Beyond My Reach M. E. Sapphire, 2003 An endeavor of love is the only way to aptly depict the motivation and deep love flowing from her heart into this poetry compilation from the outside to the inside *Beyond My Reach* is unique in that it was written from the free world to an incarcerated lover With much love more than 200 poems were written to express the intense love thriving within this lonely sweetheart during the last four years the length of their heated romance from a distance Ms Sapphire's amorous declarations of devotion were the only inspiration needed to profess her passion and write the first poem I Close My Eyes She never imagined then the poetry would someday amass into a quantity great enough to fill a book Written solely to verbalize new emotions of love each poem in this book was inspired by one young man confined behind tall concrete walls and razor wire of the penal system BEYOND THE WALLS Each day you face a dismal existence Wondering what's beyond that prison wall So many youthful years you've wasted What made you err you barely recall Double locked doors quarantine your life In triple layered concrete cages Tall dual fences loops of razor wire Stand sentinel over inmates of all ages Incarceration has taken a deadly toll on you Never trusting dreading each new dawn Privacy embezzled by constant vigilance Leaves you silent fearful and withdrawn The world is soon forgotten behind the walls As you obey endless ever changing rules Constantly watching your back danger lurks Fearing brawls protecting your family jewels Being an inmate with untainted record Double locked doors will surely open for you Living on the outside can soon resume You've learned your lesson freedom is overdue Your true love awaits you beyond those walls When you're thrust from that dismal womb Born again to embark on a new journey You'll emerge from your dungeon of doom March 12 2001 For more

Who One Is J.G. Hart, 2009-04-21 Both volumes of this work have as their central concern to sort out who one is from what one is In this Book 1 the focus is on transcendental phenomenological ontology When we refer to ourselves we refer both non ascriptively in regard to non propertied as well as ascriptively in regard to propertied aspects of ourselves The latter is the richness of our personal being the former is the essentially elusive central concern of this Book 1 I can be aware of myself and refer to myself without it being necessary to think of any third personal characteristic indeed one may be aware of oneself without having to be aware of anything except oneself This consideration opens the door to basic issues in phenomenological ontology such as identity individuation and substance In our knowledge and love of Others we find symmetry with the first person self knowledge both in its non ascriptive forms as well as in its property ascribing forms Love properly has for its referent the Other as present through but beyond her properties Transcendental phenomenological reflections move us to consider paradoxes of the transcendental person For example we contend with the unrepresentability in the transcendental first person of our beginning or ending and the undeniable evidence for the beginning and ending of persons in our third person experience The basic distinction between oneself as non sortal and as a person pervaded by properties serves as a hinge for reflecting on the afterlife This transcendental phenomenological ontology of necessity deals with some themes of the philosophy of religion *Love Beyond Limitless* Pasquale De Marco, In the realm of human emotions love stands as a beacon of hope a force capable of transforming lives and shaping destinies Its essence as elusive as it is profound has inspired countless works of art literature and music throughout history This book embarks on a journey to explore the multifaceted nature of love unraveling its mysteries and revealing its enduring impact on the human experience Within these pages readers will discover love's ability to transcend boundaries connecting hearts and souls in ways that defy distance and time Love's transformative power is illuminated as it kindles passions fuels aspirations and mends broken spirits The healing balm of love soothes wounds restores faith and ignites a flame of resilience in the face of adversity Love's role as

a catalyst for social change is also explored showcasing its power to inspire movements for justice equality and peace It has shattered barriers reshaped societies and united people from all walks of life in a shared quest for a better world The transformative potential of love is undeniable as it breaks down walls bridges divides and creates a tapestry of human connection The complexities of love are not overlooked as the book delves into the challenges and heartaches that accompany this profound emotion It acknowledges the vulnerability and pain that can arise when love is tested yet it also highlights love s resilience and its ability to emerge stronger from adversity Through the crucible of experience love is refined and deepened revealing its true essence as a force that can heal forgive and persevere Ultimately this book celebrates love in all its forms recognizing it as a gift to be cherished and nurtured It invites readers to embrace love s transformative power to let it illuminate their lives and to share its radiance with the world With eloquence and passion the book explores love s boundless realm leaving readers with a deeper understanding of this enigmatic yet essential emotion If you like this book write a review
