village Willowbrook desperately needed these herbs to combat the mysterious sleeping sickness that had befallen nearly half its inhabitants As the village s only trained mage the responsibility weighed heavily upon her slender shoulders Lyra paused at a fork in the path consulting the worn map her mentor had given her before his own passing into the eternal sleep The parchment trembled slightly in her hands whether from the morning chill or her own nervousness she couldn t say According to the ancient markings she should reach the grove by midday just as the sun reached its zenith and the magical energies would be at their strongest for harvesting
