Love Starts With You:

Shreemad Bhagavad Gita Paramahansa Sri Swami Vishwananda,2016-05-31 The Shreemad Bhagavad Gita is one of the most ancient scriptures in the world It contains the direct word of God spoken for all of mankind irrespective of religion or tradition Its philosophy and teachings are central to human life It teaches us to live our daily lives in Divinity as a service unto God and His creation It achieves this by gifting us true knowledge faith devotion surrender detachment and a release of expectations and ownership over one s own actions It comes as a stark contrast to the lives with which we have grown accustomed to leading Today s world is filled with constant desire for material wealth sense pleasures individualism and egoism The Gita acts as a lighthouse on the shores of Vaikunta guiding lost sailors at the sea of illusion to safety But like any teaching time and unqualified minds can distort it and misunderstand what is contained within It is for that purpose that the Lord continuously takes birth on earth in the form of the Guru to revive the true essence of the Gita to show the simplicity of the message of Bhagavan One such Master is Paramahansa Sri Swami Vishwananda and in this book which is his personal commentary we hold a treasure chest of spiritual insight

Subcommittee on International Organizations,1978 **The Present.** Jason Paul Jelicich,2016-12-27 When is the last time that you did nothing for 10mins Not reading not watching TV not even thinking For many this seems an impossible feat Life is just too busy We have become so consumed by our work smartphones and gossip that we have lost touch with our natural selves This disconnection is the root cause of much of the pain we suffer a pain that arises from our resistance to what is You likely have been thinking about doing something about this for a while now knowing that your current trajectory leaves little left in the tank for self care Like most of us you have experienced that feeling of restlessness that keeps your mind whirring even in moments of repose The world just keeps on getting faster and you find yourself struggling to keep pace to stay on top of things to stay centred The Present is written for people just like you It is a laypersons guide to mindfulness offering insights and practices on how to be less tangled up in your thoughts about the past and or future and become more present After all when you are present you are happy in fact it s impossible to be happy and not to be present You re bound to get at least one idea that resonates with you and sets you on a path towards more peace and contentment in your life Perhaps the best news of all is that it can happen right here right now

The Human Addictions Valentin Matcas,2016-04-20 Humans always seek pleasure humans venerate pleasure but are humans sentient or

feelers by nature the way science depicts them Because if humans are defined as feelers and if they are expected to behave as feelers then this remains their meaning in life and in the world always to feel good to feel everything and to live life feeling the best even addicted Yet as you notice humans excel at reasoning the most and not mainly at feeling which describes more the animal kingdom Pleasure is very good and it is better than pain yet there is a difference between feeling and reasoning Because reasoning is more about mastering life and the world while feeling is about celebrating these Yet even this statement is insufficient because feelings are not even abilities within your cognitive system but feelings are only meant to signal needs and their fulfillment rewarding or punishing you depending on circumstances While reasoning is your main cognitive ability and you should treasure it accordingly This lack of understanding makes a difference because if you happen to live your life valuing feelings including your good feelings more than your actual human abilities including all your cognitive abilities then feelings and pleasure in special remain your focus and meaning in life And with the multitude of artificial sources of pleasure that society offers good luck to you because it is only a matter of time before you too become addicted Since as we notice throughout the book becoming addicted is not only an error of judgment that you make while trying to feel good in life as everyone else it is not only a social constraint subduing you as everyone else but addiction is integral part of the normal natural process of your cognitive system and it is even used by your subconscious intelligence in various circumstances in order to render you always eager to fulfill specific highly important activities in life as it is the case with your natural need for reproduction You have to comprehend society as it is because once you are addicted you become weak predictable and controllable and this is how others take over your living and social niche to exploit you While you end up struggling with family problems finance problems and health problems ever after Would you like to be able to manage your life your thinking and your behavior Then you have to be able to manage your feelings first And you may do so not forcefully and not directly since you are not a mechanism but you can manage your feelings only by learning everything about your feelings needs development addictions intelligences reasoning behavior society Life the world and your meaning and place in Life and in the world This book creates an entire model of the human addictions which is still easy to read teaching you everything about drugs and how they work about pleasure and how it controls you and about the world and how it interacts with you before and during addictions If you want to learn more about addictions consequences and withdrawal this book is for you

Here is a book of easy reading poetry that is meant for everyone s pleasure especially someone who likes a good rhyme More importantly it has a bonus of having social stories in the margins of all the pages of poetry to help a developmentally challenged child understand what is in the text of the poem Diane has found that social stories are very helpful in teaching her autistic child to understand concepts he may not otherwise be able to understand These pictures and corresponding text would be a good way to pass on social skills to people like her child She has found that social skills are at the very root and basis of a meaningful life and help enrich the learning experience This has helped her child to understand difficult concepts and has worked well in conjunction with the medicine he takes from a well recognized physician She wants to make as much of this new language as she can This is her first book and hopefully the first of many **English Couplets** M.R. McGrenere,2005-12-20 This story is predicated upon the little known fact that any male who has been baptized as a Christian is eligible to become Pope The Catholic Church usually requires that he also be confirmed This however is not the real impediment as such a thing is most unlikely to happen on the face of it Unless of course if as the Church proclaims the Holy Ghost actually exists St Malachy an Irish mystic created a remarkably accurate list of Popes from his day in the 1300s to beyond our present time According to this list there are to be two more Popes a short reign and then the last Pope What would the world be like if the Holy Ghost did interfere in the election of the last Pope That does indeed present us with many interesting possibilities This book is in eight parts starting with THE END OF DAYS The story opens in the late spring of 2007 with a conclave to elect a successor to the second last Pope For a number of months it has been deadlocked when a series of dreams introduce a name that eventually is voted as the next Pope A search finds the possessor of that name and a birthmark on his neck that will make him Pope THE COMING We go back to Ireland in 1896 where one of the O Shey twins is murdered in a most gruesome manner The other runs off to Canada He marries a

young woman he meets in a most unusual manner on the ship They have a family and we follow their son Patrick Paddy O Shey who has a very eventful life as a professional baseball player and war hero and despite his feeling of failure his son becomes the new Pope WAR Concerns the exploits of Paddy O Shey while in France in 1940 JOURNEY TO NOW Here we follow the quiet life of our hero James Michael O Shey from birth until he is most unexpectedly picked to be Pope With a stop to cover the exploits of his father in the Far East during the war against the Japanese FROM PERDITION TO PERIL Back to Ireland in 1896 where the murdered of the O Shey twin one Jack Cassidy runs away in great remorse for the obscenity he has committed He goes to England and to the astonishment of even himself becomes a Catholic a lawyer a General serving in WWI and long time member of parliament his son Aaron who lives a quiet life has a son he names for his father James Winston Cassidy becomes the Cardinal Archbishop of Westminster and the antagonist to the new Pope He is one of the ones who tries to kill Michael IN THE BEGINNING This section follows Michael as he accepts the charge to be Pope He introduces a new theology into the Church dissolves the College of Cardinals and calls an Ecumenical Council He fires every bishop and most of the workers in the Curia and replaces them temporarily until the council can decide on the future structure of the Church He replaces over a thousand Bishops with men who are not wedded to the fear based past END OF THE BEGINNING Here we follow Michael as he meets the world and introduces his new theology travels to Canada the United States and the UN survives a number of attempts on his life and generally puts his house in order He introduces the universal Catholic Church and meets the resistance from the frightened ones with alacrity and forceful theological dexterity However a supposed miracle put a bit of a damper on his enthusiasm THE END OF THE BEGINNING Michael sets forth the criteria for the Council When all seems to be going as expected he is faced with a double attempt to kill him With this negative adventure and a metaphysical juxtaposition the fate of the Universal Catholic Church is put on hold while the readers make up their minds as to the desirability of the message that Michael preaches *Relentless Hearts in Progress* Rev.
