Merseyside April was a frail child who knew pain and resistance her whole life But at just seven years old she came to faith and was convinced that God had called her to leave her home behind and move to Africa When in university she was finally old enough to apply to work with street children in Africa but was turned down That didn't stop her Nothing would After training to become a teacher April applied again to leave the UK behind and serve God in Africa This time she got a step closer to her calling she was sent to Egypt for training Soon after her chance came She transferred to one of the most tumultuous war torn regions of North Africa There she set up homes for boys scarred by war fleeing violence seeking safety There she God do the impossible and offer a beacon of hope in an area of conflict and fear She also saw her own life thrust into danger as political shifts had turned many of the population against anyone who looked like her like the American forces that were now invading After escapes that were too close for comfort April returned to the UK But her work wasn't finished yet A remarkable story of one woman's complete faith in God They Called Us Love is a moving and powerful real life story of mission and ministry

the new year should be the year of decisions for him to gain his love in marriage or perhaps to end his life and he began the new year with a creative venture unique in literature Starting on January 1 Anderson secretly wrote and hid away for Eleanor Copenhaver to find after his eventual death one letter each day letters that she should someday discover whether they had ever become married or not and thereby relive in her memory their days of intense lovemaking a mutual despair about their then unlikely marriage Found by Eleanor Copenhaver Anderson only at Sherwood Anderson's death in 1941 and then preserved intact by this grieving widow who had married Anderson in 1933 the carefully hidden letters of 1932 recording their intense and seemingly doomed love affair have remained secret until now Chosen by Eleanor Copenhaver Anderson before her death in 1985 to publish her husband's secret love letters Anderson scholar Ray Lewis White has prepared a fascinating edition of these unique letters for the enjoyment of students and scholars of literature as well as for all other readers who savor compelling and inspiring stories of loss and love **The Gramophone** ,1924
