Busting Loose From the Business Game Robert Scheinfeld, 2011-01-04

The Business Game here shows how you can win. Are you a business owner, manager, or employee who struggles with Taxes, cash flow, sales, and profits? Marketing and advertising effectiveness? Hiring, motivating, and managing talent? The economy, stock market, and competitors? Bosses, boards, stockholders, and partners? Never ending to-do lists and sacrificing your quality of life to succeed? If you answered yes to any of these, you've been playing The Business Game and suffering the consequences. Even if you're rolling in profits right now, there are hidden costs you're paying to earn that money, money that's always at risk. You learned the rules and you've been faithful to them, thinking you can win. But you can't really win The Business Game because it's designed to be unwinnable: that is, as long as you play by the rules you were taught. The only way to truly win is to bust loose from the old game and start playing a new game with a new set of rules. This book helps you discover who you really are, what you're really capable of, and how you can tap new sources of power, wisdom, and abundance to radically transform your experience of business. When you bust loose from the old game, you'll suddenly be playing a new game. For the sheer pleasure of playing with no worries about sales, marketing, profits, cash flow, taxes, other people, or personal income. Entirely unaffected by the economy, stock market, competitors, or technological innovation. Having more fun with less effort than you've ever experienced. Doing only what you love to do all day every day. Watching as amazing results come your way without having to make it happen. It may sound unbelievable, but it's entirely possible. You can do it if you open your mind and embrace the strategies in this book. Busting Loose from The Business Game leads you into a New Business Game filled with results and satisfaction beyond anything you've ever imagined possible. Read on and bust loose.

Love Gavin Buckland, 2019-08-08 In 1960 the wealthy owner of the Merseyside-based Littlewoods corporation John Moores took control of Everton Football Club, setting in motion a chain of events that still affect the game in this country today. Everton had enjoyed success before Moores's takeover, but things would never be the same again from the moment he walked through Goodison's doors. Although big clubs had spent money before, none had done so with such naked short-term ambition and a ruthlessness to succeed that sent shockwaves through the previously stagnant world of English football. The new owner's ruthless streak was personified by his first major move: sacking the popular Johnny Carey in the back of a London taxi in April 1961. Everton would finish that 1960-61 season in fifth place, their highest position since World War Two, but the Irishman's affable nature cost him his job. In his place, Moores wanted a man in his own image to lead the club forward, and he soon found him: Harry Catterick. Catterick was little over 40 years old and had been an Everton player himself only ten years before. But as a boss, he exuded an aura that demanded respect and obedience from his players. It was a characteristic that won him few fans but plenty of trophies, and across the decade Everton reasserted themselves as one of English football's powerhouses, winning two league titles and an FA Cup. Catterick's ability to nurture young products of the

club's youth set up such as Colin Harvey and Joe Royle was trumped only by his mastery of the transfer market allowing him to sign the great Howard Kendall from Preston North End and World Cup winner Alan Ball from under his rivals noses Harvey Kendall and Ball would soon form the club's greatest midfield trio and their brilliance would underpin the 1969 70 title win a victory for free flowing football in an era of cynicism That trophy would be Everton's last major honour for 14 years In Money Can't Buy Us Love Everton's official statistician Gavin Buckland tells the tale of how Moores and manager Harry Catterick took the so called Mersey Millionaires to the summit of English football in the context of the major cultural changes of the time The book provides a forensic character study of both Catterick and Moores and also delves into the archives to provide a definitive account of the incidents that rocked the club in a fruitful but turbulent decade including allegations of doping in the 1962 63 campaign the 1964 match fixing scandal which signalled the end of Tony Kay's career and the shock sale of Alan Ball Money Can't Buy Us Love offers fascinating insight into how strong personalities can take a team to the very top but can also cause in its ultimate downfall
