Love's Magic Traci E, 2008-03-01 Five year old Stephen's mother is dead yet her spirit hovers over Stephen. It urges him to go down to the basement where the wooden box etched with demons is kept. For Stephen is meant to be the demons' instrument to punish his mommy's persecutors. Original *Love's Magic Collection - Books 16-21* Betty McLain, 2023-06-17 Books 16-21 in Betty McLain's *Love's Magic* series of sweet and wholesome romance now available in one volume *Love's Voice*. Mariam Janice Semp was on the run; someone wanted her dead. The voice in her head had kept her alive; others weren't. So fortunate Darrin, her older brother, was off serving in the army. She tried to reach him but he was off base so all she could do was leave a message. When Alex received the call from his brother asking to help a friend find a missing sister, he happily agreed to help. As a private investigator, this was what he did. He had no idea how personal the case would become. But with dangers all around and powerful people conspiring to see Mariam dead, will his team and the help of a few guardian angels be enough to keep everyone safe? *Love's Helper*. She loved him from the time they were children, but Sandy never treated Minnie as anything other than an honorary little sister. Still, Minnie held out hope that one day they could be more. Then her guardian angel prompted her to seek help. With her brother missing, there was only one place left to go. Sandy listened to the fearful plea for help and jumped into action as he would for any friend in need, but the feelings he had for Minnie were not that of simple friends. Thrust together by fate, the love they each held in secret bubbled under the surface. But before they could be together, he had to find a way to keep her safe. *Love's Tuna Salad*. Stan worked for Avorn Security, a group protecting the innocent from many threats, including the witch hunters. He never expected to find the hunters stalking one of their own. Rissa watched Stan from the safety of her window until the day he rescued her from those who would do her harm. With many young girls in the crosshairs, Avorn's team must work fast if they hope to dismantle the threat. But who is the Preacher, and how many has he influenced to do his dark work? *Love's Vigilante*. Avorn Security Building was an unusual place to work. Everyone who worked in the building went through a vetting process. You couldn't be too careful when most of the staff could hear the voice of their guardian angels. Even among the strange, Taylor and Becky stood out. Born in a hidden city and possessing unusual abilities, they were taught to hide their gifts and tread carefully. But Taylor couldn't help herself. Disillusioned by the disappointment of one too many men, she reached down and drew on the powers inside. The powers of the Vigilante. *Love's Dilemma*. Selma grew up protected, hidden from the world. She was expected to live out her life in that place, but one look at the face of her true love reflected back to her in her family's magic mirror, and she knew her future was somewhere else. Sal was no stranger to unusual abilities. He shared the gift of hearing the guardian angels. So when his angel told him Selma was his true love, he believed it, but she was still young. He didn't want to rush her into a serious relationship before she was ready. They agreed to take things slow, but sometimes destiny has other plans. *Love's Familiar Face*. Boy meets girl, gets married, has children. That's the plan. But real life can be a bit more complicated. Cory and Cole were twins separated in infancy. But they had a bond that would not be broken. Determined to see his boys reunited, their father kept the connection.
