and down to the cervix Or the breasts to the genitalia This is the area where human life develops but also holds an energy of life outside of the physical growth of another person This context of energy is creation contributions and interacting with others We all encounter many obstacles in our lifetime How do we address these challenges Bermuda Triangle is a story of dozens of women and how their particular dilemma comes to a resolve Their age range varies across the spectrum Each situation has a sense of familiarity something anyone could relate to We all live our lives according to what we ve experienced over time Sometimes it works out in our best interest and other times it does not Even when it does not that doesn t mean a lesson was not learned Bermuda Triangle wants its readers to be reminded that we are all in this together the travels of life When God Breathes Wayne Kniffen, 2024-04-01 When God Breathes may sound like there may be times when God does not breathe On the contrary God is breath Without the breath of God there would be no life and if God stopped breathing out we would stop breathing in Not only does the breath of God impart life but His breath is also the only thing that can sustain life When God formed the physical body from the dust of the ground for humanity to live in it was lifeless And the Lord God formed man from the dust of the ground Genesis 2 7 NKJV The physical body was created vacant It was only a suit for the spirit and soul

to live in The body in and of itself cannot know God love God or serve God It was formed with no life residing within But when God breathes things come alive Now humanity has the ability to know God love God and to serve God What made this possible Join the author as he explores how God imparted His divine nature into Adam and how the breath of God keeps us from coming apart Bread Milk and Love Have Expiration Dates M. M. Wilson,2007-08-02 All the good men are not yet taken though it may seem that way from the forty one lies being told to achieve the ultimate sex from another relationship in Bread Milk and Love Have Expiration Dates One could easily say that love thrives on flattery and even without an erection sex is still on their brains But understand that men think of sex every 53 seconds while women think of it one to four times a day So what does a woman need to know Love does not expire with time so consider taking the mystery to the next level so that your partner cannot get enough of you Do fun things together and put the sizzle back into your marriage or relationship to avoid the enticement of Til Temptation Do Us Part God created you in love He did not create you to live loveless and in misery Life is meant to be shared and to experience love together You need to search him out find out what he enjoys and stimulate his needs Become a child like nature and spice up your life live and love the moment be smart get out of your comfort zone once in a while try new directions and go for the life you want That could be the key to having your partner around for a lifetime without him sneaking out to get the extra gravy from someone else God's Shelter for Your Storm Sheila Walsh,2011-06-20 In a world of uncertainty pain and struggle where do you go to find solid and steadfast assurance Gifted Women of Faith speaker Sheila Walsh offers powerful heart filled teaching on ten bedrock promises of God providing the foundation for daily living with confidence hope and joy Sheila unveils principles that provide unshakable security during even the most difficult times by weaving her hallmark storytelling personal experiences and applicable Scripture to help readers gain a trust in God that will sustain them for a lifetime *The Ten People You Meet* Chris Vobe,2025-03-08 A river winds around the neck of time The reeds and the memories the fables and rhymes The author of The Water Tower returns with a tender collection of writings steeped in the landscape of his North West hometown The Ten People You Meet is a delicately constructed thought provoking anthology which offers a powerful and fresh exploration of familiar motifs Through the eyes of its diverse cast of characters themes such as love and loss are re examined with a generous honesty blending sorrowful reflections and candid narratives with the author s customary humour and endearing optimism Each study is painted large across an original and authentic canvas upon which we find a carefully crafted series of still lifes Also included is The Gospel a unique interconnected cycle of lyrics encompassing meditations on faith distance remorse and redemption featuring Conversations with God Ascension and the breath taking Amor Incorporating poetry prose and a selection of Chris Vobe s own photographs and littered with moments of mesmerising beauty The Ten People You Meet seeks to redefine the nature of an anthology delivering a commanding immersive portrait of life death and our relationship with God Containing the short stories The Christmas Bauble The Wolf and Fishing a brand new tale set in Little Bassington featuring the

The Vows of Religious Life in a Secular Society Judith A. Merkle, 2025-08-21 This book investigates religious vows shedding light on the type of faith that can sustain humanity in secular times It examines the personal impact of religious life as well as its potential to foster a sense of completeness within society at large Unbelief in today's society can be partially rooted in the shallowness of the sort of religion that the secular can abandon Such a religion characterized as magical shallow illusory or rooted solely in external rituals lacks the depth required to thrive in a secular society It fails to address the profound aspects of human existence the authentic freedom of the spirit and the enduring obedience of faith This study of religious vows uncovers their deeper meanings in light of these challenges It invites us to consider whether religious life despite contemporary criticisms can be seen as touching wholeness This book does not only delve into the theological foundations of these vows but also key areas which impact their understanding and living in new contexts It surveys sociological landscapes and goes beyond to encompass shifts in science psychology theology Religious life in this sense is part of the renewal of the church as well as an agent in it By focusing briefly on each vow Judith A Merkle illustrates how religious life serves as a bridge connecting the secular and the sacred It is a life focused on love of God and service of others which is a witness to the coming of Kingdom of God and values which truly matter in contemporary society

Open Your Eyes Angie Briggs Frye, 2012-03-22 We all have dreams and plans for our lives but what happens when they start to unravel or get lost altogether It can be easy to stay in a desperate hopeless way of living but we have a God who is ready to give us hope No one ever said it would be easy this thing called life in fact Jesus said in John 16:33 that In this world you will have trouble but take heart I have overcome the world This is my story of finding God after my plans failed and my dreams died My hope was shattered and my heart was left in many broken pieces I knew that God was the only way I could get through the pain I cried out to Him and He answered God spoke to my heart in a special way and let me know that He could hear me God was waiting patiently for me to turn to Him to trust Him to get to know Him and once I did I came to know the kindness of Jesus and the power of His saving grace I realized that my greatest disappointments and toughest trials revealed the inner strength I had deep inside Through these trials I came to know the meaning of the word redeemed and to understand the price that Jesus paid for my sins He helped me to accept His love so that I can be ALL that He has called me to be Through this study I pray that you will see that He wants to do that for you too Just open your eyes Seek Him and you will find Him
