The Prophetic Call to Love and Justice Arnold H. De Graaff, 2025-06-20 Scripture s compelling message of love and justice is powerfully relevant for today The implications of the Amsterdam way of interpreting Scripture are evident throughout the book It is both a personal and timely way of speaking to our disintegrating society *The Prophetic Call to Love and Justice* provides a meaningful and radical yet simple way of re connecting with the Bible As one of the founders of the Amsterdam way of interpretation Karel Deurloo stated The opportunity to learn anew and understand the language of the Bible has been taken away Often the focus is on the assumed origin and history of a text a historical literary approach or a fundamentalist view creating a fragmented moralistic and doctrinaire emphasis which has alienated many from churches Instead Deurloo and others focused on the prophetic meaning that speaks to all of us as the living word of God today This

alternative is rooted in the Hebrew Scriptures Its abiding prophetic message of love and justice is reiterated in the Gospels and apostolic letters Hence the choice of subtitle Rediscovering the Old Testament It is a joyful journey of discovery finding new meaning in the Bible for our lives A Living Tradition Dr. Mary Elizabeth Mullino Moore,2013-09-17 This book engages in a critical recovery and reconstruction of the Wesleyan theological legacy in relation to current theological concepts and Christian practices with the intent to present opportunities for future directions The contributors address urgent questions from the contexts in which people now live particularly questions regarding social holiness and Christian practices To that end the authors focus on historical figures John Wesley Susanna Wesley Harry Hoosier and Richard Allen historical developments such as the ways in which African Americans appropriated Methodism and theological themes such as holistic healing work and vocation and prophetic grace The purpose is not to provide a comprehensive historical and theological coverage of the tradition but to exemplify approaches to historical recovery and reconstruction that follow appropriately the mentorship of John Wesley and the living tradition that has emerged from his witness Contributors W Stephen Gunter Richard P Heitzenrater Diane Leclerc William B McClain Randy L Maddox Rebekah L Miles Mary Elizabeth Mullino Moore Amy G Oden and Elaine A Robinson **THE PROPHETIC THROUGH THE EYE OF THE EAGLE** Prophet Linda Morales,2012-04-23 In the beginning we were created in God s own image according to Genesis 1 27 So God created man in his own image in the image of God created he them That means we were created as a spirit So even before we inhabited our bodies as the Word of God says in Genesis 2 7 we were taught by God the Father John 6 45 It is written in the prophets and they shall be all taught of God Every man therefore that hath heard and hath learned of the Father cometh unto me The Prophetic allows us to move in the realm of the spirit in such a dimension that we are able to see smell taste hear and even touch Read Hebrews 5 14 As we begin to walk and live in the spirit as the Word of God says in chapter 5 of Galatians we need the understanding and the revelations by The Spirit and Truth I have written this book in hopes of giving understanding in the way God has shown me May the Lord Jesus Christ bless you as you read The Prophetic Through the Eye of the Eagle

Holy Spirit, Holy Living Antipas L. Harris,2013-07-26 The language of holiness seems outdated It is a word that comes to us thwarted by a negative history associated with undesirable restrictions and oppressive legalisms What do you do with a term that has been negatively socialized even among churches when the God of the Bible clearly states that He wants His people to be holy Holy Spirit Holy Living aims to dust off the discarded idiom and rediscover the depth and splendor of holiness What are some practical implications for theological and spiritual practice Two broad categories express the particularity of the Church in the world As such the Church must maintain peculiarity to the world First holiness properly understood speaks to being and acting in a way that reflects both a regenerated life in Christ and the ongoing renewal in Christ by the power of the Holy Spirit Secondly holiness as a lifestyle must include at least three principles rest being and doing These three standards undergird a life of conviction of faith and practice worship for God and service to others A holy

Stamoulis, 2022-08-25 The philosophical and theological study of aesthetics has a long and rich history stretching back to Plato's identification of ultimate goodness and beauty together representing the eternal form Recent trends in aesthetic theory however characterised by a focus on the beautiful at the expense of the good have made it an object of suspicion in the Orthodox Church In its place Greek theologians have sought to emphasise philokalia as a truer theological discipline Seeking to reverse this trend Chrysostomos Stamoulis brings into conversation a plethora of voices from Church fathers to contemporary poets and from a Marxist political theorist to a literary critic Out of this dialogue Stamoulis builds a model for the re appropriation of Orthodox's patristic and Byzantine past that is no longer defined in antithesis to the Western present The openness he proposes allows us to perceive afresh the world shot through with divinity if only we can lift our gaze to see it Dismantling the false dichotomy philokalia or aesthetics is the first step The Prophetess and Bishop Love Episode Destiny Boaz, 2025-07-23 The Prophetess and Bishop Love Episode Overcoming Adversity Destiny Boaz a Prophetess of God is the first to bring out a true open honest and transparent story to let her readers know how she survived her Bishop of twenty years who had narcissist Jezebel witchcraft behaviors that almost destroyed her life under his leadership Her deep insight and vast knowledge of human behavior empowered her to unveil the root cause of narcissism and childhood trauma Prophetess Destiny believes that Deliverance Counseling and Inner Healing must take place in the lives of the Servants of God Closure is very important for one to move forward This book will appeal to readers leaders men as well as women because the Church is in trouble with leaders who have narcissistic behaviors toward strong women of God This book will help them identify why you must address your childhood issues and receive deep inner healing for your internal trauma before leading others Ladies how can a man truly love you when he doesn't love himself Over the past four decades in the church world and in the business world leaders have lost their personal power and influence Leaders have lost their families churches companies and followers because of a lack of healing unattended childhood wounds Leaders addressing their issues to achieve closure in relationships is very important for their

success in leadership in this 21st Century Deliverance Counseling Inner Healing and a Prayerful Relationship with Jesus Christ give us the opportunity to live open honest and transparent lives the only path to freedom and peace of mind Many leaders are surprised to discover that their anointing and giftings alone were not enough to prevent their downfall Why did they fail in the end Because they lacked the one quality that would have protected their leadership and given them enduring influence and steadfastness without failing when God puts their character to the test The qualities of personal growth character building and sustaining success are seldom taught to leaders today You cannot win without opposition and you need adversity to overcome Your God given purpose is not a church cliché You must be willing to go through the fire to be purified and ready for the Master's use God allowed me to go through my ex Bishop who had demonic narcissist Jezebel behavior that almost cost me my life I was determined not to waste my personal pain God let me live so that I could inspire and empower you to get delivered from leaders who are suffering from spiritual diseases and are refusing to take responsibility for their actions Bishops Pastors need to take a deeper look at the first twelve years of their life and see the men in the mirror of God's Word who are hurting and need healing You must heal yourself then know yourself then grow yourself and then grow others This book will help you find true meaning and fulfillment of who God created you to become It will guide you in the discovery of greater self awareness It will catapult you to a new level of personal growth authenticity and fulfillment I pray that my mentorship through this book will inspire the hearts and minds of leaders to do what is right in their churches and organization and become more of an inspirational leader and mentor to your mentees I am passionately committed to helping leaders and women to develop their character and leadership influence in their communities Leadership should not be given to people who have not yet been tested and tried Always remember that your gift is different from your bondage so leaders need to work more on their inner life to preserve their leadership influence so that it is effective productive and fruitful in society God has chosen and anointed me to become a part of the solution instead of the problem I was determined not to waste my personal pain God let me live so I could inspire and empower leaders to live life to the fullest The guidance in this book will catapult you to a whole new level to becoming an influential leader [Sourcebook for Sundays, Seasons, and Weekdays 2024](#) Kathryn Ball-Boruff, Jessie Bazan, Mary A. G. Reitsma,2020-07-31 All too often a Christian response to Islam is rooted in antagonism and steeped in defensiveness and fear Yet the church is not called to engage in a battle with Islam in order to conquer Muslims and when we as Christians wield apologetics like a weapon and shroud the message of Christ's sacrifice in the armour of polemics we destroy the credibility of our witness even as we seek to save the lost Bernhard Reitsma invites the church to rediscover a Christ like approach to Islam an approach that roots itself in love vulnerability and fearless embrace Far from ignoring the complex challenges faced by Christians living in Muslim majority nations or in Western countries where Islam is on the rise Reitsma addresses practical concerns such as persecution political power the nation of Israel and contextualization all within a thoroughly biblical and Christ centered framework Reitsma reminds us that the church's calling is not to defend Christendom but to reveal the glory of Christ To that end let us lay down our weapons take off our armour and introduce our Muslim brothers and sisters to the vulnerable unconditional love of Christ Catholics on Call Robin Ryan,2010-10-01 What do you really want to do with your life Who do you want to be in your life How does God speak to you about your life This volume like
