Gene D. Matlock,2001-09 You can and will increase your intelligence dramatically after reading this book only once If you can understand what I have written here you are already a potential genius Once a person learns how to disentangle his beliefs and non beliefs from what is real existential or true in the sense that electrical power the sun and other realities are perceived as beyond contradiction mind power automatically grows by leaps and bounds When a person or society s beliefs become dominant the more primitive and uneducated he or his nation becomes Savages primitives ignoramuses and dummies are just people who have allowed beliefs and non beliefs to enslave their minds Belief systems lie at the bottom of human awareness Harness your beliefs and you ll sit at the driver s seat of your mind This book will train you to do this after reading it only once **The Bigwig** Murphy Wallace,2025-06-23 D is like a forbidden fruit and I m aching for a taste The last thing I expected on a quick trip to Greece was to be seduced by Adonis reincarnate But the desire to let down my guard for once was too strong to deny After one night of unbridled passion I left his bed resigned to the fact that I ll never see him again I didn t count on my dreams haunting me consuming me Causing me the kind of agony only his touch could alleviate And I sure as hell didn t expect my carnal one night stand to be my new pompous unapproachable boss With Carley I want it all Waking up alone after the single best night of my life hurt me in a way I never expected it would One taste of her was all I needed to know that I was hooked for life For an entire month I searched for her only to find her in a skin tight pencil skirt that made me want to bend her over my desk and remind her of what she walked away from I didn t count on the battle we would fight the obstacles that would hinder our path to love But I knew we could overcome everything thrown our way Even with the odds stacked against us and our very survival at stake
