The Life Manager and Other Stories Mirela Roznoveanu, 2004 In Mirela Roznoveanu s new book of fiction human love is everywhere but strangely hard to find *Love* animates a world where the tangled web of sexuality commitment language place and history entralls us with its tantalizing detours its cruel pretenders and its unexpected pleasures These tumultuous pages introduce us to people we can instantly recognize and never forget From adventures that vividly signal a lifetime s meaning each returns with something new something utterly different from that which was sought Here in her first major work in English we find the pulsing streaming vision of time place history and character that distinguishes Roznoveanu s work in her native Romanian Roznoveanu restores a visionary spirit lost to English for two or more generations These stories come to us in the circuitous wake of the great early modernists offering prodigious healing power for the grave psychic wounds that have afflicted the human condition since the crucial turning point of 1945 *The Life Manager and Other Stories* scintillates with cascades of luminous images and narrative reversals that seize our attention and don t let go This is a book to return to again and again for its endlessly intriguing glimpses of the elusive peace and joy our souls thirst for

Goodbye My Love and Other Stories Marcus A. Stockton, 2017-11-16 There are two ways that a person can walk in this life You can either walk into your blessing or walk into your curse How can you do that You can do that by doing things that are natural for you to do Success at anything is not by chance or by luck It is seeing things you have already been doing brought to fruition Therefore successful people are not surprised by their success They actually knew it would happen before it happened The blessing is the reward for a life of integrity and commitment to achieving goals and setting standards What

is the curse It is all the negatives that we curse our lives with the negative friends the negative conversations the negative situations An unsuccessful person who continues to put himself or herself in those situations in those conversations and around those people will bring a curse to their lives that they will never be able to shake I am grateful for the friends and the relationships that I have been blessed with in my life They have helped me to overcome all the obstacles of life And that is what any man needs incarcerated or free people who believe in him when no one else in the world does
