What Does the Lord Require? James L. Killen, 2004 Contemporary life is filled with a host of contentious moral and social issues There are many thorny topics both personal and political which bring out a cacophony of opinions that can overwhelm us While we are inundated with questions there often seem to be no clear answers So how should we respond As Christians we must constantly ask ourselves What

does the Lord require of me In this outstanding collection of meditations James Killen examines many of today s hot button issues with an eye toward helping readers think through their beliefs and responsibilities Mindful of our call to live in faithfulness to God s purpose each essay draws on the Bible and the Christian faith to discern how God would have us respond to the emerging situations of our world s history What Does The Lord Require is topical inspiring reading and with thoughtful discussion questions at the end of each meditation it s an excellent resource for adult classes or study groups as well as for a sermon series that is sure to connect with congregations Among the issues addressed are religious pluralism economic justice materialism environmental stewardship gender roles suicide abortion personal integrity homosexuality AIDS race relations war The timid pulpit is too often the platform of pastors who choose not to unsettle their parishioners As a result words that address the critical social and moral issues of our day go unspoken The messages of this book inspire the reader to new heights of courage as these difficult issues are presented with clear forthright challenges You will be informed and motivated as the cost of discipleship awakens your Christian journey in the 21st century Joe A Wilson United Methodist bishop James Killen does a remarkable job of reminding us that being a Christian is more than individual religiosity Rather it encompasses every facet of our existence personal and corporate These meditations explore issues that Christians cannot afford to ignore A must read Brig Gen Hiram Doc Jones USAF retired Former Deputy Chief Air Force Chaplain Service James L Killen has pastored a variety of congregations during a 45 year career in the ministry ranging from a small open country parish in northeast Texas to Trinity United Methodist Church in Beaumont Texas a 2 000 member church with a television ministry serving all of southeast Texas and southwestern Louisiana A graduate of the University of Houston and Perkins School of Theology at Southern Methodist University Killen s work has appeared in several publications including Preaching Pulpit Digest Circuit Rider The Upper Room and the Abingdon Preaching Annual He is also the author of Who Do You Say That I Am

End of Mood Disorders Michael E. Goldberg, 2008-10-29 End of Mood Disorders approaches depression and other mood disorders as energy problems and deficiencies as well as spiritual disorders As a result this book recommends energy related and spiritual techniques to help cure depression and other mood disorders This book focuses on our ability to harness healing energy to correct the havoc caused by negative energy and energy drainage in our daily lives It recommends ways to control the ego and minimize conflict in our daily lives in order to reach and maintain a happy and serene state of consciousness and peace of mind It recommends ways to fortify our energy systems to combat the adverse affects of negative energy and energy drainage caused by the slings and arrows of life These techniques are designed to fortify our auras chakras and energy channels we learn to drive out and repel negative energy prevent our further attraction of negative energy and draw in positive healing energy All this helps cure depression and other mood disorders These techniques involve meditation Reiki methods to attract and absorb positive healing energy using positive thinking prayer love kindness love of self and others positive thinking and action and chakra balancing and aura protection to heal depression and other mood

disorders These techniques also bolster our ability to consciously refrain from generating negative energy and also end obsessive thinking mental spinning and ruminations that bombard us with negative energy and drain us of vital life force energy This book also focuses on the relationship between brain chemistry and energy and how brain chemistry can be changed for the better with positive thinking and positive energy This book approaches depression and other mood disorders as spiritual deficiencies Therefore it advocates spiritual healing to address spiritual deficiencies Spiritual healing includes meditation prayer kindness and living within ordinary moral and ethical commandments of organized religion This book provides techniques to consciously identify negative thinking obsessions ruminations and mental spinning and then consciously snap the mind back to be in the moment and on task and in positive territory This book employs meditation techniques to enable a person to integrate more fully with his or her higher self and inner child to reach and maintain a state of balance love happiness and serenity It also provides techniques to stop impulsive and negative reaction to stressors that create negative energy and deplete vital life force energy This ensures that our emotions thoughts and actions will minimize our production of harmful negative energy In the end depression and other mood disorders result from i the accumulation of negative energy in our auras chakras and energy system that manifests itself as shadows and blockages in our energy system and ii the depletion of our vital life force energy Negative energy that is stored in our energy systems makes it impossible for us to draw and use positive healing energy to cure depression and other mood disorders It is also our bombardment by and reaction to negative energy and stressors and our attachment to negative memories thoughts emotions and people that cause the depletion of our vital life force energy The techniques in this book teach us to sever unwanted attachments to painful emotions thoughts and memories and negative people to bolster our energy systems The techniques in this book teach us to end the mental spinning and obsessive thought patterns and ruminations that drain us of vital life force energy and bombard us with negative energy The techniques in this book teach us how to cleanse and fortify our energy systems so they will be able to easily draw process and distribute positive healing energy The techniques in this book teach us how to repel negative energy and prevent energy drainage caused by negative toxic people and unconscious and intentional negative energy
